# MEDIA INFORMATION

## PRESS BOX

**Entrance to Press Box** – Enter the Press Box via the Press Elevator that is located midway at the base of the West Stands (press box side of the field). This elevator will go to all levels of the press operation. "Press Will Call" will be located in the press elevator lobby at street level. You will pick up late request credentials and parking passes here as well as photo sideline credentials.

**Press Box Levels** – There are seven levels in the Florida Field Press Box: 1) President's Deck which houses a lounge for the University President and his guests; 2) Bull Gator Club; 3) Working Press Deck – print media

and media seating; 4) Coaches Scouting Booths, Television Networks; Home and Visiting Radio Networks; 5) Photo and Video Deck including coaching films for both teams; 6) Luxury Box Level; 7) Luxury Box Level.

**Working Press Deck (Level 3)** – This level is reserved for media seating and statistical operations. **Fax Service** is available. We suggest that you let us know in advance what your needs in this area might be on game day. Several pay phones are available at the back of the press box which are used by dozens of media reps. If you have concerns about meeting tight deadlines, we strongly encourage you to order your own phone (see section on telephones).

**Television Networks, Radio Networks, Coaches Booth, Dining Area (Level 4)** – This level is reserved for television networks that are doing the game on a live or delayed basis. This level also houses the radio network for Florida and its respective opponent on game day. Each of the coaching staffs has one booth designated for its use. This level also contains the serving and eating areas for media representatives only.

**Photo Deck (Level 5)** – This deck offers a spacious area for all video cameras that are covering the game. This area also will be used for filming by each of the coaching staffs. Security and Game Operation booths are also located on this level.

## SIDELINES

The University of Florida follows NCAA and SEC rules regarding media representatives on the sidelines. Photographers and videographers are not permitted to shoot between the 25 yard lines and they must wear a photo armband at all times. The bench areas between the 25 yard lines are off limits to all media reps. No credentials will be issued to free-lance photographers, cut-line writers, equipment carriers, or radio station representatives except for the two originating networks. A "photo only" zone has been established on the Florida Field sidelines. Only people wearing a game photo armband with photo or video equipment will be permitted in this area. All other media representatives on the field (announcers, reporters, etc.) must stand behind the "photo only" zone. This will ensure that photographers/videographers have the appropriate area to do their work.

## CREDENTIALS

**Press Box** – All members of the media covering the game in a working capacity must seek appropriate credentials in advance from Norm Carlson. We would appreciate receiving these requests as early as possible. Requests for working space in the press box and photo credentials for the sidelines will be honored from Sports Editors of DAILY Newspapers and Sports Directors of Television Stations ONLY. Due to the heavy demand for working space, credentials for radio stations are limited to immediate Gainesville area stations and the two broadcast network crews doing the game. Any radio station seeking in-game and post-game reports can receive them by calling the SID Office in advance to make proper arrangements with our staff. Request for working credentials must be made in advance in writing to Norm Carlson. Spouses, dates, relatives, family members, non-workers, and anyone 16 years of age or younger, are not permitted in the press box. Violators will not be tolerated. Media agencies or bowls that violate this policy will not be issued credentials for future games.

**Sideline Credentials** – Media representatives with a gameday sideline photo/video credential form must report to the Press Elevator Lobby prior to the game. When you present the appropriate letter and identification, a sideline photo armband will be issued at that time. Your game credential or letter will not gain admittance to the photo zone on the sidelines. Media reps wearing a photo armband and carrying cameras will be the only people that will be permitted to enter the "Photo Only" zone on the field.

## PRESS WILL CALL

Late requested game credentials and parking passes that cannot be mailed can be picked up at "Press Will Call" in the Press Box Elevator lobby area. Game stand tickets that have been ordered by the media can also be picked up at the Press Will Call Window.

## PARKING

You should request your parking credential at the same time you request your game day working credentials. Parking credentials are limited. If time permits, both of these credentials (press box and parking) will be mailed. If time doesn't permit the parking credential to be mailed, you

## FLORIDA FAX-ON-DEMAND SERVICES

*Fax-On-Demand is an automated, 24 hour a day, 7 day a week fax information network service that quickly sends information to your facsimile machine. To access the system, simply call from the handset of your fax machine and enter the appropriate passcode upon hearing the recording. You will be prompted throughout the menu.*

### MEDIA ONLY SERVICE

Fax-On-Demand will be the fastest way to get UF's updated statistics, notes, rosters, injury report, depth chart, scouting reports and bio sketches. This system will also have daily football practice reports. Due to this new technology, UF's SID office will not be mailing out the traditional weekly media notes and stats package. If you need this information, simply call the SID office and we will issue you the appropriate phone number, passcode and menu options for Media Fax-On-Demand. We sincerely believe that this new service will make your job easier and more efficient simply because you won't have to wait to receive the information in the mail or for us to fax the materials to you. You can get the information when you want it and get what you want.

### \*GATOR FANFAX

Gator fans can now receive, for the cost of a phone call, much of the same information that the media receive to assist them in their work. You can now receive updated statistics, game notes, series information, game day stats, radio and television listings, etc. To access the information call 404-399-3060 from the headset of your fax machine. Upon hearing the recording you then punch in an assigned passcode (83) when asked. You will then be prompted through the information menu and asked to choose items of interest (stats, game notes, etc.). The requested information will then be faxed to the facsimile machine from which you are calling in the next few minutes.

\*GATOR FANFAX is sponsored by Sports Channel Florida

in the appropriate request sheet in your press folder and returning it to a member of the Florida SID staff no later than the ten minute mark of the fourth quarter.

Procedures for coach and player interviews for Florida's opponent will be coordinated by the opponent SID staff. Opponent locker areas are located outside the southeast tunnel area of Florida Field.

## FAX SERVICE

Please see page 5 for a description of the Fax-On-Demand Services. Fax service is also available in the press box to send information back to your agency at the conclusion of the game. There is a small fee for this service depending on the amount of information you want sent. Hal Deck is the fax service representative that will coordinate this service in the press box on game day. Please contact him on game-day to discuss your specific needs.

## TELEPHONE INFORMATION

We strongly encourage you to make sure that your phone needs are met before gameday. Telephone orders for lines should be placed directly with Southern Bell (Susan Fisher, 904-350-4056). Remember, you must place separate orders for your phone line

and for the appropriate equipment or you must bring the appropriate equipment with you. The SID office will not be able to help you with a phone line and/or equipment on the day of the game. You should take care of these matters as soon as possible. A bank of wall phones are available to the media on level three of the press box (print media and statistical operations). The SID office also has a few other phones that it uses for fax services and radio reports. Once again, if you envision tight deadline problems we strongly encourage you to order your own line as the SID phones, fax phones and the wall phones available to the media are in almost constant use for two hours after the game.

## COACH SPURRIER INTERVIEWS (GAMEWEEK)

The best time to interview Coach Spurrier on the telephone is 11:00-11:30 on Monday, Wednesday and Thursday. He will normally return calls during these time frames. Please coordinate all requests for phone and personal interviews with Coach Spurrier with Norm Carlson in the SID office. This is important during the season with Coach Spurrier serving as head coach, offensive coordinator and QB coach, his time schedule must be coordinated. On every Sunday prior to a game the upcoming

Saturday, Coach Spurrier will conduct a teleconference call at 2:00 p.m. ET with media representatives. Every Tuesday, Coach Spurrier will conduct a press conference at Florida Field. He will also take part in a SEC teleconference each Wednesday morning at a time to be announced. Coach Spurrier will also be available to the media each day after practice.

Interviews will take place on the practice field at the conclusion of practice. If it can possibly be done, short interviews with television stations can be conducted prior to the start of practice. Tuesday evenings are reserved for phone interviews with out-of-town media. Please call at least one day in advance for phone interviews. A note will then be left on the player's locker and dorm room asking him to return your call. All player interviews will conclude on Tuesday at 8:00 p.m. The Florida SID office will also conduct a teleconference with 2-3 players each Wednesday at a time to be announced. The Yon Hall Dormitory, team locker-rooms and training areas are considered private team areas. These areas are off limits to media representatives unless accompanied by SID office personnel.

# GATORS SEEK TO RANK AMONG THE NATION'S ELITE ONCE AGAIN

Optimism continues to abound around the University of Florida football program. An unprecedented four-year period of success has placed the Gator program among the nation's elite entering the 1994 season. That recent success, combined with high expectations for this fall, makes 1994 among the most anticipated seasons in Florida history.

Since Steve Spurrier's arrival in 1990 the Gators have won the school's first two official SEC titles, finished atop the league standings one other year, won more SEC games (27-5 record) than any school in what is arguably the nation's premier football conference, and posted the most combined wins (39) over a four-year time period in school history. Florida is one of just two schools in the nation that can say it has finished each of the last three seasons ranked among the country's top ten teams in the final AP Poll.

Florida is coming off an especially sparkling year in 1993 that ranks among the finest, if not the finest, in

*Winning championships has become a fairly common occurrence at Florida in the 1990s. The Gators have won the SEC title two times in the last three years and have won the SEC East title each of the past two seasons.*

school history. The Gators posted an overall 11-2 record, a win total that ranks as the best in a season in school history, captured their second SEC title in the past three years, won their second consecutive SEC Eastern Division title, won the school's first-ever Sugar Bowl game with a very impressive 41-7 victory over undefeated West Virginia, and finished the year ranked 5th in the final AP Poll and 4th in the USA Today/CNN Coaches Poll, the highest final season rankings for a Gator team since 1985 and just the third time in school history that a Gator team has finished the season ranked in the top five. Quite simply, the goal in '94 is to continue the string of impressive success and perhaps add another chapter of first-ever achievements.

Four starters return from last year's record-setting offensive unit that registered more points (472) and total yards

(5,719) than any unit in Southeastern Conference history. A solid offensive line, led by junior tackles Reggie Green and Jason Odom, two quality players at the quarterback position in senior Terry Dean and sophomore Danny Wuerffel, and a big-play performer in wide receiver Jack Jackson, who caught 51 passes last year with a SEC leading 11 TD catches, form the foundation for a '94 unit that hopes to once again rank among the nation's most explosive.

Running back Errict Rhett, the school's all-time leading rusher and one of the nation's most versatile backs the past few seasons, must be replaced as well as Willie Jackson and Harrison Houston, two very productive wide-receivers. Jackson completed his career with 162 total catches, the second best mark in UF history, and his 24 TD catches ranked as the best in Gator history and second best in SEC annals.

Houston's 101 total catches ranked ninth best in school history and his 19 career TD receptions were third best.

Eight starters return to a defensive unit that is changing from a 4-4-3 to a 4-3-4 base scheme. Due to better levels of experience and depth throughout the defense, this unit is expected to be improved, perhaps significantly. The secondary returns all of its top players from last year, headlined by all-star candidate Larry Kennedy at cornerback, while the line returns seven of its top eight performers from last year.

Senior end Kevin Carter and senior tackle Ellis Johnson headline an experienced line unit that could rank among the nation's finest this fall. Ed Robinson, the squad's top tackler each of the last two seasons from his inside linebacker post, and two-year Gatorback starter Monty Grow are major losses for a linebacker contingent that once again will have to rely on several underclassmen this fall.

As usual, the schedule is a challenge. Last year the Gators posted an overall 11-2 record and a 8-1 slate in SEC games against a demanding schedule. Florida was one of only three schools in the nation that played five teams (Florida State, Auburn, West Virginia, Tennessee, Alabama) that finished the year ranked among the nation's top fifteen teams in the final AP Poll.

Florida's '94 slate received a somewhat unexpected boost when the Georgia game, a contest that has been held in Jacksonville yearly since 1933, had to be moved to Gainesville due to a major renovation project at the Gator Bowl so that the stadium can be completed in time for the city's new NFL team which begins play in August of 1995. That move gives Florida seven home games in Gainesville for the first time in school history. In addition to the Bulldogs, who will make only their second trip ever to Gainesville and the first since 1931, New Mexico State, Kentucky, LSU, Auburn,

Southern Miss and South Carolina will visit Florida Field (a.k.a "The Swamp), a stadium that has gained a national reputation as among the most difficult places for opponents to play. The Gators have posted a 23-1 record at "The Swamp" under Steve Spurrier since 1990 and are 66-10-1 (.856%) since 1981. Florida hasn't lost a conference game at "The Swamp" since 1989.

Tempering the enthusiasm of playing seven home games, however, is the fact that the Gators have to make four tough road trips, including

meetings with Tennessee and Florida State, squads that are once again expected to rank among the nation's elite. Florida will visit Oxford, Miss., for the first time since 1980 to meet Ole Miss while it will also travel to Nashville to take on Vanderbilt, where UF has won just twice since 1966. While UF is a sparkling 23-1 at Florida Field since 1990 and

shows a 29-3 record in games played in the Sunshine State this decade it shows only a 10-7 slate in games played outside the state since 1990.

## OFFENSE

Four starters return from a '93 offensive unit that ranked as the most productive in school history and one of the most productive in SEC history. That unit established eleven new UF records and seven new SEC marks including most points (472), most yards of total offense (5,719), most passing yards (4,072), most TD passes (41) and most first downs (298). Florida ranked seventh in the nation in total offense with an aver-

age of 476.6 ypg, fourth in passing (339.3 ypg) and fourth in scoring (39.3 ppg). It was one of just two offensive units in the nation to throw for over 3,800 yards and have a back rush for over 1,200 yards. It

became just the second unit in college history to have one QB throw for over 2,000 yards, another signal-caller throw for over 1,000 yards and a running back rush for over 1,000 yards.

Senior Terry Dean (6-2, 207), who enters the fall as the starter, and sophomore Danny Wuerffel (6-2, 206) return at the quarterback spot, a position that has become one of the glamour roles in college football since the arrival of Steve Spurrier in 1990. The duo threw for a combined 3,881 yards last year with 39 TDs. Dean started six games last fall and Wuerffel seven. The duo gives the Gators one of the top quarterback situations in all of college football for the 1994 campaign.

Florida also enters the season solid on the offensive line. Seven of the top ten players

from last year's unit return in '94. Jim Watson, a three-year starter at guard who earned First-team All-SEC honors last year, and center Gant Crouch, a starter in 21 games over the past two years, are top departures but solid replacements are in place. Junior tackles Reggie Green and Jason Odom, top post-season all-star candidates, headline the '94 contingent.

Florida took major hits at both the running back and wide-receiver positions where it must replace some of the most productive players in Gator history. Errict Rhett, the school's all-time leading rusher with 4,163 yards, has departed as has two-year starting fullback Kelvin Randolph. Receivers Willie Jackson and Harrison Houston have also departed after catching 162 passes (2nd best in UF history)

and 101 passes (9th best), respectively. Jackson registered 24 TD catches, the top total in school history and second best in SEC history, while Houston's 19 scoring ranked third best in school history.

Juniors Jack Jackson and Chris Doering and senior Aubrey Hill headline a wide receiver unit that still boasts several quality players despite the loss of Willie Jackson and Harrison Houston. Jack Jackson led the team with 51 catches and his 11 TD catches was the top total in the SEC while Doering had 43 catches. Following is a closer look at the Gator offense by position areas.

#### QUARTERBACK

Senior Terry Dean (6-2, 207) and sophomore Danny Wuerffel (6-2, 206), who started six and seven games respectively last year, return to direct Florida's offense. The twosome, who threw for over 3,800 yards and 39 TDs last year, give the Gators both talent and experience at this position that few schools in the nation can match.

Dean, who came out of spring drills as the top signal-caller, started six games last year, including the final two vs. Alabama in the SEC Championship Game and vs. West Virginia in the Sugar Bowl. He started the season in that role, regained the top post in late October, was then sidelined by a shoulder injury and then once again regained the top role for the final two games. He had a solid spring and was named the offensive squad's spring MVP for the second consecutive year and he was also selected a offensive co-captain for the '94 team.

Wuerffel, who was named

the SEC Freshman of the Year last fall, assumed the top spot in week three vs. Tennessee, regained it in early November after Dean was sidelined by a shoulder injury and then saw his season come to an end with a knee injury vs. Florida State which sidelined him for the final two and a half games.

Dean, a 3.90 student who will graduate this December, threw for 1,615 yards with 17 TDs and 10 interceptions on the year while completing 118 of 200 passes (59%). He ranked third in the SEC and 20th in the nation in pass efficiency with a rating of 146.4. He threw for a SEC record six TDs and 448 yards, second most in UF history, vs. Southwestern Louisiana and was named MVP of the SEC Champion-

ship Game against Alabama.

Wuerffel, a 3.70 student, completed 159 of 273 passes (58.2%) for 2,230 yards with 22 TDs and 10 interceptions. His 22 TD tosses was the most ever for a freshman signal-caller in NCAA Div. 1A history. He ranked fourth in the SEC and 22nd in the nation in passing efficiency with a rating of 146.1. Wuerffel, who threw for a school record 449 yards vs. Mississippi State, was a First-team selection on *Football News' Freshman All-America Team*.

Sophomores Eric Kresser (6-2, 206) and Brian Schottenheimer (6-2, 195), the son of Kansas City Chiefs Head Coach Marty Schottenheimer, who transferred from Kansas to Florida and sat out last year as

Senior Terry Dean (left) and sophomore Danny Wuerffel give the Gators perhaps the nation's top QB duo. The tandem threw for over 3,800 yards last fall with 39 TDs. Dean, who got married this summer and will graduate this December, enters the fall as the starter. Both Dean and Wuerffel are Academic All-America candidates this season.

Errict Rhett, UF's all-time leading rusher with over 4,100 yards — the third-best total in SEC history behind only Herschel Walker and Bo Jackson — will be hard to replace both for his talent and leadership. UF's entire tailback unit entering 1994 will be composed of freshmen.

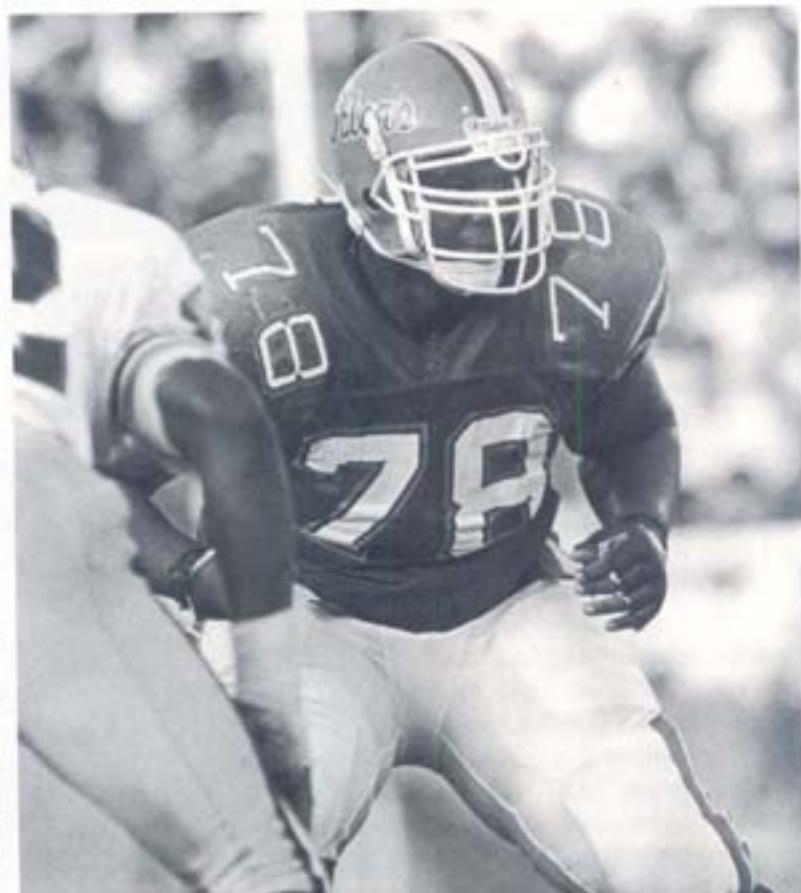

per NCAA rules, provide additional quality depth.

#### RUNNING BACK

This is a very young unit entering the 1994 season. There is but one upperclassman (fullback Chris Bilkie) on the combined tailback and fullback units. Of the eight total scholarship players on the roster entering fall drills, four are freshmen and three are sophomores.

The Gators will have to replace tailback Errict Rhett, the school's all-time leading rusher with 4,163 yards, as well as solid fullback Kelvin Randolph, a two-year starter. Not only will Rhett have to be replaced, but those replacements will all be freshmen entering the season.

Rhett, who became the first player in Div. 1A history to rush for over 4,100 career yards and catch over 150 passes, finished his outstanding career as the third all-time leading rusher in SEC history.

Jason Odom (top) and Reggie Green, both juniors, rank among the top offensive tackle tandems in the nation.

trailing only Herschel Walker and Bo Jackson. He was a team leader and motivator who brought many intangibles to the squad. He was a second round selection in the '94 NFL Draft by Tampa Bay.

Redshirt freshmen Elijah Williams (5-10, 178) and Tyrone Baker (5-9, 175) are the only two returnees at the tailback spot entering the season. Williams was the most consistently impressive this spring and enters the fall atop the depth chart. True freshman Fred Taylor, considered one of the state of Florida's premier prep runners in recent years, will also likely have to play a top role this fall.

At fullback, senior Chris Billie (6-2, 236) sets atop the depth chart entering fall drills. Sophomores Dwayne Mobley (5-10, 219) and Jerome Evans (6-1, 228) are other top contenders for Kelvin Randolph's vacated position. Mobley is considered the best pure runner of the trio and could also see some duty at tailback due to the lack of depth at that position.

#### OFFENSIVE LINE

This is expected to be one of the squad's strengths in 1994 as seven of the top ten players return from a unit that established a SEC record for most first downs in a season (298). The tackle tandem of Reggie Green and Jason Odom ranks with the finest in the nation.

At guard, Florida loses Jim Watson, a three-year starter who earned First-team All-SEC honors last fall. Senior Dean Golden (6-6, 283), a starter in 16 of the last 18 games, is the most experienced returnee at this position. Sophomore Jeff Mitchell (6-5, 273), however, started in place of Golden at left guard

vs. Alabama in the SEC Championship Game and the Sugar Bowl vs. West Virginia. He held off Golden throughout spring drills and enters the fall atop the depth chart at left guard. At the other guard spot,

sophomore Donnie Young (6-3, 294) continued to impress this spring and seems like a solid replacement for the departed Watson. Redshirt freshman Derek Walker (6-5, 277), named the offensive squad's most improved freshman player this spring, is Young's top backup.

As mentioned above, the junior tackle tandem of Reggie Green (6-6, 296) and Jason Odom (6-5, 297) ranks with the finest in the nation. As a sophomore in '93, Green earned First-team All-SEC honors and was a First-team Sophomore All-America selection while Odom was a Second-team All-SEC choice and a Second-team Sophomore All-America honoree. Odom was selected the squad's most outstanding offensive lineman last year. The two true juniors have started 47 combined games over the past two seasons. Two redshirt freshmen, Eric Johnson (6-6, 297) and Keith McMahon (6-6, 298), enter the fall as the top backups to Green and Odom at

*Junior Jack Jackson gives UF one of nation's premier wide receivers. As a sophomore in 1993, he caught 51 passes for 949 yards (the third top total in school history) and also ranked fifth in the nation in kickoff returns with an average of 28.2. He averaged an SEC-best 20.7 yards every time he touched the ball last fall and also led the SEC with 11 TD catches.*

the left and right tackle positions, respectively.

Gantt Crouch, a starter in 21 of the last 26 games at center, has graduated. Senior David Swain (6-3, 270), who started three games at center last fall, is the most experienced returnee at this position and enters the fall atop the depth chart. Swain missed all of spring drills due to an abdominal muscle injury. He is expected to be 100 percent once fall drills start in August. Senior Anthony Ingrassia (6-2, 296), who served as Reggie Green's top backup at left tackle last year and was considered by the Gator coaching staff to be one of the unit's top six offensive linemen, was moved to center this spring where he battled junior Kevin Johnson (6-3, 270). Johnson was named the offensive squad's most improved lineman this spring. He and Ingrassia will continue to push Swain this fall.

#### RECEIVER

Graduation losses at the receiver position were the heaviest on the squad. This was a prime focus area during last February's prep signing period and it is expected that a couple of incoming freshmen will have to contribute this fall as Florida returns just four scholarship players at the wide-out positions.

Willie Jackson and Harrison Houston, two of the most productive receivers in school history, have departed. Jackson was a fourth-round selection in last spring's NFL Draft by Dallas while Houston was a fifth-round choice by Atlanta. Jackson completed his career with 162 total catches, the second top total in school history, and 24 TD receptions, the second-best

total in SEC history. Houston completed his career with 101 total catches and 19 scoring grabs, the third top total in school history. Daryl Frazier, who had nine catches for 229 yards (25.4 avg.) last year has also departed.

The Gators might not return a lot of players at the wide-out positions, but there is certainly a good deal of quality. The returning four-man scholarship group is headlined by junior Jack Jackson (5-9, 171), an outstanding player who will challenge for high national honors this season. As a sophomore in 1993 he registered 51 catches for 949 yards (the third top seasonal total in school history) with 11 TDs, the top total in the SEC. His 18.6 average per catch ranked as the best in school history for a player who caught 50 or more passes. He also emerged as one of the nation's top kickoff returners with an average of 28.2 yards, a mark that ranked fifth in the nation in

'93 and set a Florida seasonal record. Every time he touched the ball last fall as a receiver, kick returner or runner he averaged a sparkling 20.7 yards, the best in the SEC.

Junior Chris Doering, a former walk-on, also had a banner 1993 season. Doering (6-4, 181), who reminds many of the Gator faithful of former UF standout Cris Collinsworth, registered 43 catches for 553 yards and ranked second in TD catches with seven. He caught a game-winning 28-yard TD with three seconds remaining to defeat Kentucky, 24-20, and his 12 catches for 199 yards vs. Mississippi State ranked as the second best single-game totals in those categories in school history. He will also see action at the tight-end position.

Senior Aubrey Hill (5-11, 175), an offensive co-captain, also returns at the wide-out position along with junior Sorola Palmer (5-10, 173). Hill has recorded 53 catches for

899 yards (17.0 avg.) with 11 TD catches over the course of the last three seasons. He had 23 catches for 309 yards and four TDs last fall. Palmer, who emerged as the squad's top punt returner over the course of the last half of last season, had three catches last fall for 90 yards and one TD. Freshman walk-on Ronnie Battle (5-8, 166) has a good chance to join the wide-receiver rotation as do a couple of the prep standouts Florida signed last February. Florida's '94 wide-receiver signee group was generally regarded as the nation's best.

Florida also enters the new campaign with a small returning contingent at tight-end. Sophomore Shawn Nunn (6-3, 246) and freshman Taras Ross (6-3, 241) are the only two scholarship players at that post. Senior walk-on Chris Braun (6-3, 245) and junior walk-on Tremayne Allen (6-2, 217) could also see playing time. Charlie Dean, the primary starter in 1993, and Greg Keller, the primary starter in 1992, have both graduated.

## THE DEFENSE

This is where much of focus centered this spring. Bob Pruett arrived as the squad's new defensive coordinator and installed the "Multiple 40", a base 4-3-4 scheme that the Gator coaches hope will continue to be effective against the run, but also prove to be more effective vs. the pass. Florida had run a base 4-4-3 scheme the last four years which was quite effective against the rush but proved somewhat suspect vs. the pass.

The '93 defensive unit ranked second in the SEC and

ninth in the nation in rushing defense, yielding an average of just 111.2 yards per game. Against the pass, however, the unit yielded 225 yards a game, a mark that ranked last in the SEC. Opponents completed 56% of their passes vs. the Gators and the unit yielded 17 total TD passes, a figure that ranked next to last in the league. Florida ranked 39th in the nation in passing efficiency defense with a rating of 115.6. Overall, Florida ranked 30th in the nation in total defense last year yielding an average of 336.6 yards and 19.8 points per game. The goal in '94 is to simply get better, and there is reason to believe that that can indeed happen.

Pruett and staff installed the new scheme with a group that is much more experienced than in recent years. Eight starters return as do 18 of the top 22 players on the two-deep depth chart and 29 of the top 33 on the three-deep. The

combination of experience, depth and talent is unquestionably the best in several years.

Seven of the top eight players on last year's defensive line unit return as does the entire secondary group which played the 1993 season with no seniors on the unit. The linebacking contingent, which

unit raises its level of play from 1993, then the 1994 Gator defense would appear to be quite solid all the way

across the board.

End Kevin Carter and tackle Ellis Johnson are all-star candidates on the defensive line. Cornerback Larry Kennedy is expected to receive consideration for the Thorpe Award as the nation's premier defensive back.

#### DEFENSIVE LINE

This is unquestionably one of the squad's strengths and the overall unit might very well rank with the nation's finest when such honors are bestowed at season's end. Six players who have started collegiate games and eight total letterwinners return to what could become a standout unit this fall.

Senior Kevin Carter (6-6, 265) headlines the list of returnees at the end position that returns completely intact from last year. Carter, who has started 25 of the last 26 games, ranked third on the team last year in total tackles for loss with 11.5 and second in QB sacks with 6.5. He was a Second-team Sophomore All-America selection in 1992. Junior Mark Campbell (6-3, 287) started 12 of 13 games at the other end spot last year and his 21 "Big Plays" ranked fourth on the defensive unit.

Junior Johnie Church (6-3, 255) and sophomore Cameron Davis (6-4, 251) are also quality players at the end positions. Church, who was a First-team Freshman All-America selection in 1992 after registering 62 total tackles, saw his production fall to 29 total tackles during a injury-marred '93 campaign. Davis registered 20 total tackles last fall and was named to the SEC All-Freshman Team.

At tackle, the Gators lose William Gaines, a First-team All-SEC and Third-team All-

America selection last fall. Seniors Ellis Johnson and Henry McMillian and junior David Barnard are the top tackle returnees. All three have extensive playing experience. Johnson (6-3, 283), named the defensive MVP this spring, was credited with 38 "Big Plays" last fall, the second top total on the defense. He led the team in total tackles for loss with 15 and in QB sacks with seven. McMillian (6-3, 276) has 13 career starts under his belt over the course of the past two seasons. He had 52 tackles in 1992 and 37 in '93. He has seen starting duty at both tackle and end. Barnard (6-1, 295) has played in all 26 games the past two seasons, including three starts. He had 25 tackles from his tackle post last fall.

#### LINEBACKER

Over the last four seasons the Gators' base defensive alignment used four linebackers. The "Multiple 40" scheme installed this spring uses three linebackers, two inside and a nickelbacker post, a hybrid position which has the freedom to make plays all over the field. The nickelbacker has the capability to rush, play inside or outside linebacker and its role can change based on the opponent and the down and game situation. The overall linebacker contingent is a young one with just one senior in the group.

Junior Dexter Daniels (6-2, 240) is the squad's most experienced player at the inside linebacker position. He started 12 games last fall and his 86 tackles ranked as the second-best total on the squad. He had an outstanding spring and could emerge as an all-star candidate this fall. Senior Kevin Freeman (6-0, 224) and

*Junior linebackers Ben Hanks (left) and Dexter Daniels (right) ranked third and second, respectively, in tackles on last year's team. Hanks will man the new nickelbacker spot this fall while Daniels is the squad's most experienced inside linebacker.*

juniors Matt Pearson (6-2, 235) and Jason Bartley (5-11, 221) are other upperclass returnees at the inside linebacker area. Pearson, one of the squad's top special teams players last year, appears ready to join the top rotation of players at inside linebacker.

Sophomore James Bates (6-1, 220) and two redshirt freshmen Kavin Walton (6-1, 221) and Willie Rodgers (6-1, 232) are also involved in the competition for starting and key backup roles. Bates enters fall atop the depth chart at the ILB post alongside Daniels while Walton, named the squad's most improved inside linebacker this spring, enters the fall as the top projected backup to Dexter Daniels.

Junior Ben Hanks and

sophomore Darren Hambrick will continue to wage a battle for the top spot at the new nickelbacker spot. Hanks (6-2,

224) was a starter in 12 of 13 games at the Banditback spot in last year's 4-4-3 scheme while Hambrick (6-2, 205) was the top backup at the Gatorback spot. Hanks registered 83 tackles last year, the third top total on the team, while Hambrick had 46 tackles as a true freshman. Redshirt freshmen Dwayne Thomas (6-3, 221) and Pat Lowe (6-3, 221) provide backup help at nickelbacker.

## SECONDARY

This is also a position area that has been affected by the new defensive scheme. For the past four years the Gators primarily used three defensive backs, two corners and a free-safety. The "Multiple 40" puts Florida in a traditional four-man scheme with two corners, a strong safety and a free safety.

Like the defensive line, this is a position area that is very experienced. Every player from 1993 returns, including five players with starting experience. Nine total letterwinners form a solid nucleus heading into the new season.

Senior Larry Kennedy (5-10, 186), a starter in each of the last 37 Gator games, headlines the cornerback contingent. The three-year starter is expected to rank among the nation's premier defensive backs this fall. Sophomore Anthone Lott (5-9, 189), a cousin of All-Pro standout Ronnie Lott, started the final seven games of the '93 campaign at the other corner position, and his three interceptions ranked second on the team. He enters the fall as the expected starter alongside Kennedy, but faces a stiff fight for the starting job from sophomore Shea Showers (5-11, 170), who was moved to cor-

Senior Michael Gilmore (5-11, 180), one of the nation's most honored scholar-athletes last fall, is the top returnee at free-safety. Gilmore, who was a First-team GTE Academic All-America selection and was the state of Florida's lone national finalist for the Rhodes Scholar program last year, started 12 of 13 games at that post last year and led the team in interceptions with four. Redshirt freshman Mike Harris (6-2, 191) came out of spring drills as Gilmore's top backup but he had reconstructive shoulder surgery in late April and his status for the

season and registered 62 tackles despite missing two-and-a-half games with a knee injury, is the starter at strong safety. Wright, who was named the squad's most inspirational player last year, could also see duty at free safety. Senior Eddie Lake (5-10, 185), a starter in six games at cornerback last fall, and redshirt freshman Xavier McCray (5-11, 208) are Wright's top backups at strong-safety.

#### SPECIAL TEAMS

Florida enters the new season in a solid situation at this important area. The combination of senior place-kicker Judd Davis and senior punter Shayne Edge ranks among the nation's best.

Davis (6-1, 185) received the Lou Groza Award as the nation's top place-kicker last fall. The former walk-on converted on 15 of 19 field goals last year and his 51 PATs set a school record. He was a First-team All-America selection by UPI. Edge, who has handled all of Florida's punting chores for the past three years, averaged 42.7 yards a punt last year and the Gators ranked ninth in the nation in net punting with a average of 38.5. Edge, who was a First-team All-SEC and Second-team All-America selection in 1991, earned Second-team All-SEC honors last year.

Junior Jack Jackson gives Florida one of the nation's premier kick returners. He averaged a school record 28.2 yards per kickoff return last fall, a mark that ranked fifth best in the nation. Redshirt freshmen Tyrone Baker and Elijah Williams will give the Gators other speed-burners on the kickoff return unit. Junior Sorola Palmer and senior Larry Kennedy are the top

returning punt returners. They shared that role last fall.

Florida's overall special teams play is expected to continue to improve. The overall depth and athletic ability of the squad has continued to increase in the past few years and that situation should enable the Gators to field better return and coverage units, an added plus for this ever improving football program.

*Shayne Edge has ranked among the nation's top punters for the last three years.*

*Judd Davis, a First-team UPI All-America choice in 1993, was the recipient of last year's Lou Groza Award which is presented to the nation's top place-kicker.*

# COACH SPURRIER'S COMMENTS ON 1994

## DEFENSIVE TEAM

### END

"Coach Bob Sanders feels like we really have three starters in Kevin Carter, Mark Campbell and Johnnie Church, along with a solid player backing them up in Cameron Davis. Hopefully, Carter can have his biggest year ever as a senior. He has the potential to be a dominating player. Campbell also has a lot of talent and is very strong. This is a solid position."

### TACKLE

"Ellis Johnson should be one of the best tackles in the country. He has a chance to be an All-American. He's a very legitimate candidate for that honor. He was voted captain by his teammates and will be a leader for us. David Barnard and Henry McMillian are two outstanding tackles. These are all experienced players who give us a solid foundation at this position."

### INSIDE LINEBACKER

"Dexter Daniels is a returning starter who had an excellent spring and has a chance to be an All-SEC player. James Bates, Matt Pearson and Kevin Freeman did some good things in the spring. Kavin Walton is a fine young prospect and should play a lot."

### NICKELBACKER

"Ben Hanks and Darren Hambrick each had a fine spring. At times they will both be on the field as Ben can also play inside linebacker. He is a quality player. Both players started last year and that gives us experience and depth at this position. We expect a lot of big plays out of these two."

### CORNERBACK

Larry Kennedy is returning for his fourth year as a starter. He has a chance to be an all-conference player. Anthone Lott is a returning starter on the other side, but Shea Showers did some good things in the spring, as did Thomas Miller, and it could be a good battle for that position. Kedra Malone and Fred Weary will provide additional depth."

### STRONG SAFETY

"Lawrence Wright had an outstanding spring and has developed into a natural at this position. With his size, tackling ability and athletic ability he is potentially an excellent player at strong safety. Eddie Lake and Xavier McCray will back him up."

### FREE SAFETY

"Michael Gilmore is a senior and a returning starter. We need depth here and an incoming freshman might have to play. Mike Harris underwent shoulder surgery after spring practice and he and Demetric Jackson are the only two behind Gilmore."

### DEFENSIVE SUMMATION

"We expect to be much improved against the pass, but hopefully, we'll remain tough against the run. Our defense made tremendous progress during spring practice, and we believe that will carry over throughout the season."

## OFFENSIVE TEAM

### WIDE RECEIVER

"Jack Jackson is a returning All-America candidate, and he has a chance to be one of the best that has ever played at Florida. There have been some great ones from Florida, and he could rank with any of them. Aubrey Hill, Sorola Palmer and Chris Doering are also very talented players who have played well for us. Aubrey, one of our captains, will start and Doering can play at tight end as well as the other wide receiver position. We signed five outstanding high school receivers, and two or three of them are expected to play this year."

### TIGHT END

"Shawn Nunn and Taras Ross are the first two. Chris Braun is a dependable senior. We feel pretty good about this position although we primarily have young players who haven't played much. Before the season is over this should be a solid position."

### RUNNING BACK

"This is one position where we definitely will have a freshman starting. Our three tailbacks - Elijah Williams, Tyrone Baker and Fred (Shake) Taylor are all freshmen and Taylor is a true freshman. What we know going into the season is we will have more speed and will probably break more long runs than we have lately. However, trying to replace Errick Rhett will be the most difficult assignment on our 1994 team."

"At fullback, we have three solid players in Chris Bilkie, Dwayne Mobley and Jerome Evans. All three of them will play, as will all the tailbacks. There's a good chance that the ball will be spread around more this year, with several players touching it each game instead of Rhett and Kelvin Randolph (graduated fullback)."

### OFFENSIVE LINE

"We return four of five starters, as well as a couple of players who alternated last year, so we have good experience at all positions. I believe this line should play extremely well. Jason Odom is our most consistent player and has a chance to be an All-American tackle. Reggie Green, our other starting tackle, has tremendous ability with the potential to be a great college lineman. Jeff Mitchell and Donnie Young, our starting guards, are two of the strongest players on our team. David Swain is an experienced center and Anthony Ingrassia is a proven player at more than one position. The offensive line should be a strong point on our team."

*"We expect to be much improved against the pass, but hopefully, we'll remain tough against the run. Our defense made tremendous progress during spring practice, and we believe that will carry over throughout the season."*

## QUARTERBACK

"Terry Dean, one of our offensive captains, is our starter. He finished last season very strongly and had an excellent spring. It's his job to hold for the season. Danny Wuerffel is certainly an outstanding player who gives us a quality quarterback capable of stepping in at any time. We feel good about this position."

## OFFENSIVE SUMMATION

"We could have one of our best offensive teams this season. The experienced quarterbacks, several quality receivers and a game-breaker like Jack Jackson, gives us a good combination. Our offensive line returns basically intact. The young running backs are capable of giving us more long runs than we've had in the last few years. I believe our defense will get the ball back quicker for us than in the past couple of years. Overall, this is one of the best offensive situations we've had since we've been here."

*"We could have one of our best offensive teams this season. The experienced quarterbacks, several quality receivers and a game-breaker like Jack Jackson, gives us a good combination. Our offensive line returns basically intact. The young running backs are capable of giving us more long runs than we've had in the last few years...Overall, this is one of the best offensive situations we've had since we've been here."*

## KICKING GAME

"We return both kickers. Judd Davis won the Lou Groza Award last year as the nation's outstanding placekicker. Shayne Edge has been All-SEC during his three years as a starter. We are mainly concerned about who is going to be the snapper. On returns, Sorola Palmer and Larry Kennedy will handle punts, and probably, Jack Jackson and Elijah Williams will handle kickoffs."

## SEC RACE

"On our side (SEC East), most of the thinking is that Tennessee and Georgia are probably the top contenders, along with Florida. I look for Kentucky and South Carolina to be improved and capable of beating any other team in the league. Vanderbilt plays very well at times, and they are competitive. In the West, the favorites appear to be Alabama and Auburn, with Mississippi State and Arkansas next. Of course, our interest in that division is mainly in Auburn, LSU and Ole Miss - the teams we play."

# HEAD COACH STEVE SPURRIER

Steve Spurrier's first four seasons as head coach at the University of Florida, his alma mater, have resulted in the finest four years in Gator football history.

During this period the Gators have captured their first two official SEC football championships in 1991 and 1993, finished first in the league in 1990, compiled the best conference record (27-5) of any SEC school and the best four-year record in UF history (39-10).

The 1993 squad was the first in school history to win 11 games in a season and emerged as Sugar Bowl champions for the first time. The Gators won nine or more games for a fourth consecutive year, another first in school history.

Since the SEC was split into two divisions in 1992, the Gators have claimed the Eastern Championship in both the 1992 and 1993 seasons, and represented that division in the league title game in Birmingham each year.

Florida posted an 8-1 SEC record in 1993, the most conference wins in a season in school history. The Gators' final Associated Press ranking of No. 5 tied for the second-best in school history.

This success came against one of the nation's toughest schedules. The Gators were one of only two teams in the nation to play three games vs. teams ranked in the top seven in the final AP poll and one of only three teams in the nation that met five squads ranked in the final top 15.

Spurrier is the first coach to lead UF to four consecutive seasons of nine or more wins and Top 15 finishes in the final AP football poll (13th in 1990, 7th in '91, 10th in '92, and 5th in '93). Florida is the only SEC school to finish in the Top 10 in each of the last three seasons.

Florida has been ranked in the AP National Poll in 65 of the 66 weeks he has been the Gator head coach, including the last 65 straight.

His overall career collegiate head coaching record in 59-23-1 (.723%) in seven seasons is eighth-best in the nation among active coaches. His overall head coaching record, counting three years with the Tampa Bay Bandits of the USFL, is 94-25-1 (.693%).

In four years at the UF helm, Spurrier has led his alma mater to its first two SEC titles, two SEC Eastern Division crowns and the league's best cumulative conference record (27-5) since 1990.

In Spurrier's initial season at the Gator helm in 1990, his team went 9-2, finished fifth in the nation on defense and 10th on offense while setting 14 single-season records.

In 1991, the Gators won 10 games for the first time, beating seven league foes by a margin of 226-74 and producing the best conference record in their history (7-0) and the best by any SEC school since 1977.

The team set seven new school records, three SEC marks and finished the season ranked ninth in the nation in total offense and fourth in passing. They led the SEC and were sixth in the nation in rushing defense. The Gators' 5,028 yards of total offense was a school record at that time.

They finished the regular season ranked third in the nation and dropped to seventh after losing to Notre Dame in the Sugar Bowl.

In 1992, the young Gator team started the season 1-2 and bounced back to win seven of its last eight games to win the Eastern Division title and advance to the first-ever SEC championship game. A loss to Alabama in that contest was followed by a 27-10 victory over N.C. State in the Gator Bowl for a final record of 9-4 and an AP ranking of 10th.

The 1993 offense set eight SEC records and 15 UF marks while ranking fourth in the nation in scoring (39.3) and passing yards (339.3 ypg). They were seventh in total offense

(476.6 ypg) and averaged a TD once every 15 snaps. Defensively, UF was ninth in the nation in rushing defense.

Spurrier's teams at Duke (1987-88-89) all led the Atlantic Coast Conference in total offense and passing and his Gator team in 1990 did the same. In 1991, 1992 and 1993, Florida led the league in passing.

Spurrier's offenses recorded the same results at the professional level in the USFL from 1983-85 with the Tampa Bay Bandits. The 1984 team was the first in pro history to produce a 4,000-yard passer and two 1,000-yard rushers in the same season. Quarterback John Reaves again passed for over 4,000 yards in 1985, one of only four QB's in pro history to accomplish this feat in back-to-back seasons.

The 1966 Heisman Trophy winner as Florida's quarterback, Spurrier started his coaching career as the Gators' quarterback coach in 1978. In 1979, he served as offensive coordinator and QB coach at Georgia Tech, and served in that same capacity at Duke from 1980-82 before moving to the USFL in his first head coaching job with the Bandits in 1983. He returned to Duke as head coach in 1987 and produced that school's first ACC championship in 24 years in 1989.

He was named ACC Coach-of-the-Year in 1988 and 1989.

Spurrier was born on April 20, 1945 in Miami Beach, Florida, son of Presbyterian minister J. Graham Spurrier and his wife Marjorie. The family moved to Johnson City, Tennessee, when Steve was 12 years old.

At Science Hill H.S. in Johnson City, he was all-state in football, basketball and baseball and prep All-American in football in 1962. His baseball team won two straight state titles and in three seasons of pitching, he never lost a game.

At Florida, he guided the Gators to two major bowls in three seasons, eight come-from-behind wins in the final quarter and a glorious period still remembered fondly by Florida fans.

In the Sugar Bowl game following the 1985 season, Spurrier set six passing and total offense records and became the only player from the losing team ever to be voted the game's MVP.

The Auburn game in 1986 was the ultimate in Spurrier's knack of being in the right place at the right time under pressure. Heisman Trophy ballots had gone out the previous week and were due back in the week following. A record Florida Field press corps was in attendance.

Despite one of the greatest performances of his career (27 of 40 passing for 259 yards and one TD; five punts for an average of 46.9 yards per kick) the Gators still remained tied with Auburn at 27-27 with just over two minutes remaining and had to attempt a field goal on fourth and long.

Spurrier took the responsibility for hitting the longer 40-yard effort, although he had not kicked a field goal since the opener that season against

Northwestern. He kicked it through for a dramatic 30-27 victory.

Joe Durso of the New York Times called Spurrier a "Real-life Frank Merriwell." John Logue of the Atlanta Journal wrote, "Spurrier, with his hands tied behind his back and facing a firing squad, would be favored to escape."

He was the first round draft choice of the San Francisco 49ers in 1967 and played 10 years in the NFL, nine with the 49ers and one with the Tampa Bay Buccaneers.

Steve and Jerry Spurrier met while UF students and were married just before his senior season in 1966 at Florida. They now have four children - daughters Mrs. Lisa King and Mrs. Amy Moody and sons Steve, Jr., a senior at Duke, and Scotty. They also have a grandson, Trey King.

*"Creating a family atmosphere among the coaches and players is very important... We want an atmosphere where the guys like each other and pull for each other to do well... Teams that believe something good is going to happen for them in the fourth quarter and keep playing hard, find good things do happen... I think former players should know that, no matter what, they always have a home here. It's nice to belong to a group, a family, a team, and that doesn't have to end when you quit playing here."*

— STEVE SPURRIER

*"More than anyone, Spurrier has been responsible for mending UF's broken home and for making Gators proud to be Gators again. Yeah, it's kind of corny the way Spurrier gets misty-eyed when he sings 'We Are the Boys' or the way he makes his players stay out on Florida Field after home games and sing the alma mater, but there is no doubt he is genuine about making the Gator family whole again."*

COACHING

# GATOR OFFENSIVE SYSTEM

## Balance And Diversity Is The Goal

"Our offensive philosophy at Florida is actually very simple. We want to do whatever it takes to win the game. If throwing the ball 50 times, or running it 50 times, gives

us the best chance to win, this is what we will do.

We believe you must be able to throw the ball very successfully to compete with the top teams in the

nation. On the other hand we want to control the ball by running and making first downs on the ground to help us win the game. Generally we pass first and then run, but being able to run is the key to our offense.

Our Duke team in 1989, which won the Atlantic Coast Conference championship, had a 1,000-yard rusher, two quarterbacks who combined for over 3,000 yards in passing, and a wide receiver that caught passes for over 1,000 yards and 17 touchdowns. In 1991, Florida was one of only two schools in the nation to have a 3,000 yard passer and a 1,000 yard rusher. Also in 1991 we had the SEC's leading passer, leading rusher and our wide receivers ranked first, second and third in the conference in TD catches. In 1992 the Gator offense was the only unit in the nation to have a 3,000 yard passer and a 900 yard rusher. These types of achievements are examples of the unique offensive balance we seek.

Our Florida team in 1993, which scored more points and accumulated more total yards in offense than any team in SEC history, was just the second team in collegiate history to have one QB throw for over 2,000 yards, another quarterback throw for over 1,000 yards, and a back rush for over 1,000 yards.

I think the one reason most players enjoy this offense is that everyone is involved in it. It's not designed to highlight one running back or one wide receiver. We spread it out to include everyone, and we recognize the importance of the offensive linemen in helping it work."

- STEVE SPURRIER

Head Coach,

Offensive Coordinator, QB Coach

*In the four seasons that Steve Spurrier has been at the Gator helm, the Florida offense has set, reset or tied 13 SEC and 37 UF records.*

*"If you want to write a history of football's offensive formations, get a Florida playbook. In watching film of Florida, you are watching the most sophisticated offense and passing attack in college football. Steve is simply a brilliant offensive coach."*

LOU HOLTZ  
Head Coach, Notre Dame

*"The three best quarterback coaches in college football are Bill Walsh (Stanford), Howard Schnellenberger (Louisville) and Steve Spurrier. Those are the guys doing special things with their quarterbacks."*

MIKE GOTTFRIED  
College Football Analyst,  
ESPN

*Florida has rightfully gained a reputation as one of the nation's top passing teams, but its running backs have also achieved a great deal of notoriety. Errict Rhett led the SEC in rushing yards in 1991 (1,109) and 1993 (1,289). In 1992, he was the only back in the nation to rush for over 900 yards AND catch at least 55 passes. Rhett, who completed his career as the SEC's third all-time leading rusher with 4,163 yards, became the first player in NCAA Division I-A history to rush for over 4,000 yards AND catch 150 or more passes.*

## A RECEIVER'S PARADISE

In each of Steve Spurrier's seven years as a head collegiate coach, a WR from his team has led the respective conference in TD catches. In 1993, four Gator players caught 40 or more passes.

*"Coach Spurrier's offense is imaginative and open, and you really can't double-team anyone or someone else will burn you. "Championship teams all play great defense and we are committed to being a championship program. Coach Steve Spurrier is committed to playing sound defense with players that play hard, aggressive football and make big plays, and that is the style we want.

I'm well aware of Florida's tradition of excellence over the years and the genuine pride associated with Gator defense. Highly-ranked defensive teams and players have become a big part of Florida lore. Forty-five defensive players have earned All-America honors, 53 players have earned first-team All-SEC recognition and eight of them have been first-round NFL draft choices.

Many Gator defensive units have finished a season ranked in the nation's top ten in total defense, rushing defense and scoring defense. That's where we want to be every year, and our coaching staff and players work hard to achieve that distinction.

I think we have an excellent coaching staff that has a high degree of respect and admiration for the tradition that has been built at Florida and is totally dedicated to keeping the Gators among the nation's leaders year-after-year.

The defensive coaches are experienced teachers who communicate well with our student-athletes. They are all dedicated to seeing that our players reach their fullest potential to become as good as they can be as athletes and students.

The defensive scheme at Florida consists of four down linemen (two ends and two tackles), two inside linebackers which we call the Hawk-Backer and Okie-Backer, a Nickel-Backer who functions as a linebacker at times or as a defensive back, and four defensive backs (two corners, strong safety and free safety).

Our philosophy on defense is to attack, be aggressive and work hard on creating turnovers. We want to be very sound on fundamentals. We have the abilities to give multiple looks in our 'Multiple 40' defense.

We want to be a defense that stuffs the run – you must stop the run to be a championship defense – but is capable of shutting down the passing game when opponents feel that is the best way to move the football on us.

In our recruiting, we look for young men who have a defensive temperament, are disciplined, have good work habits and are determined to excel while taking great pride in being part of an aggressive unit."

— BOB PRUETT  
Defensive Coordinator

Five times in the last nine seasons Florida has ranked among the nation's top ten teams in total defense.

*"Defensively, we want to develop a characteristic of being an aggressive, physical team which swarms to the football with the goal of turning it over to our offense. Obviously, team speed is a high priority. We want to be fundamentally solid but willing to take calculated, aggressive moves to disrupt offenses. I think the players who are involved in this defensive scheme will have fun playing the game."*

- Eight Gator defenders have been selected in the first-round of the NFL Draft, five alone since 1983.
- Fifty-three UF defensive players have played in the NFL.
- Fifty-three different players have earned first-team All-SEC recognition.
- Five times in the last nine seasons (1985, 87, 88, 89, 90) Florida has ranked among the nation's top ten teams in total defense.

- Florida has ranked among the nation's top five teams in total defense in three of the last six seasons (1988, 89, 90).
- Five times (1981, 84, 85, 87, 89) in the last 13 years Florida has led the tough SEC in total defense. No other school in the SEC has led the league in total defense more than three times in that 13-year period.

Florida has ranked among the top ten teams in the nation in rushing defense in four of the past five seasons. In 1990, the Gators permitted just 85.5 rushing yards per game, the lowest in school history. Florida has led the tough SEC in rushing defense in three of the past five seasons.

*"All of the defensive players like our system because it lets each player's talent show. It's fun to play because we play defense with an offensive mentality. We attack and try to make things happen instead of letting the offense dictate to us. It's so much fun to play in this defense."*

DB LARRY KENNEDY

*"Our philosophy on defense is to attack, be aggressive and work hard on creating turnovers. We want to be very sound on fundamentals. We have the abilities to give multiple looks in our 'Multiple 40' defense. In today's college football, you play such a variety of offenses. You have to have a multiple-type scheme where you can adjust to different formations and different types of offenses."*

BOB PRUETT  
UF Defensive Coordinator

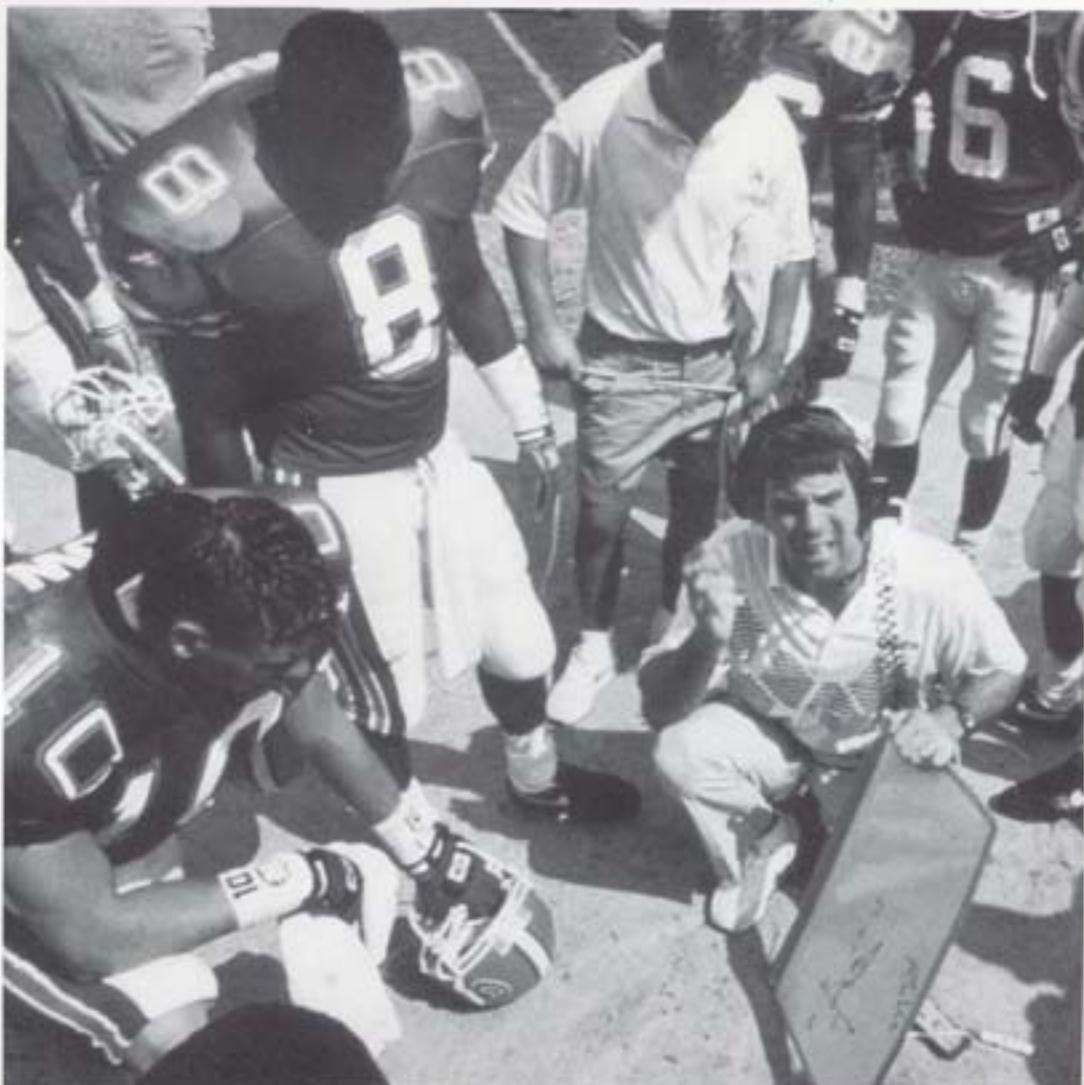

- Ten times in the last fourteen years Florida has ranked among the top three teams in the SEC in total defense, an achievement no other school in the league can boast.
- Over the nine year stretch from 1983-91 Florida was the only team in the SEC to rank in the top three in total defense in each of those nine seasons.
- Florida ranked among the nation's top ten teams in rushing defense in each of the 1989, '90, '91 and '93 seasons and among the nation's top fifteen teams in scoring defense in each of those three of those four years (1989, '90, '91).

*"To each incoming athlete, the most important challenge is to realize the tremendous defensive tradition that has been established at Florida and to understand that the Florida defense is for winners. The players here are expected to go through hard-nose preparation and each member of the team expects the best effort from his teammates in order to keep this tradition strong."*

**CARL FRANKS**  
Inside Linebackers Coach

#### COACHING CAREER

**At Florida:** Franks is entering his fifth year on the Gator staff. He was appointed coach of the running backs in January of 1990. In February of 1991 he also took on additional duties as Florida's recruiting coordinator. In March of 1993 he took over as tight ends coach while still maintaining his duties as recruiting coordinator. In March of 1994, Franks was selected to head the Gators inside linebacker corps in Florida's new defensive scheme. *Bowl Games:* 1992 Sugar, 1992 Gator, 1994 Sugar.

**Prior to Florida:** 1984 - Garner Sr. H.S., Garner N.C.; 1985 - Virginia Military Institute (tight ends and wide receivers); 1985 - Tampa Bay Bandits (running backs coach); 1987-89 - Duke (running backs coach). *Bowl Games:* 1989 All-American.

#### COACHING NOTES

During his tenure as Florida's recruiting coordinator, Franks directed a staff effort to bring some of the nation's top high school players to the University of Florida. The 1992 UF signees were ranked as the nation's top recruiting class by *Super Prep* and *Blue Chip Report*. The 1993 contingent of Gator recruits was also a consensus pick as one of the nation's ten-best classes, including a seventh place selection by *National High School Recruiting Service* and an eighth place selection by *Super Prep*. The 1994 group was ranked fifth in the nation by *Blue Chip Illustrated* and eighth by the *National High School Recruiting Service*.

Since joining the Gator staff in 1990, Franks has helped to oversee one of the nation's most potent offensive attacks. Florida is the only Southeastern Conference school that has ranked as one of the nation's top-ten teams in total offenses three of the past four years (10th in '90, 9th in '91, and 7th in '93.) Florida has led the Southeastern Conference in passing offense and ranked as one of the league's top-two total offenses each of the past four years. During his stint as running backs coach from 1990-92, Franks helped to mold the Gator ground

game into an important aspect of the Florida offense.

During that period the Gators were the only Southeastern Conference team to have one of the league's top-four ground gainers every season. Errict Rhett led the league in rushing yards in '91 and ranked fourth in '90 and '92. He was also the SEC's top ground gainer in '93. During the 1990 season, Florida was the only school in the SEC to have two running backs rush for over 600 yards (Errict Rhett 845, Willie McClendon 641).

As tight ends coach in 1993, Franks oversaw a portion of a Gator offense that was one of the nation's finest. The Gators ranked fourth in the NCAA in passing offense and seventh in total offense. The Florida offense also established new SEC records for passing yardage (4,072), passing yards per game (339.3), and TD passes (41) in addition to new conference marks for total offense (5,719) and total first downs (297).

**Errict Rhett** - Coached by Franks his first three seasons at Florida, Rhett developed into one of the nation's finest multi-purpose backs. Under Franks' tutelage, Rhett was also named both Second-team Freshman and Sophomore All-America by *Football News*. During his career, Rhett surpassed Emmitt Smith's mark of 3,928 yards to become the leading ground gainer in University of Florida history with 4,163 yards. Rhett also became the only back in NCAA Division IA history to have rushed for over 4,100 yards catch over 150 passes. A second-round selection of the Tampa Bay Buccaneers in the 1994 NFL Draft.

Rhett finished his career as the third-leading rusher in Southeastern Conference history, trailing only Herschel Walker and Bo Jackson. The Blue Devil back also scored 10 rushing TDs that season, the most for a Duke rusher since 1976. During the '89 season, Cuthbert set a single game Duke rushing record as he racked

up 234 yards against Georgia Tech. In 1993 Cuthbert signed as a free agent by Pittsburgh and was on the Steelers active roster.

#### BOB PRUETT

Defensive Coordinator  
Defensive Backs Coach

#### COACHING CAREER

**At Florida:** Pruett enters his first season as a member of the Florida coaching staff. In March of 1994, he was named defensive coordinator and defensive backs coach by Head Coach Steve Spurrier.

**Prior to Florida:** 1965-66 - Falls Church High School (assistant coach); 1967-69 - Hayfield High School (assistant coach); 1970-72 - Groveton High School (head coach); 1973-78 - Garfield High School (head coach); 1979-82 - Marshall University (defensive backs coach); 1981-82 - Marshall University (defensive coordinator); 1983-1984 - Wake Forest (defensive backs coach); 1985 - Wake Forest (defensive coordinator); 1985-1989 - Wake Forest (defensive backs); 1990-1991 - Mississippi (defensive backs); 1992-93 - Tulane (defensive coordinator).

## COACHING NOTES

**Prior to Florida:** As defensive coordinator at Florida, Pruett will look to continue the tradition of solid Gator defense. During his tenure as defensive coordinator at Tulane, the Green Wave defense improved tremendously and became adept at forcing turnovers and making big plays. In 1993, the Green Wave defense scored a school record four touchdowns on defense, returning three touchdowns and one interception for scores. Tulane forced a total of 29 fumbles in 1993 and recovered 17, the most fumbles recovered by any Tulane squad since 1985. The Green Wave was also consistent against the pass, limiting opponents to 183 yards per game in the air.

In 1990 and 1991, Pruett served as the defensive backs coach at the University of Mississippi. Pruett inherited a Rebel defense that finished next to last in Southeastern Conference passing defense during the 1989 campaign. By his second year at Ole Miss in 1991, Pruett's Rebel pass defense was rated third in the conference and 36th in the final NCAA rankings, giving up only 161 passing yards per game. During Pruett's tenure at Wake Forest from 1983-89, he presided over some of the ACC's top defensive units. The Demon Deacons led the league in passing defense in 1983, 1984, and 1987. The 1983 squad paced the league, giving up only 143.6 yards per game, while the Demon Deacons allowed just 165.6 passing yards per game in 1984 and a meager 158.0 average in 1987.

**High School:** As the head coach of Groveton High School in Alexandria, Virginia, Pruett turned around a program that had never enjoyed a winning season in school history. In his three seasons at Groveton (1970-72), Pruett compiled a 12-17-1 record and led the school to its first winning season ever with a 6-4 record in 1972. At Groveton, Pruett coached defensive back Alvin Cowans, who went on to enjoy an outstanding career with the Gators from 1973-76, and was a teammate of current Florida offensive line coach, Jimmy Ray Stephens. A master at reviving dormant high school programs, Pruett moved to Garfield High School in Woodbridge, Virginia in 1973. After taking over yet another program that had never enjoyed a winning season, Pruett guided Garfield to a 5-5 record in his first season and posted a remarkable 9-1 total in just his second year, giving Garfield its first winning squad in school history. Pruett compiled an overall record of 49-14-1 at Garfield, claimed three district championships and advanced to the 1978 Virginia Class AAA high school state championship game. In total, 26 of Pruett's former players at Garfield went on to play major college football.

## COACHING NOTES

Since joining the Gators in 1990, Sanders has helped coach a unit that has upheld Florida's rich defensive tradition. Sanders has helped build a Gator defense that has ranked among the nation's finest against the run. Florida is the only school in the Southeastern Conference that has ranked among the NCAA's 10-best rushing defenses three of the past four years, finishing fifth in '90, fifth in '91, and ninth in '93. Florida is also the only team in the SEC to own one of the league's four-best rushing defenses each of the past four years, ranking first in '90, first in '91, fourth in '92, and second in '93.

In 1990, Florida permitted just 85.5 yards a game rushing, a figure that set a

new school single-season record. Particularly tough inside the 20 yard-line, the Gator run defense allowed just seven rushing TDs in '91 and only nine in '93. The seven rushing scores in 1991 ranked as the fourth-lowest total in school history. The '91 squad finished the season second in the SEC and 13th in the nation in scoring defense (13.8 ppg). Since Sanders' arrival in 1990, the Gator defense pitched shutouts against LSU and Alabama in 1991, marking the first time since 1972 that a Florida team blanked two conference opponents in the same season. The 35-0 victory over Alabama was the first time the Crimson Tide had ever been held scoreless by the Gators.

*"We have an enthusiastic, talented group of assistant coaches who are sound fundamental teachers of the game of football. The addition of Bob Pruett will definitely strengthen our defense. He is probably the most qualified, experienced coach I have hired. I believe the staff realignment in the spring helped us on both offense and defense with Jim Collins coming over to the offensive side to join John Reaves, Dwayne Dixon and Jimmy Stephens. On defense, Carl Franks, Ron Zook, Charlie Strong and Bob Sanders, along with Coach Pruett, probably make up the finest staff I've had here."*

## SERIES AND GAME NOTES

This is the first time that Florida has met New Mexico State, but not its first game versus a team from the state of New Mexico. In 1989, the Gators defeated the University of New Mexico, 27-21, behind a school record 316 rushing yards from Emmitt Smith.

This contest marks the start of the 88th season of play in UF football history. The Gators are 63-24 in 87 previous season openers. Fifty-one of the previous 87 season openers have been held in Gainesville with the Gators posting an impressive 45-6 record in those contests. In the last 23 times that UF has opened a new season with a home contest, it has posted a 22-1 record. After losing to Ole Miss in the 1948 season opener in Gainesville, the Gators have won every home season opener, with the exception of 1989 when Ole Miss posted an upset 24-19 win. From 1949-88, the Gators were 18-0 when opening a new season at Florida Field.

The Gators enter the season opener with a 23-1 record at Florida Field since 1990.

### SERIES AND GAME NOTES

This will be the 45th time that Florida and Kentucky have met with the Gators holding a 27-17 series edge. The two teams first met in 1917 in Lexington.

Florida has won 16 of the 20 series games that have been held in Gainesville. Kentucky holds a 10-9 edge in the series in games held in Lexington but the Gators are 7-1 in their last eight trips to Lexington, including last year's dramatic 24-20 win. Five games between the schools have taken place outside of Gainesville or Lexington (Jacksonville or Tampa) with the Wildcats winning three of those five games. Since 1967 Kentucky has visited Florida Field 15 times with the Gators posting wins in 13 of those 15 games. The only times in their last 15 trips to Florida Field that the Wildcats have posted wins is 1977 (14-7) and 1979 (31-3). UF has won each of the last seven games of the series held in Gainesville.

Florida has dominated the series in recent years after UK dominated in the early years. The Wildcats won 12 of the first 16 games played between the schools but the Gators have won 13 of the last 14 meetings and 23 of the last 28 games. These two SEC schools have met annually since 1967 with the Gators holding a 21-5 series edge in the 26 games played since that season. Florida was 9-1 vs. Kentucky in the decade of the 1980s and is 4-0 so far in the '90s.

Steve Spurrier is 4-0 vs. Kentucky as a head coach while Bill Curry is 0-7 vs. Florida (0-4 at Kentucky, 0-1 while at Alabama and 0-2 while at Georgia Tech).

## SERIES AND GAME NOTES

Florida and Tennessee will be meeting for the 24th time. Tennessee leads the all-time series standings with a 15-8 record. The Gators, however, have won six of the last eight meetings between the two schools.

Florida and Tennessee are both charter members of the SEC, but have met just 17 times in regular season play since the conference began play in 1933. The two squads met five times from 1916-32 before the SEC began official play in 1933 and one other time in a bowl game (1969 Gator Bowl). Since the SEC began play in 1933 the Vols hold a 10-7 series edge in regular season games. Now that Florida and Tennessee are both members of the SEC's Eastern Division they will meet annually.

Florida is 3-10 in the 13 games played between the two squads in Knoxville and 4-4 in the eight series games played in Gainesville. The very first meeting between the two schools took place in 1916 in Gainesville, but after that initial

contest the two schools did not meet again in Gainesville until 1953.

One of the meetings between the two squads took place in a bowl game, the 1969 Gator Bowl in Jacksonville, with the Gators posting a 14-13 win over the SEC champion Vols. Current Tennessee AD Doug Dickey was the Vols head coach that day, his last game at Tennessee as he became the Florida head coach starting in the 1970 season.

Steve Spurrier is 3-3 vs. the Vols (1-1 while at Duke and 2-2 at Florida). Spurrier never played against Tennessee when he was the Gators QB from 1964-66.

Florida and Tennessee have some joint ties. Tennessee Athletic Director Doug Dickey is a Florida graduate who coached the Gators from 1970-78. Florida assistant coach Ron Zook coached at Tennessee from 1984-86. Steve Spurrier arrived on the Florida campus in 1963 from Johnson City, Tenn., where he was an all-state standout in several sports. Bob Woodruff, who served as Florida head coach from 1950-59, was Athletic Director at Tennessee from 1963-85. Ray Graves, who served as Florida head coach from 1960-69 and as Florida AD from 1969-79, is a Tennessee graduate.

## SERIES AND GAME NOTES

Florida and Ole Miss will tangle for just the 18th time when the two SEC schools meet in Oxford on October 1st. The contest will mark just the fifth time, and the first since 1980, that the two schools have met in Oxford.

Florida and Ole Miss are both charter members of the SEC, but they have met just 16 times during the regular season since league play began in 1933. One other meeting (1958) came in the Gator Bowl game. Overall, Florida has met Ole Miss 17 total times, the fewest times that the Gators have met any charter member in the SEC in its football history.

Mississippi leads the all-time series standings between the two schools with a mark of 9-7-1. Florida, however, has won six of the past eight meetings.

The two schools first met in 1926, with the Rebels posting a 12-7 win. Seven series games have taken place in Gainesville with the Gators showing a 2-4-1 mark. Five games, including the 1958 Gator Bowl contest, have taken place in Jacksonville, with Ole Miss showing a 4-1 ledger in those contests. Four games have taken place in Oxford, with Florida showing three wins and a loss, and one contest (1988) taking place in Jackson, Miss. All told, five of the 17 previous series games have taken place in the state of Mississippi, while 12 contests have been held in the state of Florida.

Ole Miss has invaded Florida Field eight times and shown a 4-2-1 ledger, including a 24-19 win in 1989 – the last time UF has lost to an SEC foe at Florida Field.

## SERIES AND GAME NOTES

Florida and LSU will square-off for the 41st time when the two meet in Gainesville. This has been an extremely competitive series with UF holding a 19-18-3 series edge. The SEC foes have met on an annual basis since 1971 with Florida holding a 12-9-2 series edge over that 23-year time span.

Twenty-one series games have taken place in Baton Rouge with UF holding an 11-10 record. Florida is 6-1 in its last seven trips to Tiger Stadium. Nineteen series games have taken place in Gainesville with both schools showing eight wins with three games ending in ties.

During the decade of the 1980s this was a series that went against the norm as the visiting team dominated in the victory column. During the 1980s the home team won just twice with one game ending in a tie. The home team in the 1980s posted a 2-7-1 record. Since 1980, the home team in this series is 4-9-1.

Since the start of the 1981 season, the Gators have compiled a sparkling 66-10-2 record at Florida Field. LSU is responsible for two of those rare Gator home losses (1982, 1986) and one of the two ties (1984).

As Florida's QB from 1964-66, Steve Spurrier led the Gators to three wins over LSU. He is also 4-0 vs. the Tigers as a head coach. Florida has won each of the last six years, the first time in the series that the Gators have posted six consecutive wins over the Tigers.

Auburn in this category in the Gator record book.

Florida and Auburn first met on the football field in 1912 and have met every season since 1945. The two teams met at eight different sites (Gainesville, Auburn, Montgomery, Mobile, Columbus, Ga., Jacksonville, Tampa, and Miami) over the years. Since 1950, however, this game has alternated between Auburn and Gainesville.

The home field has been important in this series. The Gators hold a 19-6 edge in games played at Florida Field while the Tigers show a 23-3-1 winning mark in games played at Auburn. Auburn is 1-9 in its last ten appearances at Florida Field. Florida is 2-7 in its last nine trips to Auburn.

Florida has managed just a 5-23-1 record in games played at Auburn. One of Florida's all-time most memorable wins, however, came at Jordan-Hare Stadium in 1983. A 14-10 win, only the fourth ever for a UF team at Auburn, vaulted the Gators to their first-ever number-one ranking in a wire service poll.

Steve Spurrier is 3-1 vs. Auburn as a coach. As a player, Spurrier was 2-1 vs. the Tigers as Florida's starting QB and his game-winning field goal vs. Auburn in 1966 played a significant role in swaying Heisman Trophy voters, an award he eventually won that season.

## SERIES AND GAME NOTES

This will be the 15th all-time meeting on the football field between Florida and South Carolina, but just the third as a Southeastern Conference tilt. Florida leads the all-time series standings, 8-3-3. As members of the SEC Eastern Division, the two schools will now meet on an annual basis.

The two schools first met in 1911 in Columbia battling to a 6-6 tie. From 1911 to 1939 the two schools met fairly regularly with 11 total games. Since 1940 the schools have met just three times.

Seven of the series games have taken place in Columbia, with the series ledger at 3-3-1. Only four series games have taken place in Gainesville (1912, 1917, 1964, 1992) with Florida showing a 4-0 ledger in those contests. Three games between the two schools have taken place in Tampa (1921, 1931, 1935) with Florida posting one win (1935) and the other two contests (1921, 1931) ending in ties.

The three ties with South Carolina is the second most vs. an opponent in Florida history. The Gators have tied Georgia Tech six times and South Carolina and LSU rank second in that category in Florida annals with 3 ties.

Steve Spurrier is 2-1 vs. the Gamecocks as a head coach. He suffered a 27-21 setback to South Carolina in the 1989 season opener while directing Duke and then posted a 14-9 win in Gainesville in 1992. In 1993, UF's first trip to Columbia since 1939, the gators posted a 27-36 win. They came back from a 17-0 deficit, the largest road comeback with UF history.

### SERIES AND GAME NOTES

This will be the 28th time that Florida and Vanderbilt have met on the football field with the Gators holding a 16-9-2 series edge. Florida holds an 12-3-1 edge in the last 16 games between the two schools. With Florida and Vanderbilt now in the SEC's Eastern Division the two schools meet on an annual basis.

Florida and Vanderbilt are both charter members of the SEC when it began play in 1933 but the two schools never met until 1945 with Vandy posting a 7-0 win in the initial contest which was played in Gainesville.

Fourteen series games have taken place in Nashville with the Commodores holding a 7-6-1 series edge. UF is 2-3-1 in its last six trips to the Music City, including a 1992 41-21 victory which clinched the SEC East Division title. Twelve series games have taken place in Gainesville with the Gators showing a 10-1 record at Florida Field. Vanderbilt won its initial game at Gainesville in 1945, 7-0, and since then has posted a 0-10-1 mark at Florida Field. A 6-6 tie in 1958 is the only time in its last 11 trips to Florida Field that the Commodores haven't suffered a setback.

Steve Spurrier is 4-0 vs. Vanderbilt as a head coach (2-0 at Duke and 2-0 at UF).

## SERIES AND GAME NOTES

The two Sunshine State schools first met on the gridiron in 1958 with Florida posting a 21-7 victory. The Gators and Seminoles have met every year since that initial contest with Florida now holding an overall 23-12-1 lead in the series standings.

Florida State's first win in the series came in 1964, 16-7, in what was the first meeting between the two schools in Tallahassee. The first six contests in the series were held in Gainesville. Since 1964, the series has alternated between the two campuses with Florida hosting in odd-numbered years and Florida State in even-numbered years.

Florida shows a 14-6-1 ledger in the 21 series games that have been held at Florida Field and a 9-6 ledger in the 15 series games played in Tallahassee.

Since 1979, this game has been the regular season finale for both universities.

This series has been marked by streaks over the last few decades. Florida won nine straight from 1968-76. Florida State then won four consecutive games from 1977-80. Florida responded with six straight from 1981-86, and the Seminoles then put together wins in four straight contests from 1987-90.

Steve Spurrier is 1-3 against the Seminoles while FSU head mentor Bobby Bowden is 10-8 in 18 previous meetings with the Gators. Bowden has chalked up 10 of the 12 total wins that FSU has posted in this series. Spurrier was 2-1 vs. FSU as the Gators' QB from 1964-66.

# THE SOUTHEASTERN CONFERENCE

## A Tradition Of Excellence Carries Into Its Seventh Decade

Throughout its 62-year history, the Southeastern Conference has been a leader in the integration of athletic competition and higher education.

Since its formation in 1933, the SEC has achieved both stature and stability by designating governing/voting power to the presidents of the member institutions. They have determined the policies of the conference and, through the years, this involvement has been the principal source of strength in the evolution of the SEC.

Intercollegiate athletics has encountered many challenges in the 1990s and again the SEC provided guidance. In 1993, the member institutions adopted The Principles of Gender Equity. Committed to increasing the quantity and quality of women's athletic opportunities, each school will provide at least two more women's intercollegiate programs than the number of men's.

Faced with the task of conference realignment after competing with 10 members since 1966, the SEC welcomed the University of Arkansas on August 1, 1990, and the University of South Carolina on Sept. 25, 1990. Joining charter members Alabama, Auburn, Florida, Georgia, Kentucky, LSU, Mississippi, Mississippi State, Tennessee and Vanderbilt, on July 1, 1991, Arkansas and South Carolina became the first schools added in conference history.

Fully incorporated into conference competition by 1992, Arkansas and South Carolina participated in SEC championships for all sports except football during the 1991-92 academic year. The SEC was again at the forefront, introducing football, basketball and baseball divisional play and the nation's first ever Division I football championship game.

SEC schools began athletic competition with one another almost 100 years ago as members of the Southern Intercollegiate Athletic Association.

Seven institutions [Alabama, Auburn, Georgia, Georgia Tech, North Carolina, Sewanee and Vanderbilt] attended the SIAA organizational meeting of faculty representatives, called by Dr. William L. Dudley of Vanderbilt, in Atlanta, December 22, 1894.

Student teams from the schools began meeting in various sports with little pattern to the contests. Baseball was the most popular campus sport, but the American adaptation of the English game rugby, called "football," was played April 9, 1880, on the ground now called Old Stoll Field at the University of Kentucky. Kentucky, then known as Kentucky A&M, was host to the contest in which Transylvania College, the called Kentucky University, upset Centre College 13% to 0. Kentucky A&M (now UK) organized a team and in November, 1881, played Transylvania a three-game series (winning 7% to 1, then losing 1 to 2 and 2% to 3). By 1885, 11 current SEC members were playing football.

Basketball moved quickly to the South as Vanderbilt was playing at the Nashville

YMCA in 1893, just two years after Dr. James Naismith originated the game at Springfield (Mass.) College. The Commodores won 9-6 in a game with nine players on each team. Basketball became an intercollegiate sport in 1901 and in 1908 Vanderbilt was meeting Columbia and Yale intersectionally.

Track was organized on a conference level at the 1895 SIAA meeting presided over by President Dudley who served until his death in 1914. The first championship meet was held at Vanderbilt May 15, 1896. By 1900, eight of the 13 charter SEC members were participating.

The seven-member SIAA expanded to 19 institutions in 1895 (Alabama, Auburn, Central, Clemson, Cumberland, Georgia, Georgia Tech, Kentucky, LSU, Mercer, Mississippi State, Nashville, North Carolina, Sewanee, Southwestern Presbyterian, Tennessee, Texas, Tulane and Vanderbilt) and by 1920 there were 30 members.

The larger schools reorganized as the Southern Conference at a meeting in Gainesville, December 12-13, 1920. Professor S.V. Sanford of Georgia called the meeting and served as the first president. Charter members of the Southern Conference included: Alabama, Auburn, Clemson, Georgia, Georgia Tech, Kentucky, Maryland, Mississippi State, North Carolina, North Carolina State, Tennessee, Virginia, Virginia Tech and Washington & Lee.

Despite an original limit of 16, the membership grew to 23 by 1928. In 1922, Florida, Louisiana State, Mississippi, South Carolina, Tulane, Vanderbilt and Virginia Military joined, while Sewanee and Duke became members in 1923 and 1928 respectively. At one time or another the SIAA and the SC included most of the Southern colleges from Virginia to Texas.

The 13 members west and south of the Appalachian Mountains reorganized as the Southeastern Conference at the annual SC meeting of December 809, 1932, in Knoxville. The 10 coast members remained in the Southern Conference.

Dr. Frank L. McVey of Kentucky was elected president of the new conference whose charter members were: Alabama, Auburn, Florida, Georgia, Georgia Tech, Kentucky, Louisiana State, Mississippi, Mississippi State, Sewanee, Tennessee, Tulane and Vanderbilt. (Sewanee withdrew December 13, 1940, Georgia Tech on June 1, 1964, and Tulane on June 1, 1966). McVey held an informal meeting of the school presidents in Birmingham February 16, 1933, then the first full meeting in Atlanta February 27.

The office of the commissioner was formed in 1940 in Jackson due to the great amount of detail work developing, especially in recruiting and eligibility. Former Mississippi Governor Martin S. Conner took office as commissioner August 21, 1940, as an extension of the authority of the presidents. Conner later became ill and the secretary of the conference, Dean N.W. Dougherty of Tennessee, served as acting commissioner during the fall of 1940.

The office moved to Birmingham with the appointing of Bernie H. Moore as the second full-time commissioner on February 21, 1948. Moore, a former LSU coach, guided the SEC to national respect in his 18-year tenure.

A.M. (Tonto) Coleman succeeded Moore upon his retirement April 1, 1966. The Alabama native, who was reared in Texas and experienced in athletic coaching and administration, served six and a half years.

Dr. H. Boyd McWhorter, then Dean of Arts and Sciences at Georgia and secretary of the league since 1967, accepted the position upon the retirement of Coleman August 1, 1972. Under his leadership the SEC experienced unparalleled growth. In McWhorter's first year the SEC distributed \$1.57 million and 14 years later (1986) the league distributed \$15 million in revenue to the member institutions.

Dr. Harvey W. Schiller, an Air Force colonel and faculty chair at the U.S. Air Force Academy, followed McWhorter upon retirement, taking office September 15, 1986. Under his guidance the SEC established itself as a leader in the areas of athletic scholarship and marketing.

Roy F. Kramer succeeded Schiller on January 10, 1990. Kramer, who has served on numerous NCAA committees, joined the league office after spending 12 years as athletic director at Vanderbilt.

The first SEC champions were crowned in 1933 in four sports (baseball, basketball, football and outdoor track). The league's inaugural championship event was a basketball tournament in Atlanta February 24-28, 1933. Records show the first men's team title for cross-country was awarded in 1935, while golf and swimming were added in 1937. The league later began hosting championships in tennis (1953) and indoor track (1957). A men's all-sports champion (Bernie Moore Trophy) has been awarded every year since 1973-74.

In the 1979-80 academic year, SEC championships for women were recognized in basketball, tennis and volleyball. the following year golf, gymnastics, swimming and track and field were added. The administration of women's athletics officially came under the auspices of the conference office on September 1, 1984. A women's all-sports champion has been awarded every year since 1983-84.

The SEC currently regulates nine men's sports and 10 women's sports: Men - baseball, basketball, football, golf, swimming, tennis and track (cross country, indoor and outdoor). Women - basketball, golf, gymnastics, soccer, swimming, tennis, track (cross country, indoor and outdoor) and volleyball.

Commissioner

- The University of Florida is the first school in the history of the NFL Draft to have at least one player selected in the first-round of the draft for nine consecutive years. At least one Gator player was selected in the opening round of the draft each year from 1983-91. During that nine-year period (1983-91), Florida also led all schools in the nation with 13 total first-round draft selections.

- The University of Florida is the only member school of the Association of American Universities – the nation's premier organization of higher education – to have its football team ranked in the Top Ten in the final Associated Press Poll in each of the last three seasons.

- The University of Florida ranks fourth among all U.S. universities in patents issued.

# 1993 GATOR FOOTBALL NOTEBOOK

- A 33-26 win over Georgia marked the fourth straight year that the Gators defeated the Bulldogs and was also just the third time in the long history of the series that UF had posted four consecutive wins over the Bulldogs (1955-58, 1960-63, 1990-93).

Florida captured its second SEC title in three seasons, won the school's first-ever Sugar Bowl title, and won more total games (11) and more conference games (8) than in any season in Gator history.

## SUPER SENIORS

The 1993 senior class made a major impact on the success and tradition of Florida football. Here are a few items that back up this statement:

- Its 39-10 record made it the winningest senior class in school history.
- It finished no worse than second in the SEC standings in each of its four seasons.
- It finished first in the SEC standings three times (1990, 1991 and 1993) and won two SEC titles (1991 and 1993).
- It won two Eastern Division SEC titles (1992 and 1993) and played in each of the first two SEC Championship Games.
- It won more SEC games (27) than any senior class in school history.
- It was the first team in school history to win nine or more games in each of its four seasons.
- It compiled a sparkling 23-1 record at Florida Field.
- It joined the 1958 and 1963 senior classes as the only groups in school history to defeat arch-rival Georgia in each of its four seasons.
- It was ranked in the weekly AP Poll in 65 of a possible 66 weeks, including each of the last 65 consecutive weeks—a school record.
- It was a major part of teams that won 10 games for the first time in school history (1991) and 11 games for the first time in school history (1993).
- It won bowl games in back-to-back seasons (1992 season in the Gator Bowl and 1993 season in the Sugar Bowl) for the first time in school history.
- As seniors, it won the school's first-ever Sugar Bowl title and just the school's second New Year's Day Bowl.
- Finished each of its four seasons in the Associated Press Top 15, including a Top 10 finish in 1991, '92 and '93.

## WORTH NOTING

- Florida and Florida State are the only two schools in the nation to finish each of the last three seasons ranked in the Associated Press Top 10 Poll.
- Florida has posted an outstanding 27-5 SEC record (84.3%) since Steve Spurrier arrived on the Gator scene in 1990, the best mark in league

games in the SEC over the last four years. Alabama, with a 25-6-1 (79.6%) overall SEC record, has the second-best SEC mark during the decade of the 1990's.

- Over the last four years (1990-93) Florida has tied for the first in the SEC standings in 1990, won the outright championship in 1991 and 1993 and finished as the runnerup in 1992. Florida is the only school in the tough SEC conference to finish in the top two spots in the league standings in each of the last four years (1990-93).
- Florida put together a school record 23-game home win streak from 1990-1993, which was snapped in late November by Florida State. From 1909-1915, the Gators posted 20 consecutive home victories, a mark that held until the 23-game streak.
- Florida is 23-1 at "The Swamp" during the 1990's.
- UF's 39-10 record (79.6%) is eighth best in the nation this decade and its 39 total wins ranks as the sixth top total in the nation since 1990.
- UF has appeared in the weekly AP Poll in each of the last 65 ranking weeks - a school record. UF was not ranked heading into the 1990 season opener but after posting an impressive 50-7 win over Oklahoma State in Steve Spurrier's debut the Gators broke into the AP Poll and have appeared in the weekly rankings in each of the last 65 weeks.

## STRENGTH OF SCHEDULE

Florida's outstanding 11-2 record in 1993 came against a schedule that ranked among the nation's most demanding as the following facts point out:

- Florida was one of just two squads in the nation (Florida State was the other) to play three teams (Florida State, Auburn and West Virginia) that finished the year ranked in the top seven in the final AP Poll.
- Florida was one of just three squads in the nation (LSU and Northwestern were the others) to play five teams (Florida State, Auburn, West Virginia, Tennessee, Alabama) that finished the year ranked in the top 15 in the final AP Poll.

## SQUAD NOTES

### THE OFFENSE

- Florida's offense, arguably the most productive in UF history, set seven SEC team seasonal records in 1993:

1. Most points (472 - record was 454 by 1973 Alabama but Tennessee scored 471 in 1993)
2. Total passing yards (4,072 - old record was 3,440 by 1991 Florida)
3. Average passing yards per game (339.3 - old record was 308.5 by 1991 Florida but Georgia averaged 322.4 in 1993)
4. Passing TDs (41 - old record was 32 by 1991 UF team)
5. Total yards (5,719 - old record was 5,288 by 1973 Alabama)
6. Total first downs (298 - old record was 273 by 1990 Florida)
7. First downs passing (182 - old record was 170 by 1992 Florida)

- UF's 1993 offense also etched it's way into the UF record books, breaking 15 school records (11 season, 4 game).
  - Florida's "Fun 'N Gun" offense ranked high nationally in several categories - seventh in total offense (476.6 ypg), fourth in passing (339.3 ypg) and fourth in scoring (39.3 ppg).
  - The Gators averaged a TD once every 15 snaps (59 offensive TDs on 888 plays). They averaged a TD pass once every 6.9 completions.
  - UF was impressive inside the Red Zone (the 20-yard line). UF moved the ball into the zone 54 times and registered points 48 times (37 TDs and 11 FGs) for an overall scoring percentage of 88.9% and a 68.5% TD percentage.
- The Gators made a habit of scoring quickly in 1993. Of UF's 60 TD drives, 45 (76.3%) took less than three minutes. Thirty-six TD drives were two minutes or less and 16 of UF's 60 TD drives were under a minute long. The average drive time for a Gator TD was 2:12.
- Six times the Gators scored on one play and six of eight TDs vs. Southwestern Louisiana came in less than 1:25. UF, on the other hand, put together a 21-play 80-yard drive that ate up 10:57 of the game clock vs. Georgia.
- The Gator offense tallied more than 500 yards in total offense in five of 12 games (Arkansas State - 522, Mississippi State - 619, LSU - 510, Auburn - 560 and Southwestern Louisiana - 642).

- When UF recovered from a 17-0 deficit at South Carolina to win 37-26, it marked the biggest comeback (17 points) win on the road in school history.
- One of the offensive goals for UF in 1993 was to improve its running

game. In 1992, the Gators averaged just 103.3 rushing yards per game, a figure that ranked last in the SEC and 102nd in the nation. UF averaged 137.3 yards per game in 1993 and rushed for 150 yards or more in seven of 12 games. During the 1992 regular season, the Gators rushed for more than 150 yards just twice the entire year. Also in 1992, UF averaged just 2.9 yards per rushing attempt. The average was 4.1 per attempt in 1993. After rushing for 12 TDs in 12 games in 1993, UF rushed for 18 TDs in 1993.

- UF outscored its opponents 257-110 (147 point edge) in the combined second (158-63, 95 points) and third quarter (99-47, 52 points) of action. UF also stood ahead of their opponents in the first stanza 95-68 (27 points), while showing a 120-59 (61 points) edge in the fourth quarter.
- The tandem of Terry Dean and Danny Wuerffel indeed provided UF with outstanding production at the QB spot. The dandy duo combined to complete 277 of 473 passes (58.6%) for 3,881 yards with 39 TDs, 20 ints. and a 146.23 QB rating. Their 39 TD passes ranked as the top seasonal team total in SEC history.
- Florida's "Fab Five" (Willie and Jack Jackson, Harrison Houston, Chris Doering and Aubrey Hill) caught 201 passes for 3,129 yards and 32 TDs.
- In its football history, Florida has had nine players catch 100 or more passes. Three of those players (Willie Jackson - 162, Errict Rhett - 153 and Harrison Houston - 101) played on the 1993 Gator squad.
- Florida's offense has truly been one of the nation's most balanced attacks in recent years. Since 1990, the Gators have run 3,456 total offensive plays in 46 regular season games with 1,660 (48.0%) rushes and 1,796 (52.0%) passes.

Year	Total Plays	Rushes/Passes
1990	855	440(51.5%)/415(48.5%)
1991	787	397(50.5%)/390(49.5%)
1992	926	423(45.9%)/503(54.1%)
1993	888	400(45.0%)/488(55.0%)
Total	3,456	1,660(48.0%)/1,796(52.0%)

- Florida has:

- Thrown for at least one touchdown in 40 of the last 41 games.
- Thrown for 200 or more yards in 41 of the last 42 games.

- Florida has finished each of the last four seasons (1990-93) ranked among the nation's top 10 teams in passing offense while also finishing atop the SEC standings in that statistical category in each of the last four seasons. UF's 4,072 passing

yards (339.3 ypg) was the top seasonal total in SEC history.

- Florida's balance between rush/pass plays is not the only characteristics of the Spurrier offense. Diversity is also a unique aspect as pointed out by these facts:
- UF's 1993 offense was only the second in the history of Div. IA football to have a 2,000-yard passer, a second passer who threw for over 1,000 yards and a 1,000-yard runner (Houston also had all three in 1988).
- UF was one of only two teams in the nation in 1993 to throw for over 3,800 yards and have a RB gain over 1,200 yards rushing.
- Florida's offense is primarily noted for its high octane passing attack but as the numbers above relate, the Gator rushing attack has been a prime indicator of success. Since Spurrier arrived in 1990 the Gators have posted a 24-1 record when the offense rushes for 150 or more yards in a game and just 15-9 when it rushes for less than 150 yards. Likewise, UF is 22-1 in the won-loss column when a back rushes for more than 100 yards in a game. That

continues a trend that has been established over the last decade in which UF has been victorious in 62 of the last 68 games in which a running back has rushed for 100 or more yards in a game.

## THE DEFENSE

- UF opponents averaged 336.6 yards in total offense (225.4 yards a game in the air and 111.2 rushing).
- UF ranked ninth in the nation in rushing defense, yielding an average of just 111.2 yards per game.
- UF opponents recorded 225 first downs (an average of 18.8 a game), only 88 rushing first downs (7.3 per game) and were just 61-for-183 (33.3%) on third-down conversions.
- This was a rather young unit which had just four senior scholarship players (DT William Gaines, ILB Ed Robinson, GB Monty Grow and BB Henry Haston) on the squad. There was just one senior on the defensive line unit, none in the secondary, and three among the combined inside linebacker and outside linebacker contingents.
- Only 12 of the 41 scholarship players on the defensive unit were upperclassmen (four seniors and eight juniors). Twenty-nine of the 41 scholarship players were freshmen or sophomores.
- Opponents penetrated the Red Zone (inside the 20) 33 times and registered points 26 times (15 TDs and 11 FGs) for an overall scoring percentage of 78.8% but only a 45.5% TD percentage. The Gators were very tough inside the Red Zone over the last six games of the season with opponents scoring just nine TDs after 23 tries (39.1%) inside the 20 (they also kicked eight FGs).
- The turnover effort vs. Vanderbilt (eight), with three turnovers vs. Florida State and two vs. Alabama, improved UF's total to 19 defensive takeaways in the last five games (three vs. Southwestern Louisiana, three vs. South Carolina, eight vs. Vanderbilt, three vs. Florida State and two vs. Alabama) after having only 10 takeaways in the first seven games. Nineteen of the unit's 29 takeaways came over the last five games.
- Florida registered 99.5 total tackles for loss, an average of 8.3 per game. The 1992 unit had 78 tackles for negative yardage in 12 games, an average of 6.5 per game. The 1993 unit had 31 QB sacks in 12 games for an average of 2.6 per game after registering a total of 25 in 12 games in 1992 for an average of 2.1.
- UF turned it up a notch in the big play department as the season progressed. After not registering more than 22.5 "Big Plays" (total tackles for loss, QB sacks, forced QB hurries, forced fumbles, fumble recoveries, blocks, pass deflections and interceptions) over the first six games, UF totaled 25, 30, 39, 44, 23 and 29 respectively in the last six games.
- The Gators surrendered 16 plays of 30 or more yards (four rush and 12 pass) and nine plays of 40 or more yards (three rush and six pass) on the year. In its last eight games, however, they allowed just seven plays over 30 yards after yielding nine in the first four games.

## THE SPECIAL TEAMS

An improved area of the 1993 team was in the area of special teams as the following facts point out:

- UF averaged 41.8 yards per punt in 1993 (seventh best effort in school history) after averaging 40.8 yards per punt in 1992.

The 1993 UF offense scored more points (472), accumulated more yards in total offense (5,719), totaled more first downs (298) and passing yards (4,072), and threw for more TDs (41) than any team in Southeastern Conference history.

- UF opponents averaged 7.1 yards per punt return after averaging 9.3 yards per punt return in 1992.
- UF averaged 38.5 yards in net punting (ninth in the nation) after posting a 34.9 average in that category in 1992.
- UF averaged 22.4 yards per kickoff return (fifth best effort in school history) after averaging 21.2 yards per return in 1992.
- UF averaged 8.3 yards per punt return after averaging 5.0 yards per return in 1992.

## RECORDBOOK WATCH

**RB ERRICK RHETT** finished his career ranking in the following categories:

- First on UF all-time rushing yards (4,163); third on SEC all-time rushing chart (4,163); first on UF all-time reception list by a RB list (153) – third overall; seventh on SEC all-time reception list (153); second on UF all-time rushing TD chart (34); second on UF all-time 100-yard rushing games (20); second on UF all-time scoring (216) and TD charts (36); first on UF all-time all-purpose yards (5,933 – 4,163 rushing, 1,238 receiving); first on UF all-time career rushing attempts (873); second on SEC all-time combined rushing & receiving yards (5,933 – 4,163 rushing, 1,238 receiving).
- He was the first player in NCAA Div. IA history to rush for 4,100 yards AND catch 140 passes.
- He was the first player in SEC history to rush for 3,000 yards AND catch 120 passes.
- He was the first RB in UF history to rush for 800-plus yards in a season four times and just the second (along with Emmitt Smith) to rush for 900 yards in a season three times.
- He joined Emmitt Smith as the only player in UF history to rush for more than 1,000 yards in a season more than once.
- He carried the ball a school record 41 times vs. Georgia. The previous record was 39 by Emmitt Smith vs. Alabama in 1987.

**WR WILLIE JACKSON** finished his career ranking in the following categories:

- First on UF's all-time TD reception list (24); Second on SEC all time TD receiving list (24); Second on UF's all-time reception list (162); fifth on SEC all-time list (162); Second on UF's all-time receiving yards list (2,172).

### QB TERRY DEAN

- Threw for an SEC and school record six TDs vs. Southwestern Louisiana. He completed 26-of-38 for 448 yards with no interceptions. His 448 yards was second best in school history (only to Wuerffel's 449) and fifth best in SEC history.
- Completed 14 consecutive passes (last 11 of Arkansas State and first three vs. Kentucky) – the second best total in UF history and the fifth best consecutive streak in SEC history (Steve Spurrier holds the UF record with 16).

**QB DANNY WUERFFEL** enjoyed a record-breaking freshman year.

- He had 22 passing TDs – an NCAA Div. IA season record for a freshman.
- He became the first QB in school history to throw for three or more TDs in four straight games (3 vs. Tenn, 3 vs. Miss. State, 4 vs. LSU, 3 vs. Auburn).
- He already holds two of the top four all-time passing games in UF history (449 vs. Miss. State and 386 vs. Auburn).
- Threw for 2,230 yards to set a freshman season record. Kerwin Bell held the old record with 1,614 yards in 1984. Tommy Hodson of LSU holds the SEC record with 2,261 yards.
- He was 27-for-41 for 449 yards and three TDs vs. Mississippi State to establish a UF single-game passing record. The old record was 408 by Kerwin Bell vs. Georgia in 1985.
- His 449 yards vs. Mississippi State was the then third best in SEC history, the most-ever by an SEC freshman QB and the second best all-time in the nation by a freshman QB. The national record for most yards passing by a freshman QB is ironically held by Ben Bennett (coached by QB coach Spurrier) of Duke (469 yards passing vs. Wake Forest in 1980).
- He totalled 428 yards in total offense vs. Mississippi State (449 passing and -21 rushing) to establish a UF single-game total offense record.

### WR JACK JACKSON

- His 18.6 average yards per reception set a UF record (minimum 50 catches).
- His 28.2 average on kickoff returns was a school record and ranked fifth nationally. The previous record was 27.6 by Larry Kennedy in 1991.
- His 11 TD catches were the second best single-season total in UF history. Carlos Alvarez holds the school record with 12 in 1969. His 11 TDs is the third-best seasonal total in SEC history.

- Had a 100-yard kickoff return vs. Mississippi State to enter the UF record book. His 100-yard dash tied a school record as Pat Reen ran back a 100-yard kickoff return vs. Miami in 1940. It was UF's first kickoff return for a TD since Tony Losack did it vs. Kentucky in 1989.

- His team-high 51 catches tied for the eighth best single-season total in UF history.

**WR HARRISON HOUSTON** finished his career ranking in the following categories:

- Set a school record for career all-purpose average yards per play (minimum 150 plays) with a 19.3 average (155 plays/2,997 yards).
- Ranks seventh on UF's all-time receiving yards list (1,781), ninth on UF's all-time reception list (101) and tied for third on UF's all-time receiving TD chart (19).
- His career kickoff return average of 22.5 is a school record (minimum 40 returns). The old record was 21.9 by Willie Jackson, Sr. His 55 career kick returns was just two shy of the UF career record of 57 (by Jackson) and his 1,216 kick return yards is also just shy of Jackson's school-record 1,248.
- His career average of 17.6 yards per catch is the second best in UF history (minimum 100 catches). The record is 17.8 by Nattiel.

### WR CHRIS DOERING

- Caught 12 passes for 199 yards and three TDs vs. Mississippi State. The 12 catches is tied for the second best in school history (Carlos Alvarez, Richard Trapp, John L. Williams, And Willie Jackson have all caught 12, the school record is 15 by Alvarez).
- His 199 receiving yards vs. Mississippi State was the second-best single-game effort in school history. The school record is 238 by Alvarez in 1969 vs. Miami.

**PK JUDD DAVIS** finished the 1993 season ranking in the following categories:

- His 53 PAT attempted in 1993 was a school record, as was his 51 conversions. His 51 conversions were also good enough to tie for second on the all-time SEC chart.

**MISCELLANEOUS NOTES****INSIDE THE NUMBERS**

Since Steve Spurrier took over the Gator helm in 1990, Florida is:

- 26-3 when UF scores first
- 13-7 when opponents score first
- 35-2 when UF leads at the half
- 23-1 at Florida Field
- 27-5 vs. SEC schools
- 29-3 in games played in the state of Florida
- 10-7 in games played outside the state of Florida (8-5 at opponent campus stadiums and 2-2 at non-campus locations).
- 11-10 vs. teams ranked in the AP Top 25 Poll (5-1 at Florida Field, 0-7 at opponent campus sites, 3-0 at the Gator Bowl, 1-0 in the Citrus Bowl, and 2-2 at out-of-state non-campus locations — Birmingham and New Orleans).

**FLORIDA FIELD (A.K.A. "THE SWAMP") - GATORS ARE TOUGH TO BEAT**

- Since becoming head coach at Florida in 1990, Steve Spurrier is 23-1 at "The Swamp." Spurrier coached his squad to a school-record 23 straight wins at "The Swamp" before having the streak snapped vs. Florida State in the 1993 home season finale.
- UF enjoyed a 23-game home winning streak recently (1990-93), the longest in school history. The previous school record was 20 from 1909-1915.
- Florida has a current 15-game winning streak at "The Swamp" vs. SEC foes. Steve Spurrier is 13-0 vs. SEC opponents at Florida Field since he came here in 1990.
- Not only is Florida 23-1 at "The Swamp" since Spurrier arrived on the scene, but his squads have also been downright dominating at home since 1990. The Gators have outscored their opponents by a combined total of 884-336 (an average score of 36.8 to 14.0 for an average victory margin of 22.4).
- In 24 games at Florida Field under Steve Spurrier, UF has scored 30 or more points 17 times and the defense has held the opponents to 14 points or less 13 times. UF has scored 24 or more points in 12 of its 13 SEC home games under Spurrier.
- Over the course of UF's school-record 23-game home win streak, it defeated five teams in the AP Top 25 poll, including four teams in the top

five (No. 4 Auburn 48-7 in 1990, No. 17 Alabama 35-0 in 1991, No. 4 Tennessee 35-18 in 1991, No. 3 Florida State 14-9 in 1991 and No. 5 Tennessee 41-34 in 1993). The 23-game home win streak was snapped by No. 1 Florida State in the 1993 home season finale.

- Since 1981, Florida Field has been quite kind to the Gators as these statistics point out:
  - a 66-10-2 (85.8%) overall record
  - a 36-5-1 (86.9%) overall record vs. non-conference opponents
  - a 30-5-1 (84.7%) overall record vs. SEC

**ATTENDANCE NOTES**

- Florida has ranked among the nation's top 15 schools in average home attendance in each of the last 10 seasons. Since the stadium was expanded to over 83,000 in 1991, it has ranked in the top five in the nation in average home attendance each of the last three seasons. UF averaged a record 84,512 fans in 1993.
- UF sold nearly 72,000 season tickets for the 1993 season, the top total for any sports team (collegiate or professional) in the state of Florida history.
- Since the stadium expansion in 1991 Florida has drawn home crowds of more than 82,000 in each of the last 18 games and crowds of 83,000 in 17 of its last 18 home games.
- The 15 largest crowds in the state of Florida history — collegiate games, professional games, bowl games, Super Bowls — have occurred since 1991 at Florida Field.

**TELEVISION**

- The University of Florida has ranked among college football's top television attractions in recent years. A look at its live network (ABC, CBS, NBC, ESPN, WTBS, Jefferson-Pilot) TV appearances the past seven years:

Year	Games	Games Televised	National/Regional
1987	12	8	8/0
1988	12	6	6/0
1989	12	5	5/0
1990	11	8	8/0
1991	12	8	6/2
1992	13	10	5/5
1993	13	9	5/4

- 27 of its last 38 contests have been televised live (15 national and 12 regional).
- 37 of its last 51 contests have been televised live (25 national and 12 regional).
- 39 of its last 54 games have been televised live (27 national and 12 regional).
- 51 of its last 78 games have been televised live (39 national and 12 regional).

- UF has appeared on live network television 35 times in the 49 games coached by Steve Spurrier. Twenty-three of the 35 TV appearances for UF have been national. Florida is 26-9 on live network TV since Spurrier took over the Gator coaching reins in 1990.

# 1993 GAME RECAPS

## ARKANSAS STATE

### GAME 1

Florida.....44  
ASU.....6

Sept. 4, 1993  
Florida Field  
Gainesville, Fla.  
Att: 84,051

### GAME AT A GLANCE

Eighth-ranked Florida erases a 6-0 deficit with 44 unanswered points, rolling to a season-opening 44-6 victory over Arkansas State before 84,051, the second-largest opening day crowd in school history.

With the victory, UF improves its home winning streak to 19 games, the second-longest active streak in the nation among Division I-A schools and the second-best home winning streak in school history. Florida is now just one home win shy of tying the school-mark for consecutive home victories (20, 1909-1913).

Several Gators shine in the opener, as quarterback Terry Dean – making his starting debut – connects on 16-of-22 passes for 237 yards and two TDs. Back-up QB, redshirt freshman Danny Wuerffel, hits on six-of-nine passes for 108 yards and two TDs, while running back Errict Rhett rambles for 108 yards on 16 carries. Wide receiver Willie Jackson hauls in seven passes for 108 yards, while Jack Jackson is credited with five catches for 84 yards. All totaled, Florida amasses 322 yards in total offense.

Defensively, Florida outmanned Arkansas State, holding the Indians to just 60 total yards (76 yards rushing, 13 yards passing), the sixth all-time best total defensive yardage effort in UF history. ASU, which completes just three-of-eight passes on the evening, averages just 1.6 yards per play in the game against the Gator defense.

### GAME NOTES

- Florida is now 63-24 in its 87 season openers. UF has won 22 of its last 23 openers at home. Overall UF is 45-6 in 51 home season openers.

- Willie Jackson's seven receptions for 108 yards and a TD moved him up on several UF and SEC career charts. Jackson now has 120 catches (tied for fifth on all-time UF receptions chart with Cris Collinsworth) for 1,603 yards (seventh on all-time UF career yards receiving chart) and 19 TDs (tied for second on UF TD reception chart with Carlos Alvarez). Jackson's 19 TD catches also ties him for fourth place in SEC history.

- Errict Rhett's 108 yards rushing marked the 14th time in his career he has gone over 100-yards (tying him with Neal Anderson for second on UF career 100-yard games list). UF is 14-0 in games in which Rhett runs for 100-plus yards.

- Larry Kennedy had punt returns for 27 yards and 34 yards – both longer than any UF punt return in 1992.

### GAME AT A GLANCE

Redshirt freshman quarterback Danny Wuerffel hits former walk-on wide receiver Chris Doering on a 28-yard touchdown strike with three seconds left, giving the seventh-ranked Gators a heart-stopping 24-20 victory over Kentucky. The game-winning drive caps a 15-point, fourth-quarter Gator comeback, which also features a 19-yard Wuerffel-to-Doering TD connection with 7:36 to play.

In a contest where Gator QB's Wuerffel and Terry Dean toss seven interceptions, it was a tenacious Gator defense which keeps Kentucky in check over the game's final seven-plus minutes. In fact, Kentucky has a chance to seal the game after picking off its seventh pass of the contest and returning it to Florida's 15-yard line with 3:03 left. But a Gator defense holds Kentucky to a field goal, setting up the game-winning drive.

Taking advantage of Harrison Hosostos's ensuing kick-off return to the UF 42 with 1:23 to play, Wuerffel completes passes of nine yards to Errict Rhett, nine yards to Jack Jackson and 12 yards to Rhett to get the Gators to the UK 28 with 17 seconds to play. Two straight incompletions leave Wuerffel with a third-and-10 with only eight seconds to play.

With head coach Steve Spurrier opting for another chance at the end zone rather than a game-tying field goal attempt, Doering drifts behind the Wildcat secondary and corrals Wuerffel's spiral to complete the comeback before a stunned Kentucky crowd of 58,175.

UF dominates the game statistically, as the Gators rack up 486 yards in total offense to Kentucky's 231. Florida totals 29 first downs and runs 87 offensive plays to the Wildcat's 35. Those stats, however, are offset by UF's own miscues (seven interceptions, 14 penalties for 127 yards).

## GAME NOTES

- Florida's seven interceptions thrown set an NCAA Div. I-A record for most interceptions tossed by a winning team (Pittsburgh defeated Army, 45-7, in 1980 despite seven INTs).

- With his 136 yards rushing and five receptions, Gator running back Errict Rhett became the first player in SEC history to rush for more than 3,000 career yards and catch more than 120 passes. Rhett finished the night with career totals of 3,118 yards rushing and 123 receptions. In addition, with his 136 yards rushing versus UK (the fourth consecutive game he has eclipsed 100-yards rushing vs. UK), Rhett collected his 15th-career 100-yard rushing game.

passing Neal Anderson into second-place on the UF all-time 100-yard rushing games chart. Emmitt Smith is the UF record holder with 23 100-yard rushing games.

\* Gator quarterback Terry Dean completed his first three passes of the night versus Kentucky, giving him 14 straight completions dating back to the season-opener vs. Arkansas State. Dean's completion streak was the fifth-best in SEC history and second-best at UF. Steve Spurrier holds the UF record with 16 during the 1966 season (9 vs. Florida State and 7 vs. N.C. State).

### GAME AT A GLANCE

With redshirt freshman quarterback Danny Wuerffel directing the Gator attack and a UF defense holding the high-powered Volunteers running game to 76 yards, ninth-ranked Florida posts its school-record-tying 20th straight triumph at home with a 41-34 victory over No. 5 Tennessee before 85,247 fans - the second-largest crowd in Gator and State of Florida history.

Florida improves to 3-0 overall and 2-0 in the SEC, good for sole possession of first place in the league's Eastern Division. UT drops to 2-1 overall and 1-1 in the conference standings.

In his starting debut, Wuerffel connects on 19-of-38 passes for 231 yards and three TDs. Gator running back Errict Rhett leads the Gator ground game with 147 yards - his 16th career 100-yard rushing game (UF is 16-0 in those games).

Via two Wuerffel TD passes (eight yards to Aubrey Hill & 17 yards to Chris Doering) and a Rhett one-yard TD run, Florida appears on the brink of a blowout, jumping to a 21-0 lead after 25 minutes of play. But Tennessee QB Heath Shuler connects on 55 and 41-yard scoring pass plays in the final four minutes of the first half to cut the lead to seven, 21-14, at the break.

After Florida forces and recovers a fumble on the second-half kickoff, Wuerffel finds wide receiver Harrison Houston in the end zone on the first play from scrimmage for a 30-yard TD strike. UF adds a field goal for a 31-14 advantage with 3:34 to play in the third quarter.

UT again strikes back, this time a 70-yard pass from Shuler, who has five total TD passes on the afternoon, to wideout Billy Williams. The ensuing UT two-point conversion is stuffed and Florida takes a 31-20 lead to the fourth quarter.

The final stanza is just as wild. Florida opens the quarter with Rhett capping a 12-play, 70-yard TD march with a one-yard run. Tennessee strikes back with a 13-yard TD pass from Shuler to Williams to make the score 38-26. Again, Florida stops Tennessee's two-point conversion attempt.

After Florida is forced to punt and Tennessee is stopped on downs, the Gators get a 42-yard field goal from Davis to make the score 41-26. The Volunteers again march back, scoring on a five-yard pass play and then converting on a two-point play to make the score 41-34 with 1:46 left.

Florida's Monty Grow then recovers UT's on-side kick and Florida runs out the clock for the victory.

### GAME NOTES

\* Florida's victory gives the Gators 20 straight wins at home, tying the school-record which was set from 1909-1915. During the current streak, which began with head coach Steve Spurrier's arrival at UF in

1990, Florida has now defeated five Top 20 teams (No. 4 Auburn 48-7 in 1990, No. 17 Alabama 35-0 in 1991, No. 4 Tennessee 35-18 in 1991, No. 3 Florida State 14-9 in 1991, and No. 5 Tennessee 41-34 in 1993).

\* While recording his 16th career 100-yard rushing game (147 yards), Gator running back Errict Rhett moved into second-place on Florida's all-time rushing list with 3,265 career yards. He only trails Emmitt Smith, who finished his UF career with 3,928 yards. Rhett's two TDs versus Tennessee also gives him 26 career rushing TDs, third on Florida's all-time chart. Additionally, Florida is 16-0 when Rhett rushes for 100 yards.

\* The game's attendance - 85,247 - was the second-largest in school and State of Florida history. The record is 85,461 versus Florida State (Nov. 30, 1991). Since the stadium expansion in 1991, Florida has drawn crowds of more than 82,000 in each of the last 14 games.

\* Florida's defense held Tennessee to just 76 yards rushing on the afternoon. Tennessee entered the game averaging 290 yard per game on the ground.

## MISSISSIPPI STATE

### GAME 4

Gainesville, Fla.  
Att: 84,738

### GAME AT A GLANCE

In a game featuring 1,144 yards in offensive fireworks, Florida (4-0 overall, 3-0 SEC) prevails in record-setting fashion with a 38-24 victory over Mississippi State (1-3, 0-2). With the win Florida notches its school-record 21st consecutive home victory.

Gator redshirt freshman quarterback Danny Wuerffel completes 27-of-41 passes for a school-record 449 yards and three touchdowns. In addition to setting the UF single-game passing record, Wuerffel's 449 yards through the air is the third-best total in SEC history, while also being the most for a freshman QB in league history.

Twelve of the completions and all three TD strikes go sophomore wide receiver Chris Doering, a former walk-on. Doering's receptions (12) and yardage (199) are good for second-best receiving marks in a game in school history.

Running back Errict Rhett adds 122 yards on the ground (117 in the second-half), as Florida amasses the second-highest yardage total in school history (819 yards) and the most ever by a Gator squad versus an SEC foe.

In a game dominated by big offensive plays and quick scoring strikes (all 10 of the scoring drives in the game (both teams) came in under four minutes and five drives were under two minutes), it was a school-record-tying 100 yard kickoff return by Mississippi native Jack Jackson in the third quarter which swings the contest to Florida.

Coming seconds after bulldog quarterback Todd Jordan connects on a 63-yard TD pass to Eric Moulds to give MSU a 21-17 advantage with 7:21 remaining in the third quarter, Jackson fields the ensuing kickoff in his own end zone and gets key blocks from Harrison Houston and Henry Haston to spring him down the sideline. He then cuts back near midfield and races to the end zone with the momentum-swinging return.

Freshman Danny Wuerffel threw for a school record 449 yards and three TDs in the 38-24 win over Mississippi State.

Sophomore Chris Doering caught 12 passes for 199 yards and 3 TDs in the win over Mississippi State. The 12 catches and 199 yards marked as the second top totals in those categories in UF history.

Florida dominates play from then on, as Rhett completes a five play, 93-yard, one minute, 59 second drive to give UF a 31-21 lead heading to the fourth quarter.

Mississippi State cuts the lead to seven, 31-24, with a field goal with 6:47 to play.

Wuerffel retaliates and finds Doering in the end zone for the third time to complete the scoring and seal the victory.

### GAME NOTES

With the victory, Florida won its school-record 21st consecutive home game. The old mark was 20 consecutive home wins established from 1909-1915. Florida's 21 consecutive home wins date back to the beginning of the 1990 season, Steve Spurrier's first year at the Gator helm.

Gator redshirt freshman quarterback Danny Wuerffel passed for a school-record 449 yards. The old record was 408 yards by Kerwin Bell versus Georgia in 1985. The 449 yards was also the third-best single-game mark in SEC history and most yards passing for a freshman in SEC history. Wuerffel also established a UF school-record for total offense in a single game with 428 total yards (449 yards passing, -21 yards rushing). The previous mark was 377 yards by Shane Matthews versus Florida State in 1990. The 449 total yards was also the sixth-best, single-game performance in SEC history.

Wide receiver Chris Doering caught 12 passes for 199 yards and three TDs on the day. The 12 catches tied for the second-best, single-game reception mark in school history (Carlos Alvarez, Richard Trapp, John L. Williams and Willie Jackson also have caught 12 passes in a game, while Alvarez holds the school-record with 15 receptions). Doering's 199 yards was also the second-best, single-game reception yardage effort in school history behind Alvarez's 238-yard effort in 1969 versus Miami. Doering also became just the seventh player in UF history to catch three TD passes in a single game.

Jack Jackson's touchdown kickoff return of 100 yards in the second-half tied a UF school record. Gator Pat Rezn also ran back a kickoff for 100 yards versus Miami in 1940. Jackson's return was the first kickoff return for a TD since Tony Loenack turned the trick in 1989 versus Kentucky.

UF totaled 619 yards in total offense, the second-best, single-game offensive total in school history and the top total in one game versus an SEC foe. The school-record is 774 yards versus West Texas State in 1982. The previous Gator best versus an SEC foe was 582 yards versus Mississippi State in 1969. UF's 449 yards passing was the second-best passing yardage mark in school history. Florida's 449 yards in passing offense was also the most passing yards ever surrendered by a Mississippi State team in one game.

### GAME AT A GLANCE

Fifth-ranked Florida parleys a complete offensive, defensive and special teams effort into a decisive dismantling of LSU, 58-3. The UF victory is the worst loss by LSU in its 100-year history. Additionally, Florida's 58 points is the most by a Gator team in a Southeastern Conference clash.

Fleida moves to 5-0 overall and 3-0 in the SEC, while LSU falls to 2-4 overall and 1-2 in league play.

While the Gators spread the wealth around (10 players are credited with receptions, nine with rushing attempts and seven score touchdowns), the real story is the defense.

Florida picks off three passes (two by UF true freshman Darren Hambrick), as the Gators hold LSU to just 90 yards rushing and only 263 yards of total offense.

Meanwhile, Florida, averaging 8.6 yards per play, rolls up 310 yards in offense, including 352 yards by air.

LSU gets on the board first with a 29-yard field goal with 9:21 left in the first quarter, but Florida answers with a Judd Davis 19-yard field goal with 5:02 to play in the first quarter.

From there it's all Florida, as Gator QB Danny Wuerffel connects on TD strikes to Jack Jackson, Harrison Houston and Willie Jackson to take a 23-7 lead into the locker room.

Wuerffel opens the third quarter with a 35-yard TD pass to Houston and Errict Rhett rambles for 15 yards to cap another scoring drive. In less than three quarters of work, Wuerffel completes 14-of-18 passes for 220 yards and four TDs for a sparkling 254.1 efficiency rating, the third-best, single-game rating in school history.

Florida rolls on to the victory, as back-up QB Terry Dean and third-stringer Eric Kresser also see action, along with a number of Florida's younger players.

## GAME NOTES

- Florida's 58-3 victory is the worst loss by an LSU squad at Tiger Stadium, a.k.a. "Death Valley," and the worst defeat in LSU's 100-year history. It is also the first time an opponent has ever scored more than 50 points in Tiger Stadium. In addition, the 58 points is the most Florida has ever scored in a Southeastern Conference game.

- With his second quarter touchdown reception, Gator senior wide receiver Willie Jackson recorded his 20th career TD reception — good for sole possession of second-place on the UF all-time TD reception list. Jackson now only trails Wes Chandler (22 TD receptions, 1974-77) in Gator history. Jackson is also tied for third in SEC history with his 20 TD catches.

- Gator redshirt freshman quarterback Danny Wuerffel, who had four TD strikes in the game, has now tossed at least three touchdowns in each of the last three games to tie a school record (Kerwin Bell and Shane Matthews also tossed at least three TDs in three straight games during their careers). Wuerffel, who was 14-for-18 passing on the night, also completed his last 10 passing attempts.

## GAME AT A GLANCE

Using a second-half surge, 18th-ranked Auburn hands fourth-ranked Florida its first defeat of the season, 38-35. It is the most points (35) and the most yards (560) a Florida team has ever accumulated in a loss.

While the defeat drops Florida to 5-1 overall and 4-1 in SEC play, the Gators still lead the league's Eastern Division. Auburn, ineligible for the conference crown, remains unbeaten, improving to 7-0.

Florida appears to have the game in hand early, leading 10-0, and driving for another score with under a minute to play in the first quarter. But Auburn's Chris Jackson steps in front of a Danny Wuerffel pass and returns it 96 yards for a touchdown to cut the lead to three, 10-7. Auburn jumps in front, 14-10, when quarterback Stan White caps an 11 play, 75-yard drive with a two yard run with :18 to play in the first half.

The Gators rebound and use a Judd Davis 36-yard field goal, Errict Rhett 24-yard TD run and Wuerffel-to-Auhey Hill 23-yard TD pass to take a 27-14 lead to the locker room. Rhett gains 129 of his career-high 196 yards in the first half.

The second half is all Auburn. The Tigers march for 18 of their 23 first downs in the second half, run for 104 of their 116 yards over the final 30 minutes and pass for 175 of their 267 yards in the second stanza. Auburn also outscoring Florida 24-8 in the second period.

Florida doesn't quit. Wuerffel connects with Jack Jackson for a 13-yard TD strike and Wuerffel then hits Willie Jackson for the two-point conversion to tie the score, 35-35, with 5:44 to play in the game. For Wuerffel it is his third TD pass of the day, making him the first UF quarterback in history to throw for three TDs in four consecutive games.

Auburn answers, however, ending a 12-play, 52-yard, four minute, 23 second drive with a Scott Etheridge 41-yard field goal with 1:21 to play to seal the victory.

## GAME NOTES

- As mentioned, Florida's 560 yards in total offense and 35 points are both all-time highs for a Gator team in a defeat.

- UF running back Errict Rhett notched his 18th career 100-yard rushing game with a career-best effort 196 yards on the ground. Florida entered the contest 17-0 when Rhett had rammed for 100-plus yards.

- With his three TD passes, Gator QB Danny Wuerffel became the first passer in school history to throw for three TD passes in four consecutive games. Wuerffel also completed the contest with 17 TD passes on the season, setting the UF freshman record for TD passes in a season (old record: Kerwin Bell, 16, 1984). Wuerffel's 60-yard TD strike to Jack Jackson in the first quarter was the longest scoring strike and pass completion of Wuerffel's and Jackson's young careers.

- Florida's defense limited Auburn to 116 yards rushing in the game, including just 12 yards rushing in the first half. Auburn entered the contest averaging 209 yards rushing.

- An estimated crowd of 8,500 witnessed the game back in Gainesville on a 20 X 30-foot Jumbo-Tron screen at Ben Hill Griffin Stadium at Florida Field. The closed circuit telecast was the only way Gator fans can see the game because of Auburn's NCAA sanctions.

## GAME AT A GLANCE

Errict Rhett splashes his way to 183 yards

on a school-record 41 carries and a determined Florida defense holds Georgia out of the end zone in the game's waning moments, as the 10th-ranked Gators notch their fourth straight victory over the Bulldogs, 33-26, before a rain-drenched crowd of 80,392 at Jacksonville's Gator Bowl.

Florida celebrates its sixth victory of the season overall, against one defeat, and its SEC Eastern Division-leading fifth win. Georgia falls to 4-5 overall and 2-5 in the SEC.

Leading 23-20 at the half, Florida uses a season-long 10 minute, 57 second, 21-play, 80-yard drive to take a 30-20 lead. Rhett caps the drive, which is directed by quarterback Terry Dean off the bench, with a one-yard run with 13 seconds to play in the third quarter.

Georgia bounces back with a 21-yard field goal with 12:22 to play in the game, but Florida's Judd Davis answers with his fourth field goal of the day to give the Gators a 33-23 advantage with 6:42 left.

Georgia adds another field with 3:06 to play and then re-gains control of the ball at their own 36-yard line with 1:36 left and no time outs. The Bulldogs drive to the Gator 12 with five seconds to play. After a Gator timeout, which is called just prior to the snap and would have resulted in a Bulldog game-tying touchdown pass from Georgia quarterback Eric Zeier to Jerry Jerman, Florida is flagged for pass interference which sets up the game's final play.

At the two and with no time on the clock, Zeier, who set Bulldog single-game records for completions (31) and passing attempts (65), takes the snap and spots receiver Jeff Thomas. The pass is slightly behind Thomas and bounces off his hands, triggering a Gator celebration.

All told, Georgia's four possessions in the second half end on the Gator 6, 4, 7 and 2-yard line. In those possessions, Florida holds UGA to two field goals.

## GAME NOTES

The Gator win marked just the third time in school history Florida has defeated Georgia four straight times (1960-63, 1966-69, 1953-58). The contest also marked just the sixth time both teams have scored 20-plus points in the same game.

Errict Rhett carried the ball a school-record 41 times for 183 yards, leaving him just 88 yards from the Gator all-time rushing record held by Emmitt Smith (3,928 career yards). In addition, Rhett recorded his sixth 100-yard rushing game of the season and 19th 100-yard rushing game of his career. With his two TDs, Rhett also moved into second-place on the UF rushing TD chart with 31 (Smith holds the record with 36 rushing TDs).

Florida had more rushing yards (193) than passing yards (142) in the contest. In addition, Florida's pass completions (11) and passing attempts (21) were UF lows under Steve Spurrier. It was the first time in 35 games, Florida had not passed for at least 200 yards. Conversely, Georgia QB Eric Zeier was 36-for-65 for 384 yards. It was the most passing attempts and completions by a quarterback against a Florida team.

Gator Tony Davis saw action on both sides of the ball during the contest. The true sophomore started at linebacker and came into the game as a back-up tailback in the first quarter.

## GAME AT A GLANCE

Quarterback Terry Dean sets a Southeastern Conference record with six touchdown passes and the Gators pass for a school-record 512 yards, as ninth-ranked Florida swamps Southwestern Louisiana, 61-14, for the Homecoming victory.

The Gators, winning for a school-record 22nd consecutive time at home, move to 7-1 overall, while the Ragin' Cajuns fall to 6-3.

Putting the game away early, Dean hits eight different receivers in the first half and connects on first stanza TD passes to Chris Doering (six yards), Jack Jackson (19 yds., 49 yds.) and Willie Jackson (35 yds., 16 yds.). Willie Jackson's second TD catch gives him 22 for his career, tying him with Wes Chandler for the school-record for most TD career catches. Judd Davis adds a field goal and the Gator special teams squad records a safety on a kickoff return to give the Gators a 40-0 lead. USL does parlay a fake punt into a 57-yard TD to make it 40-7 at the half.

UF continues its onslaught in the second half en route to the victory. The Gator defense does not allow any points on the day, as USL's second TD comes on an interception return of third-string QB Eric Kresser's deflected pass with 2:22 to play.

On the day, Terry Dean is 26-for-38 for 448 yards - the second-best, single-game yardage passing performance in school history and third top total in SEC history. Dean's favorite target is Jack Jackson who has a career-best 153 yards on eight catches and school-record-tying three TDs. Wide receiver Harrison Hoaston also tallies 112 yards receiving, marking just the third time in school history two Gator receivers have recorded 100-plus receiving yards in the same game.

## GAME NOTES

\* Besides setting the school-record for most passing yards in a game (512), Florida totalled 642 yards in total offense - the second-best, single-game total in UF history (record: 774 yards vs. West Texas State in 1982). Florida set a school-record for first downs in a game with its 35, while also setting a record with its 34 pass completions. The 64 points scored by Florida was the most under head coach Steve Spurrier.

\* With his two TD catches Willie Jackson tied Wes Chandler for the most TD receptions in a career with 22, which was also good for second-place on the SEC's career TD reception list behind Auburn's Terry Beasley (29, 1969-71).

\* Terry Dean's 448 yards passing was one yard short of the Gator single-game, passing yardage record. The record was set a month earlier by freshman Danny Wuerffel versus Mississippi State, is 449 yards.

\* In addition to setting a personal record with 153 yards receiving and tying his career-high with eight receptions, WR Jack Jackson tied a school-record with his three TD catches in the game.

## GAME AT A GLANCE

Rallying from a 17-0 early second quarter deficit, eighth-ranked Florida uses Danny Wuerffel's 333 yards passing, Errict Rhett's record-breaking rushing performance and a defense that forces three turnovers which lead to 21 points, to defeat South Carolina, 37-26.

With the win, Florida (8-1 overall, 6-1 in the Southeastern Conference) moves to within one game of its second consecutive Eastern Division title. South Carolina falls to 4-6 overall and finishes its SEC campaign at 2-6.

Perhaps the key play in the game comes with 47 seconds to play in the third quarter. With Florida trailing 26-23, Wuerffel, starting for the injured Terry Dean, drops deep into his own end zone and then delivers the ball to wide receiver Jack Jackson, who is seemingly caught for a safety. Jackson, who ends the day with a career-high 167 yards receiving on six catches, somehow squirts free and races 73 yards. A roughing the passer penalty tacks on 15 more yards and two Rhett runs later Florida has the lead for good.

Rhett, who finishes the day with 120 yards thus surpassing Emmitt Smith as Florida's all-time leading rusher, adds another touchdown with 10:27 to play. Florida's defense, which holds South Carolina to just three second-half points, continues to hold the Gamecocks in check en route to the victory.

With interceptions by Monty Graw and Dexter Daniels and a fumble which was forced by Kevin Carter and recovered by Johnnie Chruch, Florida forces a season-best three turnovers which leads to 21 points.

Terry Dean threw for a SEC record six TDs in the big win over Southwestern Louisiana.

## GAME NOTES

\* Errict Rhett became Florida's all-time leading rusher with his 120-yard effort. Rhett, who is fifth on the all-time SEC rushing chart, finished the day with 4,001 rushing yards. The effort also marked the 20th time in his career he has rushed for 100-plus yards.

\* With his two TD passes, redshirt freshman quarterback Danny Wuerffel tied an NCAA record for passing TDs (20) by a freshman, while setting the SEC record for freshman passing TDs. The NCAA record is now jointly held by Wuerffel and Todd Ellis (South Carolina, 1986), while the SEC record was held by Tommy Hudson (19, LSU, 1986).

\* Jack Jackson's 167 yards receiving was a career-best and the eighth all-time best single-game receiving performance in school history. It was the second consecutive week Jackson established personal highs in receiving yards. Last week (vs. SW Louisiana) Jackson had 153 yards receiving.

\* The Gators 17-point deficit was the largest Florida has ever overcome to record a win on the road in school history.

\* Florida's senior class is now the all-time winningest class in Gator history. The 1993 seniors now has 36 wins, bettering both the 1985 and 1992 classes which finished their four years with 35 wins each.

## GAME AT A GLANCE

An attacking Gator defense forces eight

turnovers, while also scoring a touchdown, and the highest single-season scoring offense in school history (and third-best in the SEC) racks up 45 points, as Florida claims its second consecutive Southeastern Conference Eastern Division title and a berth in the SEC Championship Game with a 52-0 route of Vanderbilt.

The eighth-ranked Gators move to 9-1 overall, while finishing the regular league campaign at 7-1. Vanderbilt, suffering its worse loss in 13 years, falls to 4-6 overall and 1-6 in league play.

Starting quarterback Terry Dean catches a 35-yard touchdown pass from wide receiver Chris Doering on an end-around pass play and connects on two first quarter TD strikes to wideout Asbury Hill to give the Gators a quick 21-0 lead.

Florida never looks back, as the defense holds Vanderbilt to 137 rushing yards on 54 attempts and just 81 yards through the air. UF senior inside linebacker Ed Robinson joins the scoring parade when he rambles 48 yards for a touchdown after recovering a fumble in the third quarter. The defensive TD is Florida's first in 29 games, while the shutout is UF's first since a 16-0 blanking of LSU in 1991.

## GAME NOTES

• Florida's 52 points on the afternoon gave the Gators 423 points scored on the year, a UF record and the third-best total in SEC history.

• Florida's eight forced turnovers were the second-most in school history in one game. The school record is held by the 1972 team which forced 10 Florida State miscues.

• Florida's six TD passes on the day brought the season total to 36 - setting a new Southeastern Conference record for TD passes in a season.

• Florida's 9-1 record this season tied the 1990 and 1991 UF teams for the best record in school history after 10 games.

• Florida has now won at least nine games in four consecutive years, marking the best four-year stretch in school history. Florida's seven SEC wins during the year also tied the 1991 team (7-0) for most conference victories in one season by a Gator unit.

• Gator redshirt freshman quarterback Danny Wuerffel's TD pass, a 19-yarder to Jack Jackson at the end of the second quarter, gave him 21 TD passes on the year - an NCAA freshman record. Wuerffel eclipsed Todd Ellis' 20 TD passes as a fresh for South Carolina in 1988.

• Wuerffel's 115 yards passing also gave him 2,082 yards passing on the season. Florida and the University of Houston are the only two schools in NCAA Div. IA history to have a 2,000 yard passer, a 1,000 yard passer (Terry Dean) and a 1,000 yard rusher (Errick Rhett) in the same season.

Nov. 27, 1993

Florida Field

Gainesville, Fla

Att: 85,507

## GAME AT A GLANCE

Top-ranked Florida State defeats No. 7 Florida, 33-21, before 85,507, the largest crowd in Sunshine State history. Florida State's victory snaps UF's school-record 23-game home winning streak. The Seminoles conclude their regular season 11-1, while Florida heads to the SEC Championship Game at 9-2.

Florida State, which gains 566 yards in total offense on the afternoon (including 446 yards passing), jumps to a 13-0 lead with

7:20 left in the first half. Florida bounces back, as starting quarterback Danny Wuerffel connects with wide receiver Willie Jackson on an 11-yard TD pass play to cut the lead to six, 13-7, at the half.

FSU adds two third-quarter TDs to go up 27-7, but Gator QB Terry Dean hits Willie Jackson for a 13-yard TD with 11:48 to play and comes back with a 31-yard TD pass to Jack Jackson to cut the Seminole advantage to 27-21 with just under six minutes to play.

FSU, however, seals the victory on the next possession as Seminole QB and Heisman Trophy favorite Charlie Ward evades Florida's pass rush on a third-and-10 play to find freshman running back Warrick Dunn on a short pass. Dunn does the rest, scampering 79 yards for the final points.

Florida's Red Zone defense keeps the Gators in the game, as Florida State penetrates UF's 20-yard line seven times, only to come away with two TDs and two field goals. Florida State does control the game, however, bettering UF in time of possession 37:54 to 22:06. FSU also holds UF to -33 yards rushing, an all-time school low.

## GAME NOTES

- The 85,507 in attendance set a new all-time school record (old record: 85,461 vs. FSU, Nov. 30, 1991), while also being the largest crowd to witness a football game (college or professional) in State of Florida history. A school-record 547 media credentials were issued for the game, with another 150 requests being denied due to lack of working space.

- Florida's school-record 23-game home winning streak dating back to 1990 was snapped. The streak was the nation's second longest entering the contest.

- Wide receiver Willie Jackson finished the game with seven catches for 140 yards and two touchdowns. His two TDs gave him a career Gator record of 24 (breaking Wes Chandler's 22, 1974-77). Jackson's 24 TDs was also the second-best total in SEC history.

- With its 374 yards in total offense on the day (407 yrs. passing, -33 yrs. rushing) Florida set new SEC and school seasonal records in total offense (5,345) and passing yards (3,801). In addition, with UF's 21 points Florida boosted its school record to 444 points on the season - the third-best total in SEC history behind the 1993 Tennessee team (471 pts.) and the 1973 Alabama team (454 pts.). Florida also tallied 20 first downs to bring its total to 278 on the year, also a new SEC and school record.

- Florida's -33 yards rushing on the afternoon was the lowest single-game rushing output in school history.

Dec. 4, 1993

## GAME AT A GLANCE

Using a solid defense, Florida defeats Alabama 28-13 at Legion Field in Birmingham, Ala., to capture its second official SEC title and earn a berth in the New Year's Day Sugar Bowl in New Orleans, La. The Gators run their record to 10-2 becoming just the second team in school history to win 10 games.

Alabama scores on the first possession of the game, using a Tarran Lynch one-yard TD run and a Michael Proctor PAT to go up 7-0 just 4:47 into the contest. However, the Crimson Tide does not score another touch-

down as the Gator defense limits the David Palmer-led Alabama offense to just a pair of field goals the rest of the way.

A Terry Dean to Harrison Houston pass and the ensuing PAT by Lee Groza Award winner Judd Davis knots the game at 7-7 with 1:02 left in the first quarter. Alabama's Proctor hits a 45-yard field goal with 12:02 remaining in the first half and the Crimson Tide leads 10-7. But with only 1:10 left in the second quarter, Florida's Dean lunges into the endzone from two yards out and the Gators are up 14-10, a lead they would not relinquish.

The Crimson Tide closes the Gator lead to one when Proctor hits his second field goal of the day, a 25-yarder with 2:14 left in the third quarter, making the score 14-13. On their next possession, Gator punter Shayne Edge, facing fourth-and-eight from his own 37, fakes the boot and rambles 20 yards to the Alabama 43-yard line. On the very next play, Dean hits Jack Jackson on a 43-yard TD pass and the Gators lead 21-13. An Errict Rhett three-yard run with 11:59 left in the game caps the scoring, giving the Gators the 1993 Southeastern Conference Championship with a 28-13 victory.

## GAME NOTES

- Florida won its second official SEC title (1991 was the other). The Gators also finished first in 1984, '85, and '90 but was not recognized due to NCAA sanctions.

- The Gators' 8-1 record in SEC play in '93 was the most conference wins in a season in school history.

- UF running back Errict Rhett became the first player in NCAA Div. I-A history to rush for 4,100 yards AND catch 140 passes in his career (4,163 yards rushing and 153 catches). Rhett's 4,163 yards rushing was third-best in SEC history.

- WR Willie Jackson finished the day with nine catches for 114 yards. He finished his career with 162 catches, second-best on UF's all-time list and tied for fifth on all-time SEC list. He finished with 2,172 career yards receiving, also second-best on UF all-time list. Jackson had his eighth 100-yard game of career and fourth this season.

- WR Jack Jackson's 43-yard TD catch in the third quarter gave him 11 TDs for the season, the second-best single season effort in UF history (Carlos Alvarez has the record with 12 in 1969).

- With his touchdown catch in the first quarter, Harrison Houston became only the ninth receiver in Gator history to catch 100 or more passes in a career. He also finished with 19 career TDs, tied for the third-top total in UF history.

- Florida QB Terry Dean, the game's MVP, went the distance for the first time in his career, finishing 20-37 for 256 yards and two TDs against a Alabama squad ranked fourth in the nation in passing defense.

### GAME AT A GLANCE

Erict Rhett scores three touchdowns and rushes for 105 yards to lead the eighth-ranked Florida Gators to a 41-7 Sugar Bowl victory over third-ranked and previously undefeated West Virginia. Florida's high powered offense gains 482 total yards and overwhelms the Mountaineers in front of a national television audience and 75,437 at the Louisiana Superdome. The Gators finish the season with a 11-2 record, the most wins in school history.

West Virginia's Jake Kelchner hits Jay Kearney on a 32-yard touchdown pass with just under four minutes gone in the first period to take a 7-0 lead. The Mountaineers would not score again as the Gators defense stifles the WVU attack all night, forcing two turnovers and eight West Virginia punts.

Florida answers with a 91-yard, 12-play drive culminated by a three-yard TD run by Rhett with 21 seconds remaining in the first quarter. Moments later in the second quarter, Lawrence Wright picks off a Darren Studstill pass and returns the interception 52 yards for a touchdown to make the score 14-7. And with just 51 seconds remaining in the half, Terry Dean connects with Willie Jackson on a 39-yard pass and the Gators head to intermission with a 21-7 lead.

In the third quarter Florida expands its lead with two rushing touchdowns by Rhett. A two-yard burst and a one-yard run give the Gators a 35-7 lead heading into the final stanza. Lou Groza Award winner Judd Davis adds two field goals (43, 26) in the fourth quarter to complete the Florida scoring and give Steve Spurrier's squad a 41-7 victory.

### GAME NOTES

- Florida won its first-ever Sugar Bowl with the 41-7 win over West Virginia. Prior to the victory, UF had lost all three previous trips to the Sugar Bowl. Florida's overall bowl record now stands at 10-11. The Gators also won won back-to-back Bowl games for the first time in school history. The win was UF's first on New Year's Day since a 27-12 over Georgia Tech in 1967.

- Florida finished the 1993 season 11-2, the first 11-win season in Gator history, and 5th in the final AP Poll – just the third time in history that UF finished a year ranked among the nation's top five.

- Florida set a UF school record for most points scored in a Bowl game (the previous was 35 vs. Maryland in the 1980 Tangerine Bowl game).

- RB Erict Rhett finished the day with 23 carries for 105 yards and a career-high three TDs. The 105 yards was the second consecutive 100-yard rushing Bowl game for Rhett (he rushed for 102 in the Gator Bowl last year). Rhett's three TDs tied a UF Bowl game record for most points (Dwayne Dixon scored 18 in the 1982 Bluebonnet Bowl).

- WR Willie Jackson had nine catches for 131 yards. His nine catches tied a UF Bowl game record (Barry Brown caught nine in the 1966 Sugar Bowl). His 131 yards receiving on the day was the third best single-Bowl-game effort in UF history.
- FS Lawrence Wright's interception return for a TD was the first by a Florida player in a Bowl game in school history.

### FLORIDA FOCUS

• The University of Florida is one of just nine schools among the combined universities in the Southeastern Conference, Atlantic Coast Conference, Southwest Conference and Southern Independents that has been admitted to the Association of American Universities, the most prestigious organization in higher education. The only other schools from those four groups mentioned above that have gained admittance to the AAU are Duke, North Carolina, Maryland and Virginia of the ACC, Vanderbilt of the SEC, Texas and Rice of the Southwestern Conference and Tulane among southern independents. Nationwide, only 58 of over 1,200 colleges and universities in the country are members of the AAU.

• Steve Spurrier arrived on the Gator scene in 1990, the Gators have been ranked in the weekly AP Top 25 Poll 65 of a possible 66 times, including each of the last 65 ranking weeks.

• The College of Business Administration's Fisher School of Accounting is ranked seventh nationally in undergraduate programs and fifth in graduate programs.

# FLORIDA FOOTBALL PLENTY TO BE PROUD OF

Florida has been a very prominent team in the nation's most prominent football conference over the course of the last decade. Five times in the last ten years the Gators have finished with the best SEC record and they have played in each of the first two SEC Football Championship Games.

- A charter member of the South-eastern Conference when it was formed in 1932.
- Twenty-one bowl game appearances.
- Named national champions for the 1984 season by the *New York Times* and *The Sporting News*.
- Ninety-three (93) players have earned All- America recognition, 58 alone since 1980.
- Thirty-nine (39) players have earned first-team All-America honors, 15 alone since 1980.
- Played in the first-ever SEC Championship Game in 1992.
- For nine consecutive years (1983-91) Florida had at least one player selected in the first round of the annual NFL Draft, the only school in the nation to achieve that distinction. In fact, Florida is the only school in the nation that has ever had a player selected in the opening round of the draft for nine straight years since the NFL Draft began in 1936.
- QB Steve Spurrier was a Heisman Trophy recipient in 1966. Four other UF players have finished in the top ten of the Heisman balloting.
- OLB Wilber Marshall was selected "National Defensive Player of the Year" in 1983.
- One-hundred and five (105) different players have earned first-team All-SEC honors.
- One-hundred and six (106) players have earned Academic All-SEC honors, 85 alone since 1980.
- Eight Gator players have earned Academic All-America honors.

- Florida's 27-4-3 record (.838%) ranked as the second best in the nation during the 1983-85 time span.

- In each of the 1983, 1984 and 1985 seasons, Florida ranked in the top six in the final Associated Press poll, the only school in the nation to achieve that distinction during that time period.
- Over 125 former Gator players have gone on to play in the NFL.
- Florida has posted a sparkling 66-10-2 record at Florida Field since the start of the 1981 season. It is 23-1 this decade.
- Twenty-two UF players have been selected in the first round of the NFL Draft, 13 from 1983-91, the top total in the nation over that nine-year span.
- In 1989, Florida was the only school in the nation to have three players selected in the first round of the NFL Draft.
- Thirteen former Gator players have participated 39 times in the NFL Pro Bowl.
- A player from the University of Florida has appeared in 15 of the 28 Super Bowl games.

*Bill Hill Griffin Stadium at Florida Field (above) is the largest stadium in the state of Florida. In 1993, the Gators played before an average home crowd of over 84,500 – the fifth best in the nation.*

*Emmitt Smith (left), the NFL's leading rusher in each of the last three seasons, is one of 22 Gator players that have been selected in the first round of the NFL Draft. From 1983-91 alone, 13 Gators were selected in the first-round, the top total for any school in the nation during that time span. With at least one first-round draft selection every year from 1983-91, Florida became the first school in the nation to have a first-round draft selection for nine straight years since the NFL Draft began in 1936.*

# THE HISTORY OF GATOR FOOTBALL

## A PROUD PAST, AN EVEN BRIGHTER FUTURE

*Steve Spurrier represents Florida's proud football past and embodies its even brighter future. Spurrier, who was a recipient of the 1966 Heisman Trophy as a Gator quarterback in 1966, has led UF to many of its greatest team achievements since taking over the coaching reins in 1990. In his four years at the helm the Gators have captured two SEC titles, finished first one other time, played in each of the first two SEC Championship Games and played in two Sugar Bowl games. The Gators' 39 total wins over the past four seasons is the best four year victory total in school history, and UF's 27-5 record in SEC play since 1990 ranks as the conference's best. Spurrier is one of 93 Gator players who have earned All-America recognition, including 39 who have garnered first-team All-America honors.*

Florida, a charter member of the prestigious Southeastern Conference, and one of the participant schools in the first-ever SEC Football Championship Game in 1992 (a game that was also the first-ever championship play-off game for Div. 1A), started football in 1906 against Rollins on a baseball field located immediately north of the current Florida Field. The Gators won, 6-0, and went on the following year to record a 4-0-1 mark behind the running of a halfback named Willie Shands, who eventually became an important senator for whom the Shands Hospital and Clinics at UF are named.

The finest of the early teams at Florida were under the tutelage of U.S. Army Major James A. Van Fleet, head coach and senior officer of the school's ROTC program. The Van Fleet teams in 1923-24 attracted national attention to the Gator football program for the first time.

In 1923 Florida tied Georgia Tech, the ruler of Southern football, 7-7, in Atlanta. The Jackets came from behind late in the game to earn the deadlock.

In the final game of that season Florida recorded one of the most shocking upsets of the year, beating Alabama and Wallace Wade in Tuscaloosa, 16-6, as All-Southern back Edgar Jones scored every point for the Gators.

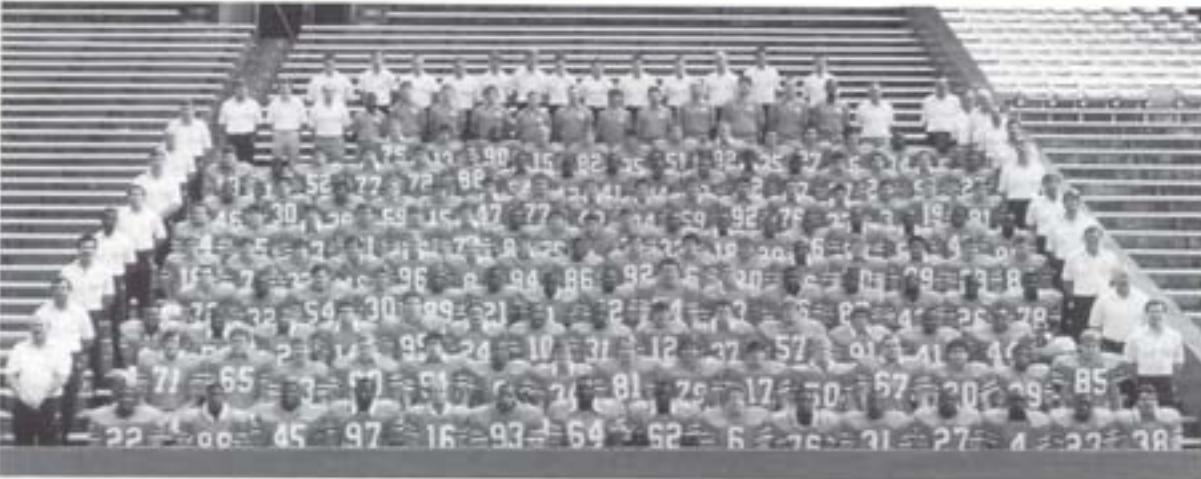

Florida was 6-1-2 that season and 6-2-2 in 1924, recording 7-7 ties against both Georgia Tech and Texas, two of the national football powers, and losing to Army, 14-7, at West Point.

Florida's 1928 team led the nation in scoring on the way to an 8-1 record, losing its final game, 13-12, on a wet field in Knoxville, Tenn., to Tennessee.

The 1930's produced great individual talent at Florida. Walter (Tiger) Mayberry was an All-SEC halfback who was later to lose his life in World War II as an often-decorated Marine pilot. Tommy Harrison was a record-setting passer in the late '30's and went on to become a president of Blair Radio and TV, a nationwide firm. His favorite target was end Forrest (Fergie) Ferguson, an all-star athlete who died years later as the result of wounds suf-

The 1984 Gator squad posted an overall 9-1-1 record and was ranked third in the final AP ranking. The Sporting News and the New York Times declared the squad national champions. Florida's 3-0-1 mark in SEC play marked the first time in school history that a Gator squad finished with the best record in SEC play.

The 1983 UF squad posted a 9-1-1 record and was ranked fifth in the final AP poll. Its 5-1-0 mark in SEC play tied for first in the league standings. After its 14-10 win at Auburn, it became the first squad in school history to be ranked number one in the nation in a wire service poll.

ferred in the invasion of Normandy during World War II.

Bob Woodruff brought the Gators to solid football status as the head coach of the 1950's. He produced the first bowl team in 1952, All-America linemen like Charlie LaPradd, John

That decade also produced Heisman Trophy winner Steve Spurrier, a record-setting passer, as was quarterback John Reaves in 1969, who

and Miami in the same month, a rare feat for Florida.

Dickey's top players included All-Americans Jack Youngblood, defensive end; Wes Chandler, wide receiver; Sammy Green and Ralph Ortega, line backers, and SEC rushing king Jimmie DuBose.

Charley Pell's rebuilding job began in 1979 and his last four Florida teams went to bowls, averaging eight wins a season against one of the nation's most demanding schedules. Pell's 1983 team secured the school's then highest final ranking ever with a No. 6 finish. Wilber Marshall, a linebacker, was named "National Defensive Player of the Year."

The top players of the Pell era (1979-84) were WR Cris Collinsworth, LB David Little, DT David Galloway, LB Wilber Marshall, and OT Lomas Brown. All were first-team All-American selections.

Galen Hall was named interim coach after the first three games of the 1984 season. He proceeded to win the next eight games. When the squad defeated Kentucky, 25-17, to clinch the school's first-ever first place finish in the SEC standing, he was named the new head coach in the lockerroom after the game in Lexington. The

**Florida has appeared in 21 bowl games, seen 93 of its players earn All-America recognition, including 39 who have earned first-team All-America honors, had a player receive the Heisman Trophy, played in the first-ever SEC Championship Game, and seen 22 of its players selected in the first round of the NFL Draft.**

Ray Graves came out of the decade of the 1960's as the winningest Florida coach of record. He was 70-31-4 with five bowl teams, four of

smashed five national marks.

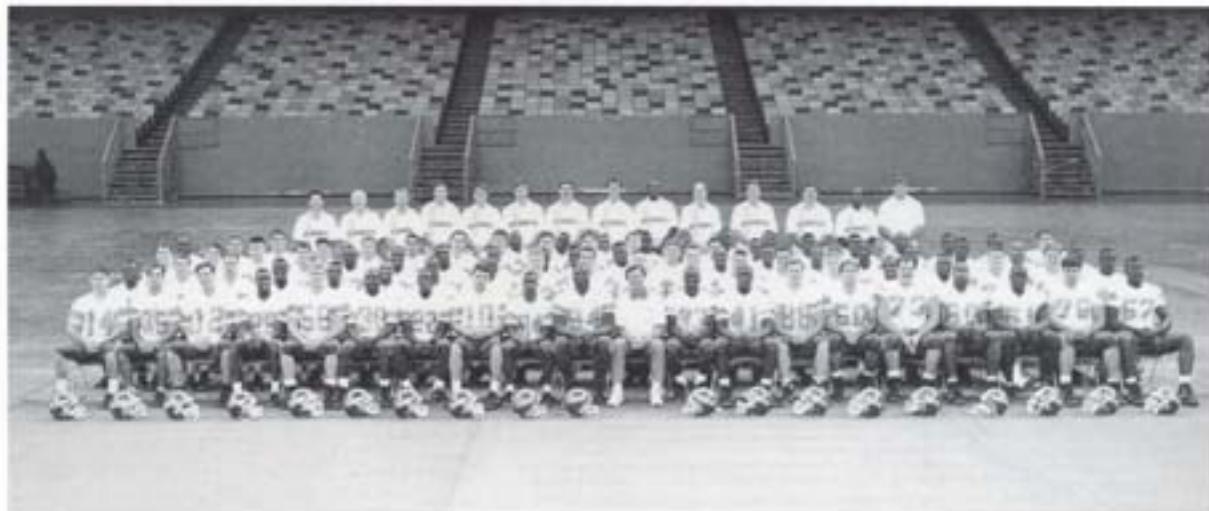

The teams of Doug Dickey from 1970-78 went to four bowls. His 1973 team was the second Gator edition ever to defeat Auburn at Auburn and went on that year to beat Georgia, FSU

The 1990 team posted a 9-2 overall record and its 9-1 start was the best in school history. It finished with the best record in the SEC with a 6-1 mark, the first time in school history that a Gator team posted six conference wins in a season. It became the first UF team since 1928 to defeat both Alabama and Auburn in the same year and it posted the largest victory margins over Auburn and Georgia in school history.

The 1991 team was the first in school history to win ten games in a season and the first to win an outright SEC title, compiling a perfect 7-0 conference record. The squad posted a 10-2 overall record, played Notre Dame in the Sugar Bowl and finished the year ranked seventh in the nation. It was the first contingent in school history to defeat Auburn, Georgia, Florida State and Tennessee in the same season.

The 1993 Gator contingent won the SEC title, won more games in a season (11) than any team in school history and was the school's first-ever Sugar Bowl champion. The squad won more SEC games (8) than any team in school history and completed the season ranked 5th in the final AP Poll and 4th in the USA Today/CNN Coaches Poll.

squad closed out the banner year with a 27-17 win at Florida State to cap a 9-1-1 season. In the final regular season wire rankings, Florida was ranked third in the nation, the best regular season ranking in school history. The '84 squad was named the national champion by the *N.Y. Times* and *The Sporting News*.

Hall led Florida to another banner season in 1985. The Gators opened the season with an eight game unbeaten streak to stretch UF's two-season unbeaten mark to 18 consecutive games. When Florida defeated Auburn, 14-10, in the eighth week of the season, UF was ranked first in the weekly Associated Press rankings, the first time in school history that the Gators held that lofty status. Florida finished with a second straight 9-1-1 season. The Gators were ranked 5th in the final AP ranking.

The period of 1983-85 ranked as the most successful in school history. During that time frame, Florida was the only school in the nation to finish in the top six in the final AP ranking in each of those respective seasons. Florida's 27-4-3 record during that time frame represented the second best winning percentage (83.8%) in the nation.

The decade of the 1980's ended with three successive bowl appearances (1987 Aloha, 1988 All American, 1989 Freedom). Overall, UF went to seven bowl games in the 1980's making it the most successful in that regard in school history. In addition, the Gators posted 76 wins during the 1980's, the most successful decade in school history.

Gary Darnell replaced Hall as interim head coach six games into the 1989 season. Hall completed his career (1984-89) with a 41-18-1 record. The top players of his reign were first-team All-America selections OLB Alonso Johnson, OG Jeff Zimmerman, OLB Clifford Charlton, DB Louis Oliver, DB Jarvis Williams, DT Trace Armstrong, and RB Emmitt Smith. In addition, QB Kerwin Bell, FB John L. Williams, and RB Neal Anderson ranked among UF's all-time greats.

On the eve of the new decade of the 1990's (Dec. 31, 1989), Steve Spurrier, a man who had provided the University of Florida with so many fond memories as a player, was hired as the school's head coach.

Spurrier wasted little time in making a dramatic impact on the Gator program. His 1990 team started the year with a 9-1 record, the best start for a UF team in school history. The squad finished with a 9-2 record and in the process established 14 new school records. It's 6-1 conference record was the best in the SEC.

Included in the nine wins were 41- and 31-point victories over Auburn and Georgia respectively, then the largest vs. those two long-time rivals in school history.

The 1991 team was even better as it posted an overall 10-2 record, including a perfect 7-0 mark in SEC play to clinch Florida's first ever outright league title. The '91 team was the first in school history to win ten games in a season and closed the banner year with an appearance in the Sugar Bowl vs. Notre Dame. The squad won its last eight straight regular season games and completed the year ranked as the nation's seventh best squad.

The 1992 team started the season at 1-2 but bounced back to win seven straight games and claim a spot in the first-ever SEC Championship Game as the Eastern Division representative where it lost a heartbreaking 28-21 decision to unbeaten and eventual national champion Alabama. The Gators closed out the '92 campaign with a 27-10 win over North Carolina State in the Gator Bowl giving it a 9-4 record and final AP national ranking

of 10th. It marked just the second time in school history that the Gators had won nine or more games in three consecutive seasons.

The 1993 unit won the SEC title, won more total games (11) and more SEC games (8) than any team in Gator history, and won the school's first-ever Sugar Bowl championship. The '93 Gators posted a final 11-2 record and ended the year ranked 5th in the final AP Poll and 4th in the USA Today/CNN Coaches Poll, just the third time in school history that a UF team finished the year ranked among the nation's five best.

Since it began playing football in 1906, the Gators have had 39 first team All-Americans, a Heisman Trophy winner in Steve Spurrier (Florida is just one of 33 schools in the nation that can claim a Heisman recipient), 21 bowl teams, and numerous other regional and conference honors. All told, 93 different players have earned some type of All-America honor. Twenty-two Gator players have been selected in the first-round of the NFL Draft.

## THE BIRTH OF A NICKNAME

Reprinted from  
*FLORIDA TIMES-UNION*  
August 2, 1948

A Jacksonville lawyer 'christened' the University of Florida's football team 41 years ago when he gave a pennant-designing firm in Charlottesville, Va., the suggestion of 'The Alligators.'

"Austin Miller, who has practiced law here since shortly after his graduation from the University of Virginia in 1910, yesterday recalled the circumstances surrounding the choice of a name for Florida University's athletic teams. It happened in the fall of 1907, a year after the University of Gainesville had fielded its first team.

"Miller, a native of Gainesville, was enrolled in the University of Virginia at the time and was visited by his father, Phillip Miller, a Gainesville merchant. The elder Miller, who died nine years ago, then owned and operated a combination drug store and stationery store in Gainesville, a popular rendezvous for university students.

"While in Charlottesville the father decided to order some pennants and banners for the University of Florida from the Michie Company, which was engaged in the manufacture of such items. The Millers went to the firm, where they were shown samples of pennants which featured the Yale bulldog, the Princeton tiger and other school emblems. When the manager asked for Florida's emblem, the Millers realized the new school had none.

"Austin Miller said the name 'Alligators' occurred to him as a suitable emblem, both because the Michie manager said no other school had adopted it and because the alligator was native to this state. 'I had no idea it would stick, or even be popular with the student body,' Miller said. 'We wanted to get the Michie firm started on the pennants as quickly as possible, though, so they would be available in time for the opening of the 1908 school term.'

"The Michie manager complicated the christening when he told young Miller he'd never seen an alligator and didn't believe he could design one. The law student volunteered to find a suitable picture of a 'gator. After much search, he said, he located a picture of one in the library of the University of Virginia.

"The first appearance of the alligator emblem, Miller recalled was in his father's Gainesville store in 1908. The Michie firm had supplied Millers' with the blue banner measuring six by three feet, showing a large orange alligator, and also with several different types of smaller banners and pennants. Some of them showed the alligator lying down, some rampant, while others included only the alligator's head."

HISTORY

# OVERCOMING THE ODDS

Walk-on Judd Davis (right) was the 1993 recipient of the "Lou Groza National Place-Kicker of the Year Award." He was also a first-team UPI All-American selection that season.

## *UF Walk-On Program Provides An Opportunity To Compete And A Chance To Fulfill A Dream*

For years the University of Florida football program has encouraged and fostered a walk-on program that gives many young men every year the opportunity to live their dream of playing major college football.

As these two pages show, the walk-ons have contributed greatly to the success of the Gator football program. Twenty-six members of the 1991 Southeastern Conference championship team were walk-ons. The walk-ons are treated in the same first-class manner with total respect as the rest of the squad.

Many former walk-ons have eventually earned scholarships, earned starting positions, gained All-SEC and All-America honors, and even eventually played pro football. None of those players would have lived their dream and reached their potential if the University of Florida hadn't extended the opportunity they were seeking. Their eventual success has become a cherished part of the Gator football tradition and heritage.

---

QB Kerwin Bell (left) was told by major college coaches that he didn't have the skills to compete at that level. He felt they were wrong and wanted a chance to prove it. He decided to walk-on at Florida in 1983. A year later in 1984 as a non-scholarship player he became a starter and was named "SEC Player of the Year". By the time he completed his career in 1987 he was the SEC's all-time leading passer with over 7,500 yards. He is one of nine former UF walk-ons who have gone on to play pro football.

The Gator walk-on program has indeed proved successful and beneficial to both the individual student-athletes and to the University of Florida football program. That is soundly demonstrated by the following facts:

- Nine former Gator walk-ons have gone on to play pro football: DB Hagood Clarke, DB Allen Trammell, DB Bruce Vaughan, LB James Harrell, WR Lee McGriff, PK John James, PK David Posey, QB Kerwin Bell and DB Louis Oliver.
- Former walk-on Louis Oliver was selected in the first round of the 1989 NFL Draft by Miami.
- Former walk-on John James went on to earn All-Pro honors as a punter in the NFL.
- Former walk-on Kerwin Bell earned "SEC Player of the Year" honors in 1984 and completed his career in 1987 as the greatest statistical passer in SEC history.
- Former walk-on DB Louis Oliver earned first-team All-America honors in 1987 and 1988.
- When Bobby Raymond completed his career in 1984 the former walk-on's name appeared in the NCAA place-kicking records in five separate categories.
- Walk-on WR Gary Rolle was named Academic All-America and winner of the National Football Foundation Scholar-Athlete Award in 1984.
- Thirty-three (33) Gator walk-ons have earned Academic All-SEC honors.
- Former walk-on Kerwin Bell became a prominent Heisman Trophy candidate in 1987.
- Former walk-on Louis Oliver was one of three finalists for the Thorpe Defensive Back of the Year Award in 1988.
- Walk-on Judd Davis was named the '93 recipient of the Lou Groza National Place-Kicker of the Year. He was also named a first-team All-America that season.
- The 1985 Gator team that finished 9-1-1 and fifth in the final national rankings had 18 prominent players that originally joined the program as walk-ons.
- Five former Gator walk-ons – WR Lee McGriff, DE Preston Kendrick, PK David Posey, QB Kerwin Bell, and DB Louis Oliver – have gone on to earn first-team All-SEC honors.

The facts above clearly point out that the walk-on program is an integral and valued aspect of the Gator football team. It has provided an opportunity for countless young men to prove that the evaluation and recruiting process is far from faultless. It allows a young man to mature physically, improve his football skills, and contribute to the success of University of Florida football.

*DB Louis Oliver (above), had scholarship offers at some small colleges, but he had a dream of playing major college football. He came to Florida as a walk-on in 1984, earned a scholarship in 1985, became a starter in 1986, and then was named a first-team All-America in 1987 and 1988. He was one of three finalists for the Thorpe Defensive Back of the Year Award in 1988 and was a first-round selection in the 1989 NFL Draft.*

*ILB Pat Moorer, had several scholarship offers, but he had a dream of playing in the SEC. He joined the UF program as a walk-on in August of 1986. Three months later he had earned a starting position, the first true freshman to start a game for the Gator defense since 1981. He was awarded a scholarship in January of 1987. He led the nationally ranked Gator defense in tackles in 1988 and 1989.*

*Former walk-on Chris Doering caught 43 passes with 7 TDs during the 1993 season. He had 12 catches for 199 yards (totals that both ranked as second best for a game in UF history) vs. Mississippi State that season.*

*The University Of Florida is the only school in the nation to ever be represented in the first round of the regular NFL draft for nine consecutive years since the NFL began its draft in 1936. The Gators achieved that distinction with 13 first-round selections over the nine NFL drafts from 1983-91.*

Florida's first bowl trip came after the 1952 season as the Gators headed to the Gator Bowl in Jacksonville to face Tulsa on January 1, 1953.

Powered by the running of Rick Casares and J. (Papa) Hall the Gators edged the Golden Hurricanes, 14-13, as Tulsa senior Tom Minor missed the first PAT attempt of his career. Gator All-America tackle Charlie LaPradd was the game's defensive hero.

Quarterback Jimmy Dunn and All-SEC end Dave Hudson led Florida back to the Gator Bowl in 1958 where they lost to Mississippi, 7-3. Ray Graves' first Florida team returned to the Jacksonville classic after the 1960 season and knocked off Baylor, 13-12, behind the running of Don Goodman and quarterback Larry Libertore.

One of the biggest upsets in Gator Bowl history took place in 1962 when heavily-favored Penn State was soundly beaten by the Gators, 17-7, led by quarterback Tom Shannon and a stout defense.

In 1966 Florida fell behind Missouri, 20-0, in the Sugar Bowl and rallied for 18 points in the final quarter behind quarterback Steve Spurrier. Each Gator touchdown was followed by a two-point conversion attempt and all of them failed.

Spurrier became the first player from the losing team to be named the game's most outstanding player in the history of the Sugar Bowl. He broke six bowl records in the contest.

The Gators got back on the winning track the following year in the Orange Bowl, beating Georgia Tech, 27-12,

behind Heisman Trophy winner Spurrier. It was Bobby Dodd's final game as Tech's head coach and Florida made it an unhappy night for him. Larry Smith set a bowl record for running 94 yards for a touchdown for the Gators, almost losing his pants on the way.

In Ray Graves' final game as Florida's coach he watched his young team beat SEC champion Tennessee, 14-13, in the 1969 Gator Bowl. Florida's defense was superb with a blocked punt by Steve Tamm resulting in one TD and an interception setting up the other.

In 1973, the Tangerine Bowl was played in Gainesville due to construction at the Orlando stadium site. It was 27 degrees when the game started and Miami of Ohio loved every minute of it en route to a 16-7 upset. Florida nearly pulled a major upset next season, leading Nebraska 10-0 and scoring an apparent TD on a 26-yard run by Tony Green, only to have it ruled out-of-bounds. The Huskers came back in the Sugar Bowl to win 13-10. Florida's stars were All-America linebackers Ralph Ortega and Glenn Cameron, defensive end Preston Kendrick, the game's most outstanding defensive player, and running back Green.

The Gators returned to the Gator Bowl in 1975 and were soundly beaten in the rain by Maryland, 13-0. In 1977 powerful Texas A&M routed Florida, 37-14, in the Sun Bowl.

Charley Pell's first bowl team at Florida came in 1980 and the Gators played outstanding football in the

Tangerine Bowl to whip Maryland, 35-20, behind All-America wide receiver Cris Collinsworth, the game's most valuable player. All-America David Galloway was the most outstanding defensive player of the contest.

In the cold of Atlanta, Ga. in the 1981 Peach Bowl the favored Gators were stunned by West Virginia, 26-6.

On New Year's Eve of 1982, the Gators took a 17-7 halftime lead against Arkansas in the Bluebonnet Bowl before losing 28-24. Wide receiver Dwayne Dixon was named Florida's MVP while catching three TD passes.

The 1983 squad, making its fourth consecutive bowl appearance under Pell, defeated Iowa 14-6. The win earned the Gators a No. 6 final ranking (then the best finish in UF history).

The 1984 and 1985 teams, after posting 9-1 seasons, were unable to participate in bowl games due to NCAA sanctions.

Florida reentered the bowl scene on Christmas Day 1987 as they faced UCLA in the Aloha Bowl in Honolulu, Hawaii. The Gators, a big underdog, suffered a tough 20-16 setback in a game that literally went down to the final play when a Kerwin Bell pass fell incomplete in the endzone. Emmitt Smith, named Florida's MVP in the bowl, completed his banner freshman season with 128 rushing yards on just 17 carries (7.5 ypc) against a UCLA squad that ranked fourth in the nation in defense against the rush in 1987.

Galen Hall captured his first bowl victory as a head coach in the 1988 All American Bowl. Sophomore Emmitt Smith, the game's MVP, scored late in the fourth quarter to give Florida a 14-10 win over Illinois. Smith rushed for 159 yards on the night, the second top rushing total in a bowl game in UF history. OLB Huey Richardson led a fierce Gator defense that held the Illini to just 55 rushing yards and harassed QB Jeff George all night.

The Gators completed the decade of the 1980's with a 34-7 loss to Washington in the 1989 Freedom Bowl at Anaheim, Calif. The Freedom Bowl appearance marked the seventh bowl appearance for Florida during the decade of the 1980's, making it the most successful decade for post-season play in school history.

The 1991 team capped a banner season with an appearance in the 1992 Sugar Bowl vs. Notre Dame. Despite registering 511 yards in total offense including a record 370 yards passing by Shane Matthews, the Gators suffered a 39-28 setback to the Irish in Steve Spurrier's first bowl game as UF coach. Notre Dame scored three TDs in the last five minutes of the game after Florida had moved ahead 22-17 early

in the fourth quarter. A record 34 combined points were scored in the wild fourth period.

Errict Rhett rushed for 182 yards, the third top total in Gator Bowl history and the second best total for a Florida player in a bowl game, to highlight an impressive 27-10 win over ACC runnerup North Carolina State in the 1992 Gator Bowl. UF's defense had a fine night as it held the Wolfpack to just 13 first downs and 267 yards in total offense while Shane Matthews closed out his brilliant career leading a Gator offense that registered 26 first downs, ran 88 plays, and totaled 445 yards in total offense. Rhett was named MVP of the game.

The 1993 team closed out the winningest season (11-2 record) in school history with an impressive 41-7 win over undefeated West Virginia in the Sugar Bowl. Errict Rhett, who rushed for 105 yards and three TDs, was named the game's MVP. Willie Jackson had nine catches (second best bowl game total in UF history) for 131 yards and a TD, while Terry Dean completed 22 of 37 passes for 255 yards and a TD to highlight an offense that generated 30 first downs and 482 total yards. The defense held a Mountaineer team that averaged 36.5 points and 464 yards a game in total offense to just seven points and 265 total net yards. The 41-7 win was UF's first Sugar Bowl victory in four appearances and represented the school's first New Year's Day bowl win since a 27-12 win over Georgia Tech on Jan. 1, 1967 in the Orange Bowl.

### FLORIDA FOCUS

- Since 1980, UF student-athletes have captured an amazing 156 individual NCAA championships.
- In the last four Summer Olympics (1980, '88, '92, '94), the University of Florida has had 78 total representatives on Olympic squads. That contingent has earned 38 total Olympic medals, including 22 gold.
- UF is the home to the world's largest and most complete citrus research center.
- UF houses the largest coastal engineering wave tank in the southeast.
- Prior to the 1992 no school in Southeastern Conference history had been awarded with both the men's and women's all-sports trophies in the same year. The University of Florida became the first school to achieve that rare accomplishment in 1992 and then repeated the feat in 1993.

THE  
UNIVERSITY

# THE UNIVERSITY OF FLORIDA...

*Florida's First University Ranks Among  
The Nation's Elite Institutions Of Higher Education*

*The University of Florida's Century Tower*

Standing mid-campus, the University of Florida's Century Tower is a visible testament to the strength and enduring value of the institution. Built in 1953 as a memorial to University of Florida alumni who died in war, the tower received its "century" title because it was built 100 years after the founding of one of the university's parent institutions.

UF traces its beginnings to the takeover of the private Kingsbury Academy in Ocala by the state-funded East Florida Seminary in 1853. Later, the Seminary was consolidated with the state land-grant agricultural college, then in Lake City, to become the University of Florida. UF was established in Gainesville in 1906, with an initial enrollment of 102. Until 1947, the University of Florida was for men only and was one of only three state colleges.

A land-grant university with a distinguished record of developing Florida agriculture into a national leader through research and extension services, the University of Florida has become one of America's truly distinctive universities. Now expanded into virtually every academic discipline, the University of Florida, along with Ohio State and the University of Minnesota, offers more academic programs on a single campus than any of the nation's other universities — public or private. More than 100 majors are offered in 94 undergraduate degree programs. The graduate school coordinates 123 masters and 76 doctoral programs in 87 of the university's

137 academic departments. Professional post-baccalaureate degrees are offered in law, dentistry, medicine, pharmacy and veterinary medicine.

The University of Florida is a member of the Association of American Universities (AAU), the most prestigious higher education organization in the nation. Comprised of the top 58 public and private universities in North America preeminent in graduate and professional teaching and research, the AAU invites only the best in higher education into its membership. UF joins its sister institutions in the South – Duke, North Carolina, Rice, Texas, Tulane, Virginia and Vanderbilt – as outstanding universities in the region. The University of Florida is also ranked among the nation's 51 leading research universities as categorized by the Carnegie Commission on Higher Education.

As a complete university with freshmen through post-doctoral programs, the University of Florida is able to offer many opportunities to its students. A student planning to continue to graduate or professional schools can study in libraries and laboratories equipped to prepare students for entrance into almost every known advanced degree program. Students can begin their research as early as they desire, even as freshmen, while studying alongside graduate and professional students.

University of Florida students, numbering more than 36,000, come from every county in the state, from every state in the union and from more than 100 foreign countries. Ninety percent of entering freshmen score above the national average on standardized college entrance exams. UF ranks in the top three among public colleges and universities in the nation in the number of freshmen National Merit Scholars attending. Florida also ranks sixth among all public institutions in the number of National Achievement Scholars attending

and 16th among all institutions.

Approximately one-third of the university's students are freshmen and sophomores, and 43% are juniors and seniors. Approximately 18% of the student body are graduate students, and six percent are in professional programs. More than 2,000 black students and more than 2,600 Hispanic students attend the University of Florida.

A distinguished faculty num-

bering 3,700 has been assembled from major universities throughout the world to provide instruction and counseling to University of Florida students. Last year more than 1,800 UF faculty members were grant awardees and 70% of the faculty's grant proposals were successful, with more than \$200 million in research and training grants acquired. More than 20 faculty members have been selected to the National Academies of Science and/or Engineering, the Institute of Medicine or a counterpart in a foreign nation.

A very small sampling of honored faculty members includes a Nobel laureate, Pulitzer Prize winners, the co-inventor of the jet engine, pioneer in and writer of the leading textbook on econometrics, winner of the National Science Teachers Association's top award for leadership, three winners of NASA's top award for research, one of the four charter members of the Solar Hall of Fame, winner of the Smithsonian Institution's award for conservation, first winner of the Audubon Society's Polymer Scientist of the Year award, an art faculty with 80% of its members in Who's Who in Art, winner of the Academy of Pharmaceutical Science Achievement Award for advancement of industrial pharmacy, the inventor of Gatorade, winner of the first Kyoto Prize, and the inventor of Bioglas. The nation's five-millionth patent was awarded to a UF researcher in 1991. Plus, of the 1,000 most-quoted scientists in the world, five are on the University of Florida faculty.

In summary, the University of Florida – the state's largest and oldest – is a residential campus, with rich resources available because of its size, but providing a learning and living environment for the whole person. It is an institution that puts the interest of the individual student above all.

# JEREMY N. FOLEY

## DIRECTOR OF ATHLETICS

Jeremy N. Foley, who has handled virtually every aspect of the University of Florida's \$25 million athletic program during his athletic administrative career - which began with an internship in the Gator Ticket Office in 1976 - was named UF's Director of Athletics in March of 1992.

A man with great leadership, vision and experience, Foley, 41, brings a die-hard dedication, never-ending enthusiasm and hands-on approach to the top athletic post at the University of Florida. Foley's philosophy involves the continued building of a comprehensive athletic program.

Says Foley, who had served as UF's Senior Associate Athletic Director since 1987, "We have an outstanding academic institution and fantastic coaches, student-athletes, administrators, facilities and fans. With hard work, patience and commitment to excellence and integrity, we will achieve the success this university deserves."

Thanks in great part to a tireless effort by Foley, Florida has ranked among the nation's 10 best total athletic programs over the past decade.

As chief financial officer for the University Athletic Association (UAA), Foley helped make Gator athletics profitable, eliminating a three-quarters of a million dollar debt. He was the driving force and directly responsible for nearly \$35 million in capital improvements as well, including two major expansions of the football stadium and new tennis, track & field, baseball, golf and swimming facilities. Also, in an era when the NCAA estimates 70 percent of Division I schools are losing money on intercollegiate athletics, the University of Florida Athletic Association has contributed more than \$5 million since 1991 to the University to help fund academic endeavors.

Florida has been equally successful on the field of play and in the classroom during Foley's administrative tenure.

The Florida athletic program has ranked among the nation's 10 best in each of the last 11 years and among the five best for five straight years, according to national all-sport rankings. In addition, UF's across-the-board athletic excellence has been further demonstrated in the fact that the Gators captured both the men's and women's Southeastern Conference All-Sport Trophies in back-to-back years (1991-92, 1992-93) - becoming the first

Jeremy N. Foley

institution in league history to accomplish a repeat all-sport championship performance. Florida won five SEC championships in 1993-94, raising its total to 70 league titles since 1980, the top total in the SEC over that span. On the national level in 1993-94, UF had another stellar year, as Florida had nine teams finish among the nation's top 10 in their respective sport. Once again, Florida's combined men's and women's program ranked best in the SEC, marking the sixth time in the last seven years UF's overall program ranked as the best in conference.

UF's commitment in the classroom is equally impressive. The Gators had 71 student-athletes honored for being named to the Southeastern Conference's Academic Honor Roll in 1993-94. It was the sixth consecutive year more than 50 UF student-athletes were honored for academic achievement. In addition, Florida's 145 Academic All-SEC honorees over the last two years is the best two-year total in UF and SEC history. Since 1980, Florida's had 583 student-athletes named to the SEC's Academic Honor Roll, the highest total for any SEC school over that span.

The Gator athletic coaching family, which Foley had a large part in assembling, saw eight of its members named SEC Coach-of-the-Year in 1991-92, five more named SEC Coach-of-the-Year in 1992-93 and an additional six win league Coach-of-the-Year honors in 1993-94.

Born in Washington, D.C., but calls New London, N.H., home, Foley received his undergraduate degree in 1974 from Hobart College in Geneva, N.Y., where he also coached and scouted for the tradition-rich lacrosse program following graduation. He went on to earn his Master's Degree in Sports Administration from Ohio University in 1976 and then joined the Gator athletic program as an intern in the ticket office.

After serving his six-month internship, he was hired by then-A.D. Ray Graves to take over as Ticket Manager, where he served from February 1977 to March of 1979. In March of '79, then-Athletic Director Bill Carr added the position of Director of Game Opera-

tions to Foley's ticket supervision responsibilities. As the game management coordinator, he was responsible for scheduling UF facilities, while also supervising all maintenance functions and directing UF's athletic staff during Gator athletic events.

In May of 1980, he was promoted to Assistant Athletic Director, where he was responsible for the supervision of all aspects of Florida's baseball, golf, swimming, tennis and track & field programs. In June of '81, Foley was again promoted, this time to Associate A.D. for Business Affairs, where he began his duties as UF's chief financial officer. Here, he assisted the long-range financial planning for the UAA, while also supervising budget planning, analysis and control.

From September of 1986 to January of 1987 he served as Interim Athletic Director. When Bill Arnsparger was named A.D. in January of 1987, Foley took on the responsibility of Senior Associate A.D., where he was second-in-command and responsible for the supervision of the entire athletic department in the athletic director's absence, while assisting in planning and leadership of the entire inter-collegiate athletic program. Foley also assisted in coordinating the efforts of the Athletic Board of Directors, while working in the area of future scheduling in both football and basketball. He also served as the tournament director for various SEC and NCAA championship events.

Foley's appointment to Athletic Director in March of '92 was greeted with great enthusiasm among Gator faithful and the UF athletic family alike.

Said Head Football Coach Steve Spurrier, "Jeremy has definitely earned the position by virtue of his career here at the University of Florida. He has worked in every facet of the department and he knows the 'ins and outs' of the total program."

Added Head Basketball Coach Lon Kruger, "Jeremy is a person with great feeling and great awareness of what is going on. He's certainly very capable and we look forward to his leadership."

Said Head Women's Basketball Coach Carol Ross, "Jeremy's attention to detail, ability to solve problems and interaction with coaches and student-athletes provides the athletic department with transcendent leadership. Under Jeremy's guidance, athletic teams at the University of Florida will undoubtedly reach new heights."

There is a continuing line of leadership in the Foley family, as his younger brother, James, commanded troops during Desert Storm and won two silver stars. In Foley's UAA office, an orange Gator sweatshirt worn by his brother at the battle of the Kuwait International Airport is encased in glass.

Foley is an avid sports and Boston Red Sox fan. He married the former Molly McCaughey in October of 1990.

# THE OFFICE OF STUDENT LIFE

*In each of the last six years, Florida has had more than 50 student-athletes named to the Southeastern Conference's Academic Honor Roll and since 1980-81, the University of Florida has had 583 Academic All-SEC selections, the most in the SEC and a credit to OSL's commitment to academic excellence.*

Recognizing student-athletes face unique pressures, the University of Florida Athletic Department pioneered a new concept in intercollegiate athletics in 1979 - The Office of Student Life.

This program of personalized, professional guidance in numerous areas on a day-to-day basis has become a national trendsetter and leader in student-athlete services. The continued growth of this office has demonstrated the commitment of the University's "total development" of its student-athletes.

That commitment has paid some impressive dividends:

- Over the last two years, Florida has had 145 student-athletes selected to the Southeastern Conference's Academic Honor Roll - the best two-year total in UF and SEC history.

- Florida had a school-record 13 football players named to the SEC's

Academic Honor Roll in 1991 and 1993, while 11 Gator football players were named to the SEC's academic achievement list in 1992. The 35 Gator football players named to the list represent the best three-year total in school history.

- Florida is the only school in the nation which has ranked in the Associated Press' Top 10 in its final poll in each of the last three years, while also being members of the Association of American Universities, the most prestigious organization in higher education.

- The University of Florida was one of 16 schools nationally recognized for a football graduation rate of 70 percent or better, according to a College Football Association (CFA) survey, which was released in April of 1992. Thirteen of 16 Gator freshmen - 81 percent - who enrolled for the 1986-87 academic year received their degree within five years.

- In 1991-92, Florida and Penn State were the only two schools in the nation to achieve each of the following: have its football program honored by the College Football Association for a graduation rate of 70 percent or better; have its football team ranked in the top 10 in the final 1991 Associated Press poll; and be a member of the Association of American Universities - the most prestigious organization in higher education.

- In 1993, two Gator football players - David Swain & Michael Gilmore - were named to the GTE Academic All-District III team. In addition, Gilmore was named to the Hitachi/College Football Association Scholar-Athlete Team and GTE Academic All-American Team, while also being the State of Florida's lone national finalist for one of 32 Rhodes Scholarships.

- In 1992, two Gator football players received national recognition for their work in the classroom as well. David Swain was a recipient of a national Honda Scholar-Athlete Award, while safety Michael Gilmore was named to the GTE Academic All-District III team. Also in '92, Brad Culpepper and Cal Dixon were selected to the College Football Association Scholar-Athlete Team. Florida and Nebraska were the only schools in the nation to have more than one selection on the CFA Scholar-Athlete Team in '92.

- Brad Culpepper - the Student Body Vice President - became the nation's premier student-athlete in '92, as he was named the national Toyota/ESPN Leader of the Year for outstand-

ing leadership skills on the field, in the classroom and in the community; received the National Football Foundation and College Football Hall of Fame Vincent dePaul Draddy Scholarship which honors the nation's outstanding scholar-athlete; was named a first-team GTE Academic All-America; was named to CFA Scholar-Athlete Team; was selected to SEC's Academic Honor Roll for fourth consecutive year.

- From 1982-86 eight Florida student-athletes were honored with Post Graduate Scholarship Awards, the third highest total for a university in the nation during that time period.

- Florida was also honored on the national level with Cris Collinsworth in 1980 and Gary Rolle in 1984 being chosen to the Academic All-America team. In addition, Rolle was just one of 11 players in the nation selected for the prestigious National Football Foundation Scholar-Athlete Award in 1984.

- Florida's past academic achievement was recognized, as Gator great Carlos Alvarez was inducted into the GTE Academic All-America Hall of Fame in May of 1989.

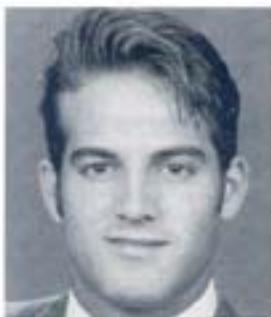

Achieving this type of success begins early. From aiding the transition from high school to college as a freshman, to choosing a major as a sophomore, through the career advisement period as a junior, until actual career job placement as a senior, the Office of Student Life is dedicated to the personal growth and academic development of the student-athlete.

Says Associate Athletic Director for Academic Affairs Dr. Keith Carodine, "We feel it is necessary to develop programs and services for our student-athletes which will help them move from a state of dependence to independence and finally to the highest form of maturity, interdependence."

Adds Assistant Athletic Director for Student Services Tom Williams, "It is our responsibility to provide support for our student-athletes to develop them into well-rounded and well-educated people. Our focus is not just on academics, but on the total development of our student-athletes. Ultimately, everything we do assists the student-athlete to achieve academic and athletic excellence, and graduate from the University of Florida fully prepared to pursue a successful and rewarding career. Basically our program is helping a lot of young people and that's the bottom line."

## PROFESSIONAL SPORTS COUNSELING PANEL

The University of Florida has a Professional Sports Counseling Panel which assists Gator student-athletes in evaluating individual professional potential, provides assistance in selecting professional representation and prepares student-athletes for a professional career in sports. The panel, which is authorized by the NCAA, is made up of three University president-appointed members. Florida's panel has been selected as a model panel for other universities to follow.

*Michael Gilmore earned several academic honors in 1993. He was the State of Florida's lone nominee for the Rhodes Scholarship, named to the Hitachi/College Football Association's Scholar-Athlete Team, a GTE Academic All-America selection and a SEC Academic Honor Roll honoree.*

*Kevin Carter was one of 11 players named to the College Football Association's national "Goodworks Team" in 1993. The "Goodworks Team" is comprised of players who are highly involved in their respective communities.*

*In 1992, UF defensive tackle Brad Culpepper (left) and center Cal Dixon (right) were selected to the College Football Association (CFA) Scholar-Athlete Team. Florida and Nebraska were the only schools in the nation to have more than one selection on the CFA Scholar-Athlete Team in 1992.*

*ABOVE: Counselor Tim Aydt, far right, advises two football players. Aydt and the Office of Student Life staff played a valuable role in Florida's 1992 recognition from the College Football Association (CFA) for graduating 82% of its players.*

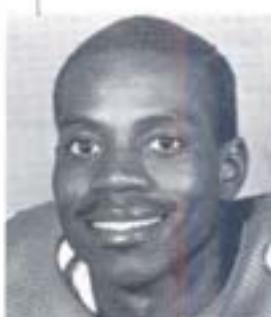

## FLORIDA RECEIVES NATIONAL RECOGNITION FOR 81% GRADUATION RATE

In April of 1992, the University of Florida was one of 16 schools nationally recognized by the College Football Association (CFA) for graduating at least 70% of its football players. The survey covered freshmen classes that enrolled in 1986. Florida's graduation rate for its 1986 freshman class was 81% (13 of 16 players earned their degree within five years).

*WII Bret Wiegmann was a recipient of an NCAA Post Graduate Scholarship Award in 1986. From 1982-1986, UF had eight student-athletes honored with this award, a total that ranked as the third highest in the nation for a Div. I-A school during that time frame. In 1990 Huey Richardson earned this honor also.*

*(Far right) WII Gary Hollis was one of the most honored student-athletes in the nation in 1984-85. He was named an Academic All-American and was also one of 11 players honored as a National Football Foundation Hall of Fame Scholar-Athlete.*

*Left-right: RII Neal Anderson, WH Ricky Nattiel, DB Louis Oliver, DT Trace Armstrong and OLB Huey Richardson were all first-round selections in the NFL Draft who received their degrees from the University of Florida before embarking on their NFL careers.*

# GOODWILL GATORS

# PHYSICAL DEVELOPMENT & HEALTH CARE

**UF Offers Paramount Personal Care By A Renowned Physical Training and Sports Medicine Staff**

In addition to first-class facilities, it is the priority and commitment given to Gator student-athletes by a renowned training, sports medicine and strength and conditioning staff that has become the standard for which other schools are comparing their programs.

## PHYSICAL DEVELOPMENT

To compete at the highest level of collegiate competition today, the student-athlete must be able to compete in terms of strength and conditioning. The UF strength and conditioning program offers the finest in facilities, equipment and instruction to develop maximum physical capabilities.

While the college football season runs from September through December, strength and conditioning is a year-round endeavor at the University of Florida.

"Our off-season program is eight weeks of lifting and running in January and February and 12 weeks in the summer months all trying to reach one goal - to get the players as big, as strong and as fast as possible," says Florida's Director of Strength and Conditioning Rich Tuten. "The basis of Florida's strength and conditioning program is to train the 'whole' athlete. This involves developing strength, conditioning, speed, agility, flexibility, nutrition and motivation. Our program is balanced, integrating a multitude of resources, including one of the finest training facilities in the nation."

"Our program functions around the multidimensional use of the computer as well, a tool that provides an efficient means for programming and charting each player's specific strength and conditioning program," adds Tuten.

The program, however, is not just running and weight lifting. "It's a physical workout that works with you mentally," says Tuten.

The quality of the people running the strength and conditioning program matches the equipment. Highly trained professionals plan and guide physical development of Gator athletes. The strength and conditioning staff plans training in various cycles (i.e., in-season, winter conditioning, spring practice, the summer program).

"Our program isn't like the one I was involved in 15 years ago where they'd run you so that every time you'd feel like you were going to die or wished you had," says Tuten. "We try to push the athletes as far as we can, but let them achieve little goals to let them

start to feel good about themselves."

While staying in playing shape at the University of Florida is not easy, Tuten says, "down deep our athletes know this is what it takes."

"I don't think anybody is going to beat us because of conditioning," adds Tuten. "I never want that to happen. That's my goal."

The Ben Hill Griffin Jr. Athletic Training Center, located beneath the South End Zone of Florida Field, is the foundation of the Gator strength and conditioning program. The huge 11,000 square-foot area is simply awesome in its size and makeup. The ultra-modern strength complex houses a multitude of free weights Nautilus and Smith machines, along with some of the finest conditioning systems around. All of this gives the opportunity to develop maximum physical abilities.

## HEALTH CARE

A commitment to total care is present in every facet of Florida's approach with its student-athletes. The very best equipment, staffing and facilities are present to insure that a student-athlete is cared for in the ultimate manner.

Florida's health care team focuses on prevention, precaution, treatment and rehabilitation. Equipment, training, physician, physical therapist, massage therapist and strength and conditioning staffs are jointly committed to health care and prevention.

Assistant Athletic Director for Sports Health Chris Patrick, Director of Athletic Equipment Bud Fernandez, Coordinator of Athletic Training Jackie Foute, Football Trainer Mike Wasik, Football Equipment Manager Tim Sain, Massage Therapist Marty Folino, Strength and Conditioning Coach Rich Tuten, Physical Therapist Marty Huegel, plus a highly-regarded athletic training team and a host of physicians headed by Dr. Pete Indelicato and Dr. Richard Shaara are considered national leaders in their respective areas. Combined with state-of-the-art facilities and equipment, they give Florida one of the nation's premier health care teams.

"Working together is the key," says Assistant Athletic Director for Sports Health Chris Patrick, who was inducted into the National Athletic Trainers Association Hall of Fame in 1989. "Everything from the equipment issued to our players to their strength and conditioning programs has a bearing on the other. It all must work

together and it does at Florida. We have to provide the best care possible. Our goal has always been to provide care for our people as opposed to taking care of them. Our job is made easier with the outstanding support groups and fine facilities we have. We strongly feel that the University of Florida cannot be outdone in the area of total health and preventive care."

It is Florida's health care staff's responsibility to care for and provide prevention and rehabilitation of injuries for each Gator athlete. And that job is done in one of the finest facilities in the country - the 26,200 square foot Ben Hill Griffin Athletic Training Center located in the South End Zone. The impressive facilities at the University of Florida also includes one of the finest teaching hospitals in the country - Shands/VA Medicine Center - located on the UF campus. Recognized as a leader in the field of sports medicine, the Shands staff, headed by Dr. Pete Indelicato, provides quick, accurate evaluations and expert treatment for injuries.

"We have a tremendous amount of resources at our disposal at the University of Florida," says Dr. Indelicato. "We can very quickly determine the degree of injury, treat it, start the rehabilitation and get the athlete back on the road to full recovery."

"We're very sensitive to preventing injuries," adds Patrick. "We make sure the best equipment is on our players and that the equipment is cared for daily. Everyone is dedicated to prevention. We recognize a sport like football is prone to injuries, but with our prevention program we are able to minimize the amount of time the player is away from the field. If there's an injury, we see that the Florida athlete receives the finest care in the country."

The job is made easier and more efficient by Florida's sports medicine computerized program. This allows the staff to keep up-to-date records and accurate data in the rehabilitation of injuries.

# BEN HILL GRIFFIN STADIUM AT FLORIDA FIELD

Ben Hill Griffin Stadium at Florida Field – the site of the largest football crowd (collegiate or professional) in state of Florida history (85,507 Nov. 27, 1993 vs. FSU) – has moved into the national spotlight in recent years as one of collegiate football's best stadiums, from a player and fan standpoint.

The 1994 season marks the 65th year that Florida Field is the home of the Gators. Prior to the 1969 season, Florida Field took on the expanded name of Ben Hill Griffin Stadium at Florida Field in honor of Ben Hill Griffin, Jr., a life-long Gator supporter and fan who had been extremely benevolent and generous to several sectors at the University of Florida prior to his passing in March of 1990. Florida Field was originally dedicated on Nov. 6, 1930 when Florida met Alabama. Over the years, Florida Field has become a standing remembrance to all Floridians who have died in military service to our nation.

With the crowning jewel of Florida Field – the north endzone expansion project – completed prior to the 1991 season, capacity now stands at 83,000, making Florida Field one of the eight largest on-campus stadiums in the nation. With the addition of the 10,000 seats, the 1991, 1992 and 1993 seasons saw UF draw the top 18 crowds (collegiate, professional, bowl and Super Bowl games) in state of Florida history.

The addition, which transformed Florida Field from a horseshoe to a bowl, cost \$17 million and involved no state funding. The structure added 18 skyboxes to the stadium, which now has 46 skyboxes. Also, the structure has 2,000 club-level seats, 1,300 covered chairback seats, 5,000 upper-level chairbacks, concession stands and a gift shop. The structure is home to Gator Boosters, Inc., which funds men's and women's athletic scholarships and capital improvement projects.

In August of 1982, the south endzone project was completed and raised the seating capacity of Ben Hill Griffin Stadium at Florida Field to over 72,000 and gave the Gator football program one of the nation's top collegiate stadiums. Since that time, Florida has ranked in the top 15 nationally in attendance for 11 consecutive years.

The 18,000 seats with the 1982 expansion and the addition of a athletic training center located beneath the stands in the south endzone, were all part of a master plan to develop athletic facilities at Florida that are second to none. The Ben Hill Griffin, Jr., Athletic Training Center, the luxury skyboxes and a spacious and highly-functional press box combined to make Florida Field the premier collegiate stadium in the state of Florida.

The original stadium, constructed in 1930, consisted of the lower half of the current stadium. Seating capacity was 21,769. The entire stadium was constructed below ground. In 1950, over 11,000 seats were added on the west side and another 7,000 were provided by bleachers on the east side. The addi-

tions brought seating capacity to 40,116. Additional bleacher seats were added during the 1950s, bringing capacity to 46,164 by 1960. In December of 1965, construction started again on further additions that added over 10,000 permanent seats on the east side and temporary bleachers moved from the east side to the south endzone, providing a total capacity of 62,800 (56,164 permanent seats). The south endzone expansion in '82 enclosed the south end of the stadium, and brought the capacity to 72,000. The north endzone transformed the horseshoe into a bowl and raised capacity to 83,000.

Also new for the 1990 season was the all-natural grass playing surface which was installed during the summer, shortly after the arrival of head football coach Steve Spurrier. The natural grass surface replaced an artificial surface which had been in place since 1971. Spurrier has tagged Florida Field "The Swamp," as the Gator mentor enters the 1994 season 23-1 at home over his four years at the helm.

# FLORIDA'S ATHLETIC PROGRAM... ALL-AROUND EXCELLENCE

*The University of Florida athletic program has ranked among the nation's 10 best for 11 consecutive years and among the country's five best for each of the last five years according to national all-sport rankings. In addition, prior to 1992, no Southeastern Conference school had ever managed to win the league's all-sports trophies for both the men's and women's programs in the same year. The University of Florida became the first school to achieve that distinction in 1992 and then repeated the rare feat in 1993. In 1994, Florida's combined men's and women's program again ranked best in the SEC, marking the sixth time in the last seven years UF's overall program ranked as the best in SEC.*

## 1993-94 IN REVIEW

■ The overall University of Florida athletic program ranked among the five best in the nation for 1993-94, according to the National Association of Collegiate Directors of Athletics (NACDA) all-sport rankings. Florida has now ranked among the nation's top 10 for

11 consecutive years.

■ The NACDA rankings replaced the USA Today rankings in 1994. Points are awarded on a school's finish in 22 NCAA sports. Although UF only sponsors 16 sports which can receive points in the NACDA rankings, UF still finished among the top five.

■ Florida accomplished a feat unmatched in intercollegiate athletic history in 1993-94. Never before has one school in one academic year

accomplished all of the following: had its men's basketball team advance to the NCAA's Final Four, had its women's volleyball team advance to the NCAA's Final Four, had its football team finish the year in the top five in final Associated Press Poll, had its women's basketball team invited to the NCAA Tournament, had its baseball team invited to the NCAA Tournament.

■ In 1993-94, Florida had the only men's program in the nation to have its football team ranked among the country's five best, its basketball team advance to the NCAA Tournament's Final Four and its baseball team earn a berth in NCAA Tournament play.

■ In 1993-94, Florida had the only women's program in the nation to have its volleyball team appear in the NCAA Tournament's Final Four, its basketball team advance to NCAA Tournament action and its gymnastics team advance to the Super Six at the NCAA Championships.

■ After becoming the first school in SEC history to win both the men's and women's all-sports trophies in the same year in 1991-92, UF repeated that accomplishment in 1992-93. In 1993-94, Florida's men's program won the SEC's Bernie Moore All-Sports Trophy for the third consecutive year, while the women place second in their league-wide competition. For the sixth time in the last seven years, Florida posted the league's top combined men's and women's all-sports point total in 1993-94.

■ Nine UF teams finished in the top 10 nationally in their respective sports in 1993-94.

■ Florida captured five Southeastern Conference Championships (football, volleyball, women's swimming, men's golf, men's tennis) in 1993-94.

■ Florida's coaching staff earned six SEC Coach-of-the-Year Honors in 1993-94: (Mary Wise - volleyball; Lon Kruger - men's basketball; Carol Ross - women's basketball; Judi Markell Avener - gymnastics; Ian Duvenhage - men's tennis; Buddy Alexander - men's golf).

■ Three individuals captured NCAA individual crowns and 47 student-athletes earned 109 All-America honors over the course of the 1993-94 year.

# 1993-94 ACADEMIC ACHIEVEMENTS

- In 1993-94, Florida had a total of 71 Academic All-Southeastern Conference Honor Roll recipients – the second-highest total in school and SEC history.
- Florida has now had 145 Academic All-SEC honorees over the last two academic years (1992-93/1993-94) the best two-year total in UF and SEC history.
- The women's program had 36 Academic All-SEC honorees, matching its all-time high set the previous season. The men's program had 35 selections, which stands as the second-best total in school history.
- Five Gator student-athletes were honored with GTE Academic All-District honors, while three earned Academic All-America distinction.

## A SOARING TRADITION

Florida's success in 1993-94 was not out of the ordinary. In fact, it was just the latest chapter in what has become a steady stream of achievements over the course of the last decade.

- As mentioned, the overall University of Florida athletic program has ranked as one of the nation's 10 most successful in each of the last 11 years and among the five best in each of the last five years, according to annual athletic program all-sport rankings (NACDA & USA Today).
- Since 1980, Florida teams have combined to rank in the final top 10 in their respective sport a total of 111 times. Forty-eight times since 1980, Gator teams have finished among the top three teams in the nation.

■ The Florida athletic program has claimed at least one national title in nine of the past 13 years. Overall, since 1980 Florida has won 15 national team titles.

■ Since 1980 Gator student-athletes have earned 1,489 combined All-America honors. Over that same time, 84 Florida athletes have won 130 individual national titles.

■ Florida's combined men's and women's athletic program has ranked best in the SEC in six of the past seven years (1987-88, 1988-89, 1990-91, 1991-92, 1992-93, 1993-94).

■ Since 1980, Florida has won a total of 70 SEC titles, a total representing the most league crowns for a conference member over that time span.

■ Since 1968, 74 Gator student-athletes have represented 14 countries in six Olympic Games, while staking claim to 49 medals – including 24 golds. Twenty-one Gators and one UF coach represented six countries in

Barcelona, Spain in the 1992 Summer Olympics. Those 21 won 12 medals, including seven golds.

■ Lady Gator athletes have earned a total of 110 national individual titles – of which 91 are NCAA crowns. Florida's 91 NCAA individual titles is the second highest total of any of the nation's women's athletic programs. Since 1973, 207 Lady Gator student-

both the basketball and football coach named as league Coach-of-the-Year (as voted on by their peers) in the same academic year. Gator mentors Lon Kruger and Steve Spurrier joined Bear Bryant and C.M. Newton (Alabama 1974-75) and Pat Dye and Sonny Smith (Auburn 1983-84 & 1987-88) in the exclusive club.

■ Florida was one of just three schools

Florida's women's program has earned five SEC All-Sport Trophies – the highest total in the league – since the award began for women in 1983-84.

■ The University of Florida won a league-record eight SEC crowns in 1991-92, while eight of its coaches were named Coach-of-the-Year.

■ In 1991-92, Florida became just the third school in SEC history to have

to have both their men's and women's programs ranked among the six best in the nation for 1992-93. Florida was one of only four schools in the nation for the 1991-92 academic year to have both its men's and women's programs ranked among the nation's five best. Florida was one of only two schools in the nation for the 1990-91 academic year to have both its men's and women's athletic programs ranked among the nation's six best.

■ In 1987-88, Florida was the only Division I A school in the nation to send its football team to a bowl game, its men's basketball team to the NCAA Tournament and its baseball team to the College World Series.

## FLORIDA FOCUS

- The Florida athletic program has claimed at least one national team title in nine of the past 13 years. Overall since 1980, UF has claimed 15 total national team titles.
- The University of Florida's women's athletic program was the only one in the nation in the 1993-94 academic year to have its volleyball team advance to the Final Four, its basketball team advance to the NCAA Tournament and its gymnastics team advance to the "Super Six" in NCAA competition.
- For each of the last six years the University of Florida has seen more than 50 student-athletes earn SEC Academic Honor Roll honors, including a SEC record 74 in 1992-93.
- A 1992 CFA (College Football Association) study recognized the University of Florida as one of 16 schools in the nation for posting at least a 70% football graduation rate. UF posted a 81% graduation rate for its 1986 freshman class.
- UF ranked sixth in the nation among all public universities in the total number of enrolling National Achievement Scholars for 1993.

FLORIDA

Dear Prospect.

As the coach at the University of Florida, I want to congratulate you on being considered for a football scholarship at the most prestigious state university in the Southeast. We are very proud of the high academic ranking of our school and the very high value of a degree from our institution.

Our coaching staff wishes you a most successful senior year, not only on the football field, but also in the classroom and in other extracurricular activities. Your senior year in high school is one of the most important and most fun years of your life. I sug-

gest you enjoy it to the fullest with your teammates and classmates. You'll remember your senior year for the rest of your life. There will be plenty of time to check out the schools of your choice after your high school season is over.

When making one of the most important decisions of your life, which school to attend, I ask you to consider these questions: What university offers the most academically, athletically and socially?

The University of Florida is the second-ranked academic school in the Southeastern Conference. Vanderbilt, a private school in Nashville,

Tennessee, is first. We are the highest-ranked academic state university in the Southeast.

Our goal as coaches is to establish at least a 70 percent graduation rate for our players. In a College Football Association (CFA) graduation study released in April 1992, which covered the class of 1986-87, Florida was one of 16 schools in the nation above a 70 percent graduation rate. The Gators graduated 81 percent of their players during this period.

Florida and Penn State were the only two schools in the nation in 1991-92 to have their programs cited in the 1992 CFA graduation study, have their universities included in the prestigious American Association of Universities — the most prominent organization a university can belong to in higher education — and have their football teams finish in the Top Ten in the final 1991 polls.

The University of Florida prides itself on being one of the very few schools in the nation that combines "The Best of Both Worlds," high ranking and achievement in both academics and athletics. The fact that the University of Florida is the only member school of the Association of American Universities — the highest ranking a school can achieve for its academic status and achievement — and has seen its football team ranked in the Top Ten in the final AP Poll in each of the last three seasons is a superb statement about this institution's commitment to combined academic and athletic excellence. In that regard, this is indeed a unique institution of higher education.

Additionally, we had ten players drafted in 1992 by the NFL, which tied for second among the nation's schools. In nine of the last 12 years we have had a first-round pick.

Socially, our university has a healthy atmosphere where students from many different backgrounds enjoy fellowship together. Whatever a student is looking for in a university or in its location can be found here at Florida.

Have a successful, healthy and fun high school senior year and hopefully for all of us, you'll choose to be a Gator.

Sincerely,

STEVE SPURRIER  
Head Football Coach

*"We encourage young student-athletes to join us at the University of Florida where we take great pride in the academic and athletic success of our students. Student-athletes at the University of Florida enjoy the benefits of superb facilities, but more importantly, they join programs headed by exceptional coaches. Head football coach Steve Spurrier, like all of us at Florida, has committed himself to develop a first-class football program that reflects the quality and pride of players, and that inspires the respect, admiration, and pride of faculty, students, alumni and friends of the university."*

*- DR. JOHN LOMBARDO  
President*

*"It is the goal of this program to become the nation's premier program. Our genuine commitment to excellence in academics, athletics, facilities, health care, student life, academic support and fan support is the foundation for this goal. This is an outstanding institution that has everything you as a student-athlete could possibly want or need to further your academic and athletic goals. We are second to no one in terms of quality faculty and coaches whose commitment to excellence will match yours. The "Florida Experience" will be one you never forget and will set the standard for the remainder of your life."*

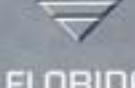

*- JEREMY FOLEY  
Director of Athletics*

*"We are seeking players who want to combine the best in athletics and academics. Florida football is a positive experience, playing in a sold-out Ben Hill Griffin Stadium in front of over 84,500 fans each week and competing for a championship at the highest level in the nation's best conference, the SEC, and playing on network TV over 75 percent of the time. Combine all of that with a degree from the University of Florida, the highest-ranked state university in the south, and you can achieve the ultimate college experience for a student-athlete."*

Recruiting Coordinator

# BEST OF BOTH WORLDS

The Facts Show That The University Of Florida Is Indeed One Of The Very Few Schools In The Nation That Ranks Among The Elite For Both Academic And Athletic Achievement

## "THE BEST OF BOTH WORLDS"

*Florida, Penn State, Southern Cal, Stanford, Texas and UCLA were named the top six schools in the nation for combining academic quality and athletic success.*

*A study, conducted from 1982-91, which was published in the June 24, 1992 issue of the NCAR News named the University of Florida as one of six schools in the nation as having the best mix of academic quality and athletic success. Completing the elite group of six schools named in the study were Penn State, Southern Cal, Stanford, Texas and UCLA.*

*University of Illinois professors Lawrence DeBrock and Wallace Hendricks built their study around a central question: Can institutions with lofty academic rankings and standards successfully compete in the athletic arena? The results of the decade examination proved that championship-caliber programs and teams were more likely to come from institutions with impressive academic standing and that the six schools listed above, including the University of Florida, have the best mix of academic quality and athletic success.*

*DeBrock and Hendricks researched Division I schools and considered the success of student-athletes both in the classroom and national championship competitions. The number of athletic teams competing and number of individuals qualifying for NCAR championship events were compared against a 1990 U.S. News and World Report ranking of the nation's top academic universities.*

A lot of schools talk about academic and athletic achievement but few in fact have demonstrated that high level of attainment. Count the University of Florida among the elite group of universities that has indeed demonstrated a level of achievement, success and stature that places it among the nation's premier institutions for academic attainment and athletic attainment.

Florida is one of only 58 of over 1,200 colleges in the nation to be admitted to the Association of American Universities, the most prestigious organization of higher education in North America. Now take a close look at the final 1993 AP national football rankings. Universities that were ranked in the final AP Top Ten football poll which were also members of the AAU are in italic type. Please note that five of the top ten schools in the final AP Poll are also members of the AAU, including the University of Florida. This fact solidly demonstrates that the University of Florida football program is indeed one of few in the nation that is ranked at the very highest levels for both academic and football success.

Now also look at the chart that ranks the nation's finest overall combined athletic programs. The University of Florida has ranked among the ten most successful combined men's and women's athletic programs in the country in each of the last ten years (1983-93). In USA Today's most recent ranking (July of 1993), UF ranked as the fourth most successful combined athletic program in the nation for the 1992-93 athletic year. Once again research shows that the University of Florida is indeed part of a very small group of schools that boast an overall athletic program that ranks among the ten best in the country.

Such facts, when combined with a recent study which named UF one of the top six schools in the nation for academic quality and athletic success, clearly demonstrate that when the University of Florida talks about "The Best of Both Worlds," it indeed is one of the very few schools in the nation that backs up such a statement with undeniable achievement to substantiate the claim.

## A RARE TRIPLE PLAY

*The University of Florida is the only school in the nation that had its football team ranked in the final 1993 AP Top Five Poll, had its overall athletic program ranked among the nation's five most successful in a 1993 rating by USA Today, and is a member school of the Association of American Universities - the most prestigious organization of higher education in the nation.*

*AND*
- *It is a member school of the Association of American Universities - the nation's premier organization of higher education.*

*"In deciding which university to attend, my last step was to eliminate football and choose a school that was academically right for me and had the strongest reputation. When I did that, Florida was clearly the superior choice. The facts solidly show that Florida is rated among the elite schools for academic reputation and athletic reputation. # FIRST CLASS FACILITIES

Modern And Convenient Facilities Rate Among  
The Very Finest In The Nation

From beautiful Florida Field, to the locker rooms, weight and conditioning area, training and physical therapy complex, squad meeting rooms, practice area, dining and living areas and the coaches offices, convenience and quality was paramount when the University of Florida made a commitment in the 1980's to put together one of the most impressive athletic facility complexes in the country. Because everything that was built was designed with the student-athletes in mind, Florida's complex not only rates as one of the premier units in the nation, but it also rates among the most efficient and well-conceived in the country as well. All one has to do is listen to Florida student-athletes talk about the facilities to quickly appreciate how highly they are regarded.

*"I was fortunate to be recruited on a national basis and I can honestly say that Florida's facilities are second to none. Everything, and I mean everything, is first-class. What makes it all the better is the fact that you have everything here: the dining room, dorm room, training facilities, workout room and locker room. The convenience factor combined with the quality of everything makes the facilities exceptional."*

- OT DAVID WILLIAMS

1989 NFL First-Round Draft Selection

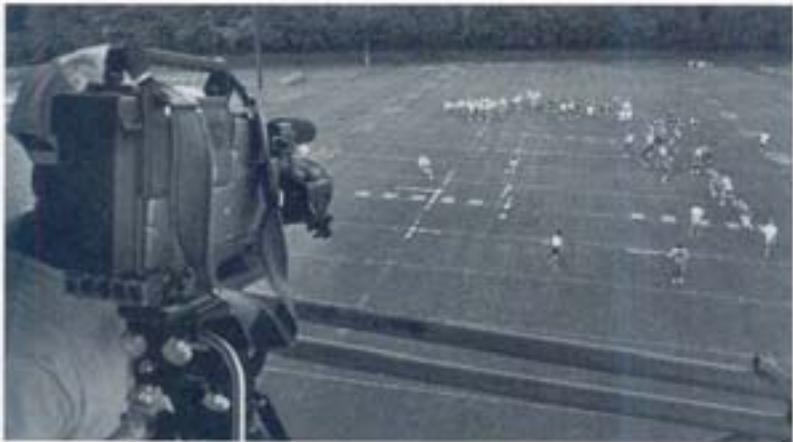

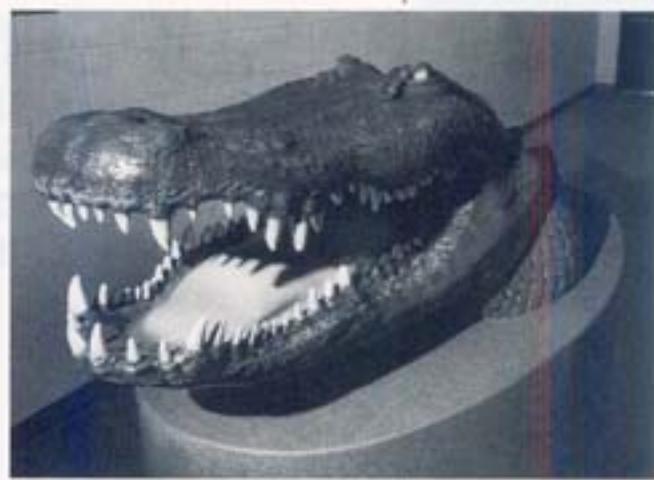

*"The quality and convenience of the facilities is one of the reasons why I came to UF. There aren't too many schools that can compare to Florida in this regard. You always had a sense that people were taking care of the exceptional facilities and looking for ways to make them even better. I really don't think that there is another school that can top Florida."*

State-of-the-art training, medical and physical development facilities abound throughout the 23,200 square-foot Ben Hill Griffin Training Center.

# SUPERLATIVE SUPPORT

As The Facts Show, Florida Is Unquestionably The Leader In The Sunshine State In Demonstrated Fan Interest And Support And It Clearly Stands With The Nation's Elite In Those Important Categories

Florida football is more than a sport. For hundreds of thousands of fans in the sunshine state it is an obsession. Their enthusiasm and loyalty, which they demonstrate time-and-time again, has elevated Florida football to a level where it unquestionably ranks as the most supported team in the state and indeed, among the most supported in all of college football.

The following facts clearly demonstrate the premier level of support that Florida football receives.

- Over the last 12 years, Florida has ranked among the top ten percent of all teams in the nation in attendance.

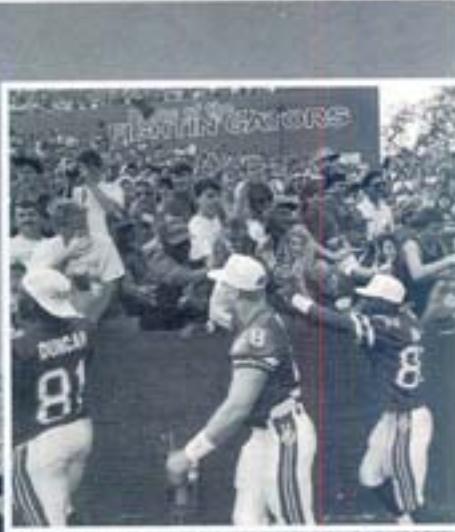

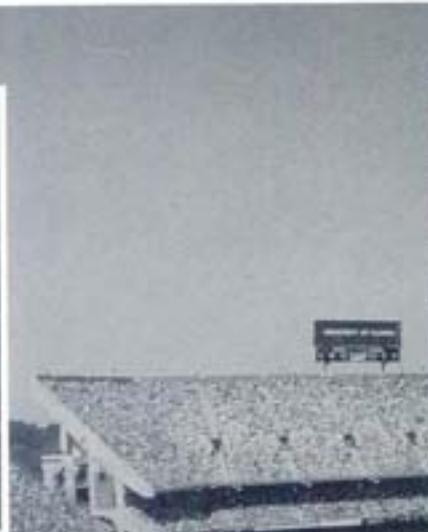

- In 1993, Florida played before average home crowds of over 84,500, an average attendance that ranked fifth in the nation.

- In each of the last three seasons, Florida has ranked among the nation's top five schools in average home attendance.

- In 1986, Florida became the first

organization in sunshine state history, collegiate or professional, to sell every ticket to every home game prior to the start of the season.

- From 1985-90, Florida sold 100% of all available season tickets (62,000) prior to the start of the season. That type of demand led to the decision to add 10,000 additional seats in 1991 increasing the number of available season tickets to over 70,500. Once again, demand has exhausted that supply.

*Beautiful Ben Hill Griffin Stadium at Florida Field, the largest stadium in the state of Florida, has hosted the 15 largest crowds in state history, collegiate or professional. Florida averaged over 84,000 fans per home game in each of the last three seasons, marks that ranked among the five best in the nation all three years.*

- The Gators have played before home crowds of more than 80,000 in each of the past 18 home games. During that same period (1991-93), other football playing schools in the state played before home crowds of more than 80,000 not once.
- UF has participated in each of the 15 largest all-time top attendance games in state history (regular season college and pro games, bowl games, pro playoff and Super Bowl games).
- Gator Boosters, Inc., an organization formed to promote academic-athletic interest by funding scholarships for all UF student-athletes and assisting with the improving and enhancing of athletic facilities, numbers over 12,000 members and provides more than \$6 million annually in support of its missions.

*"The interest and support is truly impressive. I simply can't imagine it being any better anywhere else. You come to realize that the Gators really are the state of Florida's team."*

- DT TRACE ARMSTRONG  
1989 NFL First-Round Draft Selection

*"Florida's fan support is nationally renowned. # CONFERENCE

Success, Achievement, Competitiveness, Intensity,  
Support, Attention, And Glittering Tradition Make It  
America's Premier Conference

The tradition and success of the Southeastern Conference runs long and deep. Established in 1933, it has rightfully achieved a distinction for national respect that places it right at the very top of college football. Twelve national championship teams, 244 combined bowl appearances and six Heisman Trophy winners are but a few of the outstanding achievements that the SEC has jointly achieved over the course of 60 years.

One thing that really stands out about the SEC in comparison to many of the nation's conferences is that interest, support, attention, national media profile, and intensity are still growing. A review of the past few years shows just how dominant the SEC has become in terms of these categories.

- In each of the last eleven years the SEC has led the nation's conferences in stadium capacity percentage. In 1993, 92.0% of all conference stadium seats were filled over the course of the season.
- In each of the last 14 years the SEC has led the nation in total attendance. In 1993 alone, the SEC attracted nearly 4.9 million fans at home games. The SEC drew

— QB SHANE MATTHEWS  
1990 and 1991 SEC Player of the Year

*"The SEC is the most competitive conference in the nation. The intensity helps bring out the best in everyone. Playing in this league is also excellent preparation for playing in the NFL. It was good to play at Florida and play against tough teams week-in and week-out, just as you will in the pros."*

1993 was another example of the Southeastern Conference's prominence and success in collegiate football. The conference had four teams finish the season ranked in the nation's final AP Top 15 Poll, more than any other league in the nation, and it set a national conference attendance record with nearly 4.9 million fans.

- Since 1985 the SEC headlines all conferences with 301 total players drafted by the NFL.
- In 1991, 92 and 93, five of the top ten schools in the nation in attendance were SEC schools, including Florida which ranked fifth in the country all three seasons.

# TRADITION AND HERITAGE

Some Of College Football's All-Time Great Players Combine With Other Impressive Individual And Team Achievements To Give The Gator Program A Proud Past

Football tradition and heritage comes over time. It results from a steady flow of achievements through the years that together eventually stamp a program with an impressive list of accomplishments. As the following facts point out, the University of Florida is one of those schools that has compiled an impressive list of accomplishments and achievements.

- Florida was a charter member of the prestigious Southeastern Conference when it was formed in 1933. It played in each of the first two SEC Championship Games in 1992 and 1993.
- QB Steve Spurrier was the recipient of the 1966 Heisman Trophy and linebacker Wilber Marshall was named the "National Defensive Player of the Year" in 1983. Five UF players have finished in the top ten of the Heisman balloting.

- Florida's 66-10-2 record at home since 1981 and its 23-1 record since 1990 rank among the nation's very finest.

- From 1983-91, Florida had 13 players selected in the first round of the NFL Draft, the most in the nation over that nine-year period.
- In 1989, the University of Florida was the only school in the nation to have three players selected in the first round of the NFL Draft.
- Ben Hill Griffin Stadium at Florida Field is the largest stadium in the state of Florida, collegiate or professional.
- Over 125 UF players have gone on to play in the NFL.
- A Florida player has participated in 15 of the 28 Super Bowls that have been played.

Winning championships have become a common occurrence since Head Coach Steve Spurrier arrived on the Gator scene in 1990.

# THE SPURRIER YEARS

"One of the primary reasons why I, and so many others, came to Florida is because of the tradition. When you see the list of players that have played here it truly becomes an honor to play on the same field as they have. Coach Spurrier is one of those great players who is now adding to Florida's tradition with his sparkling achievements as a coach. What's really exciting is the fact that everybody believes the best is yet to come."

- DB LARRY KENNEDY

A rich part of Florida's football history and tradition is its unmatched NFL first-round draft success in recent years. From 1983-91, Florida had 13 total players selected in the opening round of the draft, the most for any school in the nation in that nine-year period of time. With at least one player chosen in the opening round of the draft each year from 1983-91, Florida became the first school in the nation to have a player selected in the first round of the NFL Draft for nine consecutive years since the annual draft was started in 1936.

The University of Florida is a charter member of the National Heisman Trophy Club.

# INCREDIBLE MEDIA ATTENTION

Every Aspect Of Modern Mass Media Communications And Technology Is Present In Such A Large Manner That The Florida Squad And Gator Players Are Assured Of Always Being In The National Limelight

The media attention and exposure associated with the Florida football program is nationally renowned. The Gator Program has a reputation around the country for being one of, if not the most, intensely covered collegiate teams in the country. The daily media attention assures that the Florida team and its players receive incredible media and public exposure.

As the facts below demonstrate, very few schools in the nation can match the University of Florida's high media profile.

- Since 1982, every Florida football game except one has been televised on either a live or delayed basis. In short, 141 of UF's last 142 games have been televised.

*"The media attention at Florida is more than you can imagine. Media representatives came from all over to cover the program daily. There never is any question in your mind that team and individual performances won't receive the maximum amount of attention."*

- RB EMMITT SMITH

1990 First-Round NFL Draft Selection, Dallas Cowboys  
Leading Rusher in NFL in 1991 - 1993,  
NFL MVP in 1993, 1994 Super Bowl MVP

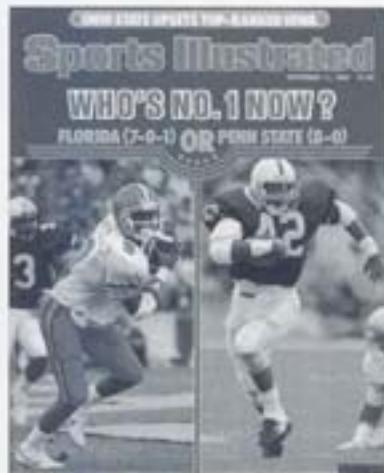

- In 1992, ten of UF's 13 games appeared on live network television, while nine of 13 games were televised on network TV in 1993.
- In 1990 and 1991, the University of Florida appeared on national TV eight times each season.

- Eight of the ten largest newspapers in the south and southeast are located in the Sunshine State and cover the Gator program daily.

*Florida's national television profile is unquestionably one of the highest in the nation. Counting tape-delayed telecasts, every UF game but one since 1982 has been telecast — 141 of a possible 142 games. In each of the past four seasons, Florida has had at least eight of its games selected for live network television, including ten live appearances during the 1992 season. Thirty-five (35) of Florida's 49 games (an amazing 71%) under Steve Spurrier have appeared on live network television. The SEC's new TV contract with CBS, starting in 1996, insures even more national exposure for UF and the SEC.*

*"The publicity machine at Florida is incredible with all the media coverage and attention. I received a lot of recognition at Florida due to that extensive coverage."*

# RECOGNITION

## A High National Media Profile Combined With The Prestige Of The Southeastern Conference Place Gator Players In Prime Position For National Recognition And Awards

The combination of tremendous media attention on a daily basis, the large number of national television exposures and the national respect for the quality of play in the Southeastern Conference combine to place University of Florida players in an excellent position to garner national recognition, honors and awards. Those factors combine to place Gator players in the national limelight on a consistent basis. That has especially been true

since the arrival of Head Coach Steve Spurrier in 1990. Since 1990, an average of nine UF players per year have earned All-America recognition.

Consider the following:

- Since 1982 alone, eighty-two (82) Gator players have received All-America recognition. Three players received that honor in 1982, 5 in '83, 6 in '84, 7 in '85, 6 in '86, 7 in '88, 6 in '89, 5 in '90, 11 in '91, 8 in '92 and 12 players in 1993.
- At least one University of Florida player has earned first-team All-America honors in 13 of the last 14 years.
- Since 1983, Florida has averaged seven players a year who received All-America recognition.
- A Florida player has received the "SEC Player of the Year" award in three of the past five seasons. Since 1984, Florida has had more "SEC Player of the Year" awards (4) than any school in the conference.
- From 1983-91, Florida has at least one player selected in the first-round of the NFL Draft each year, the only school in the nation to achieve that distinction over that nine-year period. In fact, UF is the only school to ever achieve that distinction since the NFL began its draft in 1936.
- From 1983-91, Florida had 13 players selected in the opening round of the NFL Draft, the most for any school in the nation over that nine-year time span.
- Judd Davis was the recipient of the 1993 Lou Groza National Place-Kicker of the Year Award.
- Wilber Marshall was selected the "National Defensive Player of the Year" in 1983.
- QB Wayne Peace (1983), QB Kerwin Bell (1986 and 1987), RB Emmitt Smith (1987, '88, '89) and QB Shane Matthews (1991) have all received Heisman Trophy consideration in the last ten years.
- Every year but one since the "Thorpe Defensive Back of the Year" award was established in 1987, a Florida player has been given high consideration (Jarvis Williams in 1987, Louis Oliver in 1988, Richard Fain in 1989 and 1990, and Will White in 1990-1992).
- Defensive end Huey Richardson was one of twelve announced finalists for the Lombardi Award in 1990.
- Offensive tackle David Williams was considered a top candidate for the Outland Trophy in 1988.
- Tim Paulk was one of ten semifinalists for the Butkus Linebacker of the Year Award in 1991.

*Shane Matthews (right), "SEC Player of the Year" in 1990 and 1991 as a sophomore and junior, respectively, finished fifth in the Heisman Trophy balloting as a junior in 1991. Florida players have won the "SEC Player of the Year" award in three of the last five seasons and four times in the ten years.*

*Emmitt Smith (above) finished in the top ten of the Heisman Trophy balloting twice (1987, '89). In 1987, he became just the second freshman in history to finish in the top ten of that balloting for college football's most prestigious award.*

In 1993 Wilber Marshall, who went on to become a first-round selection in the 1994 NFL Draft by the Chicago Bears, was named the "National Collegiate Defensive Player of the Year."

Brad Culpepper, a 1991 first-team All-American at defensive tackle, was also named the Toyota/ESPN National Student Leader of the Year and the recipient of the Draddy Trophy which is presented annually by the National Football Foundation and College Hall of Fame to the nation's premier scholar-athlete.

Judd Davis was the 1993 recipient of the Lou Groza National Place Kicker of the Year Award.

"There is something about Florida that generates an incredible amount of attention and recognition as evidenced by the fact that eleven players earned All-America honors in 1991. Think about that. One-half of Florida's starters on the 1991 SEC Championship Team earned All-America honors. It is awesome, simply out of this world. As a team and individual, having Florida football as a part of your life means you will receive incredible recognition for what you and the team accomplish. The unmatched media attention Gator players receive plays a huge role in this recognition process."

- GUARD HESHAM ISMAIL  
1991 All-American

Tim Paulk was one of ten semifinalists in 1991 for the Butkus Lineman of the Year Award. Paulk was one of 11 Gator players who earned first-team All-SEC honors as well as some type of All-America recognition for their play during the 1991 season. Thirteen UF players earned All-American honors in 1993. Gator players have earned All-America recognition 36 times since 1990 and 62 times since 1982.

# BOWL GAME EXPERIENCE

Since 1980, Florida Has Participated In Bowl Games  
That Were Held In Eight Different Cities  
And Seven Different States

There really is nothing quite like the experience of playing in a bowl game. The event and the surrounding experiences are among the most pleasant memories of a college football career.

Much of those memories and experiences come from traveling to different cities and states. In that regard, Florida has been tough to match. Since 1980, Gator football teams have participated in ten bowl games held in eight different cities and seven different states, stretching from coast-to-coast and beyond. Since 1980, Florida football squads have played in post-season bowl games in Honolulu, Hawaii, the Los Angeles area, Houston, Birmingham, Atlanta, Jacksonville, Orlando and in New Orleans in the Sugar Bowl in two of the last three years as SEC Champions.

With Coach Spurrier's crowd-pleasing offense, an exciting and attacking defense, a high national profile and loyal supporters, Florida is one of the nation's most attractive bowl teams of the 1990s.

*RB Errict Rhett was named the MVP of the 1992 Gator Bowl and 1994 Sugar Bowl.*

All of the interest, emotion, dedication, passion, loyalty and commitment that makes Gator football so special manifests itself on gameday at Florida Field, a.k.a. "The Swamp." The state's captivation with Gator football, along with unwavering fan loyalty and passion, turns beautiful Florida Field – truly one of the nation's great spectator stadiums – into a sea of orange and blue emotion and support that is hard to fully describe.

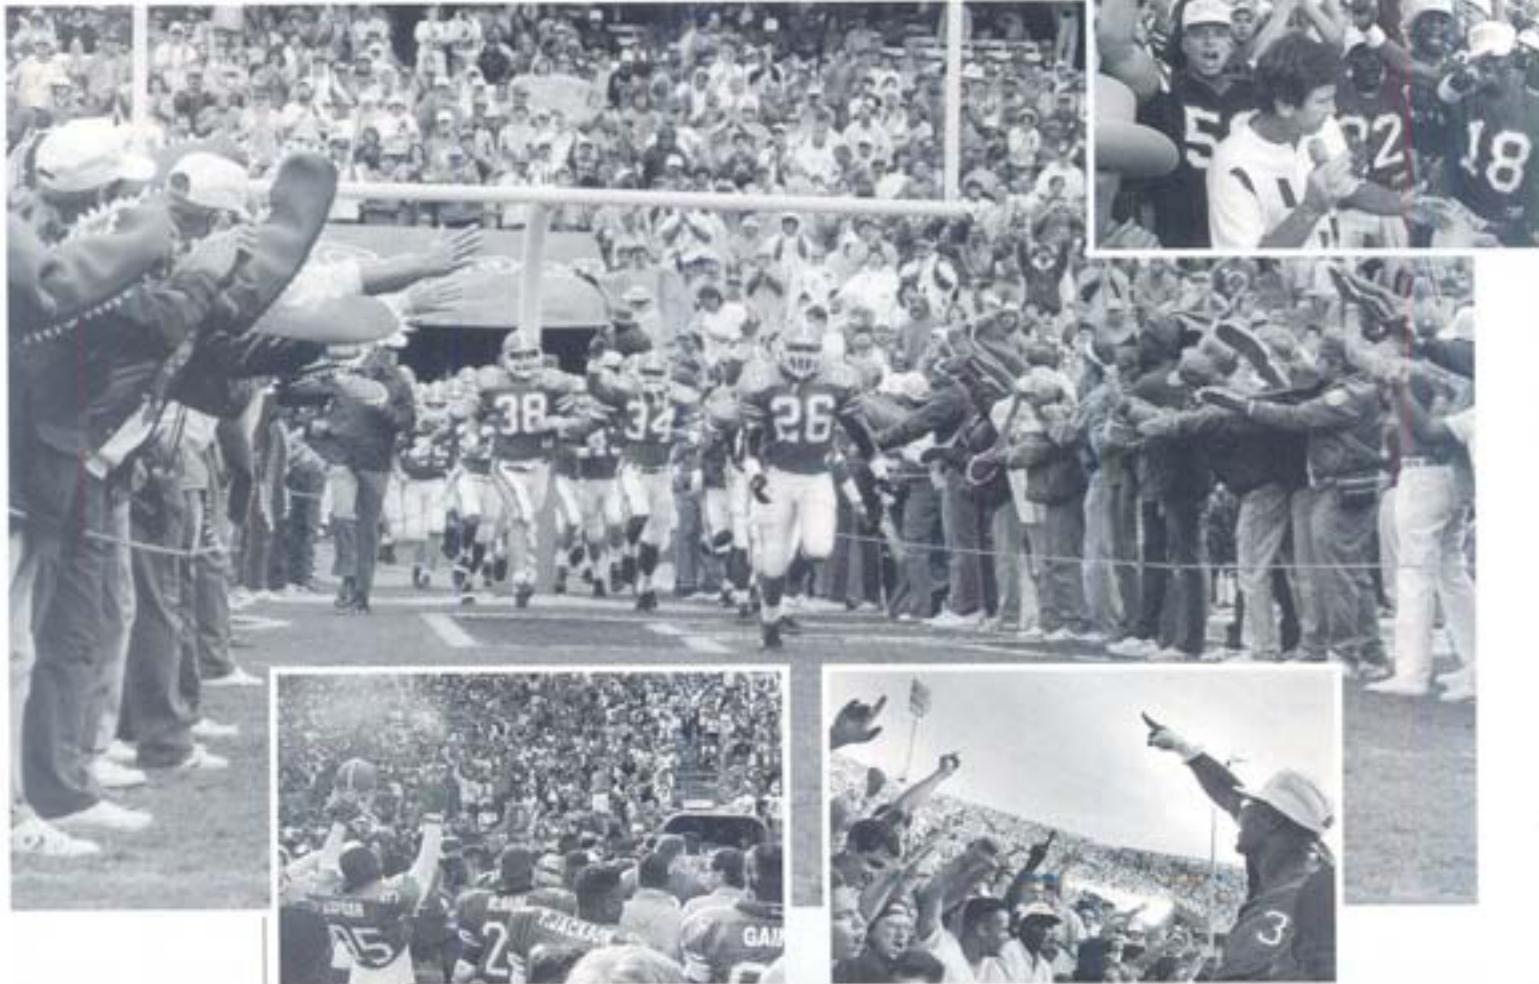

Suffice it to say that Florida students, alumni and fans truly believe that they are indeed the 12th man on the field. They have played a very large contributing role in the Gators' sparkling 66-10-2 record at home since the 1981 season. UF is 23-1 at "The Swamp" this decade.

award. In the summer of 1989, The Sporting News named Florida as the top college crowd in the nation in its pre-season football magazine.

*"I'll always have so many fond memories of my years at Florida. Playing at Florida Field, however, will always remain something very special for me and all Gator players. Players from other teams always commented that playing here was the toughest place to visit, and that's because of the Gator fans. They are always there no matter what. At other stadiums, the intensity of the fans was off and on; loud one moment and then at other times you didn't really hear them. That's never the case at Florida Field. The fans are always supportive. They really are special and I'll never forget the feeling of running out of the tunnel at Florida Field. It gives me goose-bumps just thinking about it. I really had the time of my life out there."*

— KERWIN BELL  
Quarterback (1984-87)

*"The feeling of playing at Florida Field is really hard to put into words. It's just an incredible sensation. When you step onto Florida Field, you are ready to play the best game of your life because of the energy you receive from the crowd. The players and fans here really do have a special bond."*

— CAL DIXON

In 1987, the National Cheerleaders Association of America selected the Gator faithful as the most participative and supportive home crowd in collegiate athletics in the first year of national competition for that award. Since 1981, the Gators have posted a sparkling 66-10-2 record at Florida Field, a mark that the fans have played a large part in helping to achieve. Since 1990, UF is 23-1 at Florida Field. UF averaged over 84,500 fans per home game in 1993, a figure that ranked as the fifth best in the nation.

*"Far too often, the balance between athletics and academics is overlooked in "Big Time" college athletics. I am proud to say this never occurred with me, and I am confident that the UAA (University Athletic Association) will continue to encourage both athletic and academic excellence."*

- GARY ROLLE, M.D.  
WR at UF, 1982-84

*"I enjoyed my playing days at Florida. I grew in so many ways over the past few years, but most importantly I was taught skills in teamwork, personal responsibility and developing solid work ethics. If you only become a better player at Florida, then you are cheating yourself because the University of Florida will make you a more well-rounded individual if you take advantage of all that it offers, and it does indeed have a great deal to offer."*

"What great thrills we have enjoyed since Chris became a Gator. The great wins on the field, the fun of the away-game trips, getting to know other players' parents and families and of course, the championships. For years we have admired the programs at the University of Florida - from a distance. Now that Chris is a participant, the excitement is continuous and accelerating. From the beginning we have been impressed with the coaches' friendliness and quiet confidence. They provide no far-out predictions or promises, only a winning effort. Every member of the athletic department staff we have had reason to contact, we have received friendly cooperation and assistance. The academic guidance and support Chris is receiving is providing its own rewards and is greatly appreciated."

"The health care staff at Florida is truly made up of people that are all tremendously dedicated professionals. They are really concerned about you and what is best for you at all times. You never have a doubt that you are getting the very best possible in terms of equipment, medical attention and treatment, physical development, and general preventive care. They will do everything possible to prevent an injury and if one happens, you never doubt that you are being taken care of by highly trained professionals in the very best facilities with the very best equipment. You always feel as if you are a member of their family. Just like your parents, they want and give you the best."

"Over the years at UF, I have seen many wonderful people of all ages and races. As for what I've learned, I've learned quite a bit. I have learned that it doesn't matter what race you belong to or your age, but rather the amount of hard work a person is willing to put into a project. I love my teammates and I thank God for the time I have spent at this university. It has taught me never to stop fighting and reaching for the best in myself and the people around me."

They truly care about you and your well-being. From the transition from high school to college to any assistance you might need regarding academic matters and your career, OSL is there. It was very reassuring to have professional-trained, caring people concerned about you and your well-being at all times."

UNIVERSITY OF  
FLORIDA

# THE BEST OF BOTH WORLDS

- A 1992 study published in the NCAA News (which combined rankings of the nation's top academic schools as well as an accounting of team and individual athletic success in NCAA Championship competition from 1982-1991) listed the University of Florida among the six premier schools in the nation (along with Stanford, Penn State, UCLA, Southern Cal and Texas) for achieving the best mix of academic quality and athletic success.
- The University of Florida is the only member school in the Association of American Universities, the nation's premier organization of higher education, to have its football team ranked in the top ten in the final AP Poll in each of the last three seasons.
- During the past two academic years UF student-athletes have earned a combined 145 SEC Academic Honor Roll honors, the best two-year total for that award in conference history. UF's 74 total Academic honorees for the 1992-93 academic year stands as the top seasonal total for a school in conference history and its 583 total awards since 1980 also ranks first in the league.

- The University of Florida is one of only 58 of the over 1,200 colleges and universities in the nation selected to the Association of American Universities, the nation's premier higher education organization. It is one of only 28 public institutions of higher education to be selected to the prestigious AAU.
- Among public universities, UF ranked third nationally in 1993 in attracting first time enrolled National Merit Scholars. UF also ranked sixth nationally among public universities in enrolling National Achievement Scholars.
- With 50 patents issued in 1992, UF ranks fourth in the nation (third among all public universities) in the number of U.S. patents issued. With more than \$5 million received annually, UF ranks eighth in the nation (fourth among public universities) in royalty income for 1992, ahead of such distinguished universities as Harvard, Yale and Johns Hopkins.
- Recent assessments of graduate school in the U.S. ranked UF in the top 20 public universities for its engineering programs, MBA program, and Law School.
- UF's growing national reputation is further demonstrated by major grant awards, such as a recent \$18 million grant UF received to develop a world-class Brain Institute for the study of neurological diseases.
- According to a report released by the Council for Aid to Education, UF ranks third nationally among all public universities in alumni giving for 1992-93.

- During the 1993-94 academic year the University of Florida achieved a level of athletic success that had never been accomplished by a school in one year. Never before had a school in one academic year seen its football team finish in the top five in the final AP Poll, its men's basketball team advance to the Final Four, its women's volleyball team advance to the Final Four and its baseball and women's basketball teams also receive invitations to their respective NCAA tourney's.
- Florida, which has now been ranked among the nation's ten premier overall athletic programs in each of the last eleven years, was the only school in the nation in the 1993-94 academic year to have its football team ranked in the top five in the final AP Poll, its men's basketball team advance to the Final Four and its baseball team advance to NCAA tourney play. Florida's women's program was the only one in the nation during the 1993-94 year to have its volleyball team advance to the Final Four, its basketball team participate in NCAA play and its gymnastic team advance to the "Super Six" at the NCAA Championship.
- Prior to 1992, no school in Southeastern Conference history had won both the men's and women's all-sports trophies in the same year. UF became the first to accomplish that rare feat in 1992 and has now received both all-sports trophies in two of the past three years. Six times in the last seven years UF has compiled the top combined men's and women's all-sports point total in the SEC.
